Letter of Transmittal

The Town Report is a record and accounting of town business. The record is clear that the fiscal position of the town has been re-organized and improved. Funds have been obligated and banked as protected reserves. The hurdle has been passed without calamity and the town is on a firm financial foundation. The economics of the future are conjecture, but likely on the upsurge.

Through the years the word, politician, appeared to carry the connotation of venality and shrewd contrivance. In fact, everything but the sagacious or far-sighted use of policy for those they represent. Your Council is described in the second definition.

It has been the manager's experience that, in many instances, the citizens are the ones that would like to use public money for private projects. They, of course, insult themselves and their officials when they ask for favors not extended to all.

One sometimes wonders if people do relate the cost of services to their tax structure. It just is not possible within the present tax framework to accomplish all the services that the "sidewalk" experts expect to be done. Agreed, if the Town had a couple of power plants to carry the tax burden, our personal tax load would be alleviated. It perhaps would create ecological problems. We have many experts on this also.

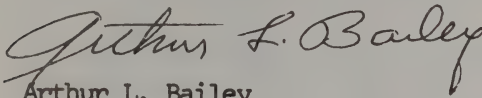

Briefly summated: one gets what one pays for; and if they do not feel that money is being expended wisely their recourse is to get someone else to do a better job. This option is always open.

The Manager actually calls this solution a game. It is similar to musical chairs. Various people change chairs when the music stops. The name, 'Maine Shuffle', might be more apropos. Many communities play it and swap managers around; sometimes they win - sometimes they lose. The game usually coincides with an affliction known as a town tantrum; with some towns it occurs nearly annually.

The Town has reached the point where, unless it is willing to move in the areas of physical and administrative consolidation of public services, communications, and the like, it will stagnate. It is never popular to advocate the spending of money; however, long term bonding to underwrite change can save money. Unfortunately, it is most difficult to ever prove this is true since such analogies between an old system and a new one seem to show the old system was cheaper. This is, of course, because prices never are static and a new system usually provides better and additional services.

Rather than end this letter of transmittal with the rather trite closure of "respectfully submitted", let it be ended thus:

Sincerely submitted,

A handwritten signature in cursive script that reads "Arthur L. Bailey". The signature is written in dark ink and is positioned above the printed name and title.

Arthur L. Bailey
Town Manager

None of us owns anything but talents; what we do with such is the difference between good and bad. Personal integrity is one of the greatest talents of a person and benefits the society in which he lives.

Not a single one of us owns anything tangible; we are only custodians of property for a few short years. What is done with this trust and responsibility affects the present and future.

Laws are made to control those who put personal rights and a lack of integrity above all else. A bad law may be changed -- changing people is harder.

Examine closely those who talk about personal rights. Is it their own rights or others that really concern them? It is not wrong to be concerned about ones own rights, except when it encroaches on another. We accept the fact that we should not park by a hydrant or drive drunk on a road. Can we not also accept the fact that it is wrong to create public nuisances, or cause situations to arise which will ultimately hurt our neighbors or the town as a whole?

The person who creates a business for his own profit, in this day and age, should also create facilities of parking and snow removal at his own expense rather than expect the taxpayer to subsidize such services. The person who fails to do this eventually will lose his business to those who provide such facilities. This reasoning should extend to the building of roads and other common facilities.

It should be thoroughly recognized that the people who fail to secure a building permit or declare their taxable property thereby transfer the tax load on their neighbors. As long as the rest of the Town cares to carry this burden, it is an excellent arrangement, and if you feel this is right you should encourage them to continue to do such.

Unfortunately most of the past ordinances have no teeth of enforcement, or allowed so many exemptions they were incapable of being enforced. Basically, they appeared to be ordinances to gratify everyone and alienate no one. The following ordinances are in effect and are listed to guide and protect you in the future:

Road width: No road shall be accepted unless it has a fifty foot (50') right-of-way.

Dogs: Ordinance follows.

Building Permits: Are required, and also plumbing permits
IN Town and OUT of Town are required.

S.A.D. #35: Regulations follow.

BUILDING PERMITS:

Action taken on Article 50, Town Meeting Warrant of March 18, 1967, with reference to building permits is as follows:

"It was voted to adopt the applicable provisions of Title 30, Section 2151, Maine Revised Statutes Annotated, 1964, as amended, and authorize the Selectmen or agent to issue building permits at no fee to the applicant for the purposes of health and safety, and additionally to record new construction, changes, alterations to any or all structures within the boundaries of the Town."

SCHOOL ADMINISTRATIVE DISTRICT #35

POLICY ON TRESPASSING AND THE USE OF
UNAUTHORIZED MOTOR VEHICLES ON SCHOOL PROPERTY

General:

The responsibility for the safeguard of school district property and the protection of the health and safety of school children is ultimately vested in the Board of School Directors. In order to provide the adequate safeguard of school property and to insure the safety of the students, the following provisions are stated:

Provisions:

1. There is to be no trespassing at any time on school district property.
2. All school district property is off-limits at any time to unauthorized motor vehicles.
3. The use of school grounds for other than school sponsored activities must be cleared through the Superintendent of Schools' Office.

Policy
Adopted
September 1, 1971

TOWN OF SOUTH BERWICK

AN ORDINANCE Relating to the Control of Dogs

Be it enacted by the Town Council of the Town of South Berwick:

Section 1. All laws pertaining to the Revised Statutes of the State of Maine, Title 7, as amended by the Public Laws of 1965 are in force. Also any other laws the State may pass regarding dogs shall be a part of this ordinance. Any laws passed by the State of Maine in conflict with the local ordinance shall not defeat the entire ordinance, but only that portion in conflict with State Statutes.

Section 2. License necessary.

No dog shall be kept within the limits of this Town unless such dog shall have been licensed by its owner in accordance with the laws of South Berwick and State of Maine.

"Owner" means any person or persons, firm, association or corporation owning, keeping or harboring a dog.

Section 3. Dogs not to run at large.

It shall be unlawful for the owner of any dog licensed or unlicensed to permit such dog to run at large, except when used for hunting.

"At large" means off the premises of the owner and not under the control of any person by means of a chain, rope or cord of sufficient strength to control the action of such dog, or such other personal presence and attention as will reasonably control the conduct of such dog.

Section 4. Disposal.

Any police officer, constable, or dog constable shall seize, impound or restrain any dog in violation of section 3 and deliver such dog to any person or shelter authorized to board dogs by the Department of Agriculture under section 3406, Title 7. Such dogs shall be handled as strays and abandoned dogs.

Section 5. Penalties.

Instead of seizing and impounding the dog, the officer having jurisdiction may prosecute the owner of any dog running at large, and any person upon conviction shall be punished by a fine of not less than \$5 nor more than \$25 plus costs.

REPORT

OF THE

SOUTH BERWICK PUBLIC LIBRARY COMMITTEE, 1971

The Library Committee's Report to the 1971 Town Meeting expressed the hope that there might be a South Berwick Public Library soon. That dream became a reality this past September as a result of the generosity and enthusiasm of the Society for the Preservation of New England Antiquities (which owns the Eastman House) and of many local organizations and individual citizens. If only there were space here to list the numerous groups and persons who have generously donated time, funds, and talent to the project! It is truly gratifying to know that so many people have realized the Town's acute need for public library facilities and have been willing to support the project in so many constructive ways. For although the town pays appreciably for excellent libraries, books, and librarians at our public schools, until now there have been no library facilities easily available for either adults or pre-school children.

Even when Berwick Academy served as the local high school, their library -- inconveniently situated as it is -- was patronized by only a few townspeople. Mrs. Elizabeth Fogg bequeathed the money for an Academy Library in 1891, and later the Academy Trustees voted to allow the use of the library by the people of South Berwick. But when the Academy "went private", the library became a study hall and the books not needed for a secondary school library were eventually stored in the basement where they remained for several years. We are grateful to Berwick Academy for giving those books (including many that had been donated to their library by the Town over the years) to the new South Berwick Public Library this past summer.

The Society has granted to the Town for use as a public library, the first floor of the local Eastman House, next door to the Sarah Orne Jewett House right in the center of Town. (The Society has renovated the second floor as an apartment which is now being lived in, and the income accrues toward the maintenance of the Eastman House.) As soon as the Eastman House became available, various members of the Library Committee swarmed in with brooms, mops, buckets, etc., and did a thorough cleaning job, after which a few of the women re-painted a lot of woodwork and walls and re-papered several rooms with donated paper, and made bright new draperies and covered window-seat cushions. Furniture and fixtures have been given by various groups and individuals; numerous people and organizations have contributed money, and an unprecedented town-wide food sale in November netted about \$450!

Many fine books have been given to the library by the Academy of St. Joseph, and the committee is deeply grateful to the Sisters for their public-spirited generosity. Other books have been given by various libraries in both Maine and New Hampshire, and also by present as well as former citizens of the Town. (All of the gifts have been given on an unrestricted basis.)

A public card catalog lists all of the books on the library shelves, and that work has been done, and is being kept up to date by volunteer help using supplies purchased with contributed funds. There are author, title, shelf, and book cards and a pocket for each book, as well as quite a few subject cards.

There are over 2200 books on our donated custom-made bookshelves. Over 300 residents (nearly 10% of the population) have already requested and received borrower's ID cards, and over half of them are children who are learning to enjoy books at an early age! Many children use the Winnie-the-Pooh room regularly, and almost every Saturday morning there is a Children's Story Hour there from 10 to 11. Often 25 to 35 or 40 people (sometimes as many as 60!) come into the library on a library day, and they usually borrow one or more books apiece. Over 50 volunteers -- including several school-age young people -- have given around 1500 free hours to the library. About 15 women are acting as volunteer librarians during the 20 hours per week that the library is open to the public.

There is also a part-time paid librarian (she works full time for the town, but the other part of her time is spent as a social worker) who was recently hired under the Department of Labor's Emergency Employment Act. The federal government pays 90% of her salary and the Town pays the remaining 10% in-kind (the rental of a corner of the library as social welfare office space, etc.), rather than in dollars. The Library Committee has applied for scholarship aid hoping that this federally paid part-time librarian will be enabled to attend the two week UNH summer course in Public Library Techniques, designed for laymen who work, or wish to work in small public libraries.

Several additional bookcases are sorely needed for the juvenile collection if the town library is to become increasingly useful to the community.

Thus far the library has not purchased a single new book except for a few inexpensive professional books about library procedures, and funds for these were donated. Up until now the LIBRARY HAS NOT SPENT A PENNY OF TAX MONEY. Even the fuel oil has been donated by various oil dealers and individuals. The magazine subscriptions were contributed by the publishers in reply to letters of solicitation, or were given by individuals. Foster's Daily Democrat and the Maine Times are also being given to the library by their publishers!

The library seeks to render broad service to all segments of the community, including local businesses and other organizations, as well as to individual citizens of all ages. Through toll-free telephone service with the Maine State Library's inter-library loan department, it will be possible for the South Berwick Public Library to fulfill many requests for specialized materials other than fiction. The Library Committee also hopes to be ready soon to rent to various organizations the large redecorated "Community Room"; this room will probably also be available for use by small official town committees without charge.

Since there are no funds yet to employ a trained librarian, the library will probably be managed by an advisory board under the supervision of the Town Manager and the Town Council. A large broad-based "Friends of the Library" group will also continue to aid the Town by supporting the library in many ways and by generating widespread enthusiasm for it. The Library Committee hopes that many more patrons will come to the library now that -- hopefully -- there will be some funds available for the modest but continuing purchase of good books on many subjects of interest to the people of this community. The library will also welcome the offer of additional volunteer assistance of various kinds, and it always needs more good books.

During 1971 the library received contributions of cash and much-needed made-to-order equipment and supplies in excess of \$1900, including \$450 in proceeds from the remarkable town-wide food sale, and exclusive of donated books

and freely donated labor. Certainly this voluntary solid support from so many different people and organizations indicates widespread community approval of, and enthusiasm for, the establishment of a South Berwick Public Library!

YOU ARE WELCOME AT THE LIBRARY -- DO COME !!!!

At the present time the library hours are (except for holidays, etc.):

TUESDAYS from 10 a.m. to 5 p.m. (Note the MORNING hours.)

WEDNESDAYS from 1 p.m. to 8 p.m. (Note the EVENING hours.)

FRIDAYS from 1 p.m. to 5 p.m.

SATURDAYS from 10 a.m. to 12 noon.

And do, please, keep in mind that there's often a STORY HOUR FOR CHILDREN (three to eight years of age) on Saturday mornings from 10 to 11! The LIBRARY's TELEPHONE number is 384-2838.

Again, the Library Committee wishes to express its sincere gratitude to all of the remarkably helpful people and organizations who have given so much of their time and talent and money in order to establish a useful library which will add to the quality of life of the entire community, and bring joy to countless local residents of all ages and interests.

This report respectfully submitted to the Town Council on February 16, 1972, by:
The South Berwick Public Library Committee (per cmb, nmg, mwc).

2-24-72 Addendum:

The Library Committee is honored to announce the gift today of a South Berwick Public Library Trust Fund, established by Roger C. Booth of Dorchester, Massachusetts, in memory of his father, Roger A. Booth, who was a native of South Berwick. Mr. Booth has designated that the interest from this Roger A. Booth Trust Fund be used for the purchase of almanacs of a general informational nature, atlases, dictionaries, or other reference material for the South Berwick Public Library. This is the first Trust Fund which has been given to the Library, and the committee is truly grateful to Mr. Booth for his thoughtful and enduring generosity.

SOUTH BERWICK POLICE DEPARTMENT

TOTALS FOR THE YEAR OF 1971

Accidents: 81.

2 - Fatal
23 - Personal injury
56 - Property damage - - - - - \$72,603.00

Arrests: 158. (40 different charges)

Fire alarms answered: 35.

Messages delivered: 81.

Try and locate: 11.

Telephone calls:

5,809. - P.D. business
571 - Inquiries
183 - From news media

Cruiser mileage: 33,424.

Special details: 8.
Funeral details: 2.
Parade details: 2.
Hospital escort: 3.

Committals:

4 - Boy's Training Center
1 - Stevens School for Girls
1 - State Hospital

Complaints received and investigated: 715.

A break-down of the above is included in the following pages.

James H. Morgan, Jr.
Chief of Police

January 24, 1972

Following is this Department's activity for the year 1971:

I would like to point to five (5) particular areas:

Accidents, down 1%, from 84 in 1970;

While accidents were down, the estimated damages that were incurred increased by 88%, from \$38,638 in 1970;

Complaints, up 29%, from 554;

Telephone calls, up 35%, from 4,302; and

Arrests, up 86%, from 85 in 1970.

On the accident scene, we were unfortunate to have two fatals, both within a month's span. I hope that this will never happen again.

It was, needless to say, a very active year.

Below is a break-down of the arrests for 1971:

35 - Speeding (radar)	1 - Carnal knowledge, minor child
22 - Stop sign violations	1 - Delinquent child (habitual runaway)
12 - Operating w/o license	1 - Disorderly conduct
10 - Assault & battery	1 - Driving to endanger
8 - Passing on a curve	1 - Fail. to keep to right
6 - B & E & L (n/t)	1 - Fail. keep right, traffic island
5 - Illegal possession, liquor, minor	1 - Fail to yield right of way
5 - Intoxication	1 - Giving false name & address
5 - Larceny, attempted	1 - Illegal attachment of plates
5 - Speeding	1 - Larceny
4 - D. W. I.	1 - Littering on highway
4 - Possession, stolen property	1 - Oper. outside scope of permit
3 - Harsh & unnecessary noise	1 - Oper. snowmobile, public way
3 - Oper. after suspension	1 - Oper. w/defective brakes
2 - Fail. display MPUC plate	1 - Oper. unregistered m/vehicle
2 - Incorrigible child	1 - Passing at intersection
2 - Leaving scene (hit & run)	1 - Passing on a hill
2 - Oper. unregistered m/cycle	1 - T.W.O.C. (stolen car)
2 - Oper. w/o helmet	1 - Towing M/V w/o permit
1 - Army deserter	1 - Wayward child

SOUTH BERWICK POLICE DEPARTMENT

Break-down of the Court cases for the year 1971, as follows:

PLEA:	Guilty	92
	Not guilty	5
	Nolo Contrende	11
	No plea entered	11
	Dismissed by:	
	County Attorney	15
	Myself	4
	Complainant	2
	Court, upon costs	7
	Fail to appear	10
	Released to M.P.'s.	1
		<hr/>
		158
FINDING:	Found guilty	118
	Found NOT guilty	1
	Dismissed	28
	Fail to appear	10
	Released	1
		<hr/>
		158

A total of \$2,990 was paid in fines! \$115 paid for Court costs; 4 - sentenced to the Men's Reformatory, suspended, probation 1 year; 1 - probation 1 year; 4 - sentenced to the Boy's Training Center; 1 - sentenced to the Stevens Training School for Girls; 1 - 10 day license suspension; 1 - 30 day license suspension; 1 - 90 day license suspension; and 1 - sentenced to 60 days at the County Jail, suspended.

SOUTH BERWICK SEWER DISTRICT

South Berwick, Maine

TREASURER'S REPORT

As my report of the financial status of the South Berwick Sewer District for the period ended December 31, 1971, I submit the statement of our auditors, Maxfield and Riel, Certified Public Accountants, Rochester, New Hampshire.

Philip R. Henderson
Treasurer

MAXFIELD AND RIEL
CERTIFIED PUBLIC ACCOUNTANTS

GEORGE J. MAXFIELD, C.P.A. (1958-1968)
ALPHONSE A. RIEL, C.P.A.

MEMBERS OF THE
AMERICAN INSTITUTE OF
CERTIFIED PUBLIC ACCOUNTANTS

South Berwick Sewer District,
South Berwick, Maine

To the Board of Trustees:

We have examined the balance sheet of the South Berwick Sewer District as of December 31, 1971 and the related statement of income and expenses for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of income and expenses present fairly the financial position of the South Berwick Sewer District at December 31, 1971, and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

SOCIAL SERVICES

The use of a social service worker/librarian is federally funded. It has enabled the Town to gain a greater insight into the needs of the people; particularly the sick, elderly, and those with children. It is also a function of the worker to screen out those not justly entitled to receive assistance. The following is a brief summation of the welfare phase of this work in the last three months:

Picking up and delivering clothes to the poor.
 Transportation to and from Portland to Workmen's Compensation
 hearings -- 2 days.
 Attending school in Springvale to certify people for Surplus
 Commodities -- 2 days
 Visiting the shut-ins -- weekly.
 Emergency trips to the hospital -- four.
 Taking people to the doctors -- seven.
 Working with the visiting nurse.
 Working with the school nurse.
 Working at the surplus commodities distribution
 once a month.
 Contacts with the Department of Health and Welfare.

Respectfully submitted,

Jeannine M. Higgins

Maine State Department of Health and Welfare
DIVISION OF PUBLIC HEALTH NURSING

Report to Town of South Berwick for year ending December 31, 1971

The Division of Public Health Nursing continued to offer its services to townspeople during the 1971 calendar year. A brief summary of services given by the Division staff is presented in the following report.

Home Visiting, to assist families to cope with health problems

Number of individuals visited.....	50
Number of home visits made.....	93
Number of supporting and coordinating activities, such as clinics, conferences with town officials, and school personnel.....	12

Kinds of problems included various crippling conditions, diabetes, loss of vision, tuberculosis, cardiac conditions, and need for health supervision.

Immunization Services

In February a rubella immunization clinic was conducted with an attendance of 390 children. In the spring another immunization clinic was held and the following immunizations were given:

Type of Immunization	Number of Children Immunized
Diphtheria, whooping cough and tetanus	7
Diphtheria and tetanus	50
Polio, oral	129
Measles	14
Smallpox	23

The Division of Public Health Nursing coordinated its services with those provided through the York Hospital Visiting Nurse Program and school nursing in order to maintain and promote health for the people of South Berwick.

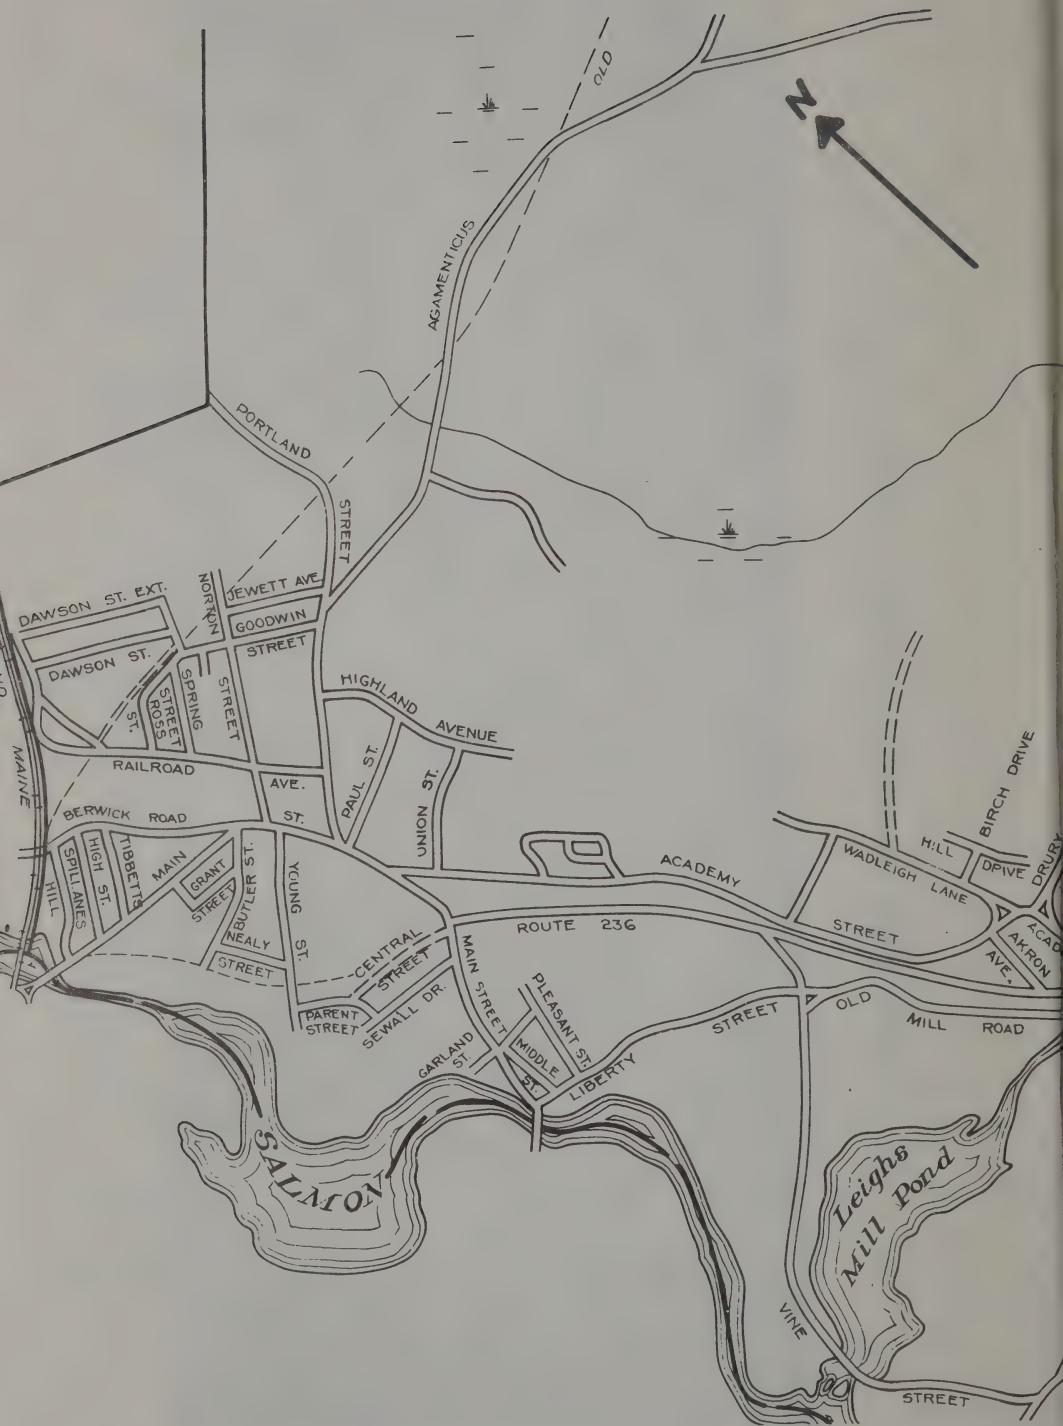

Appreciation is expressed to volunteers and others who assisted in carrying out the public health nursing program.

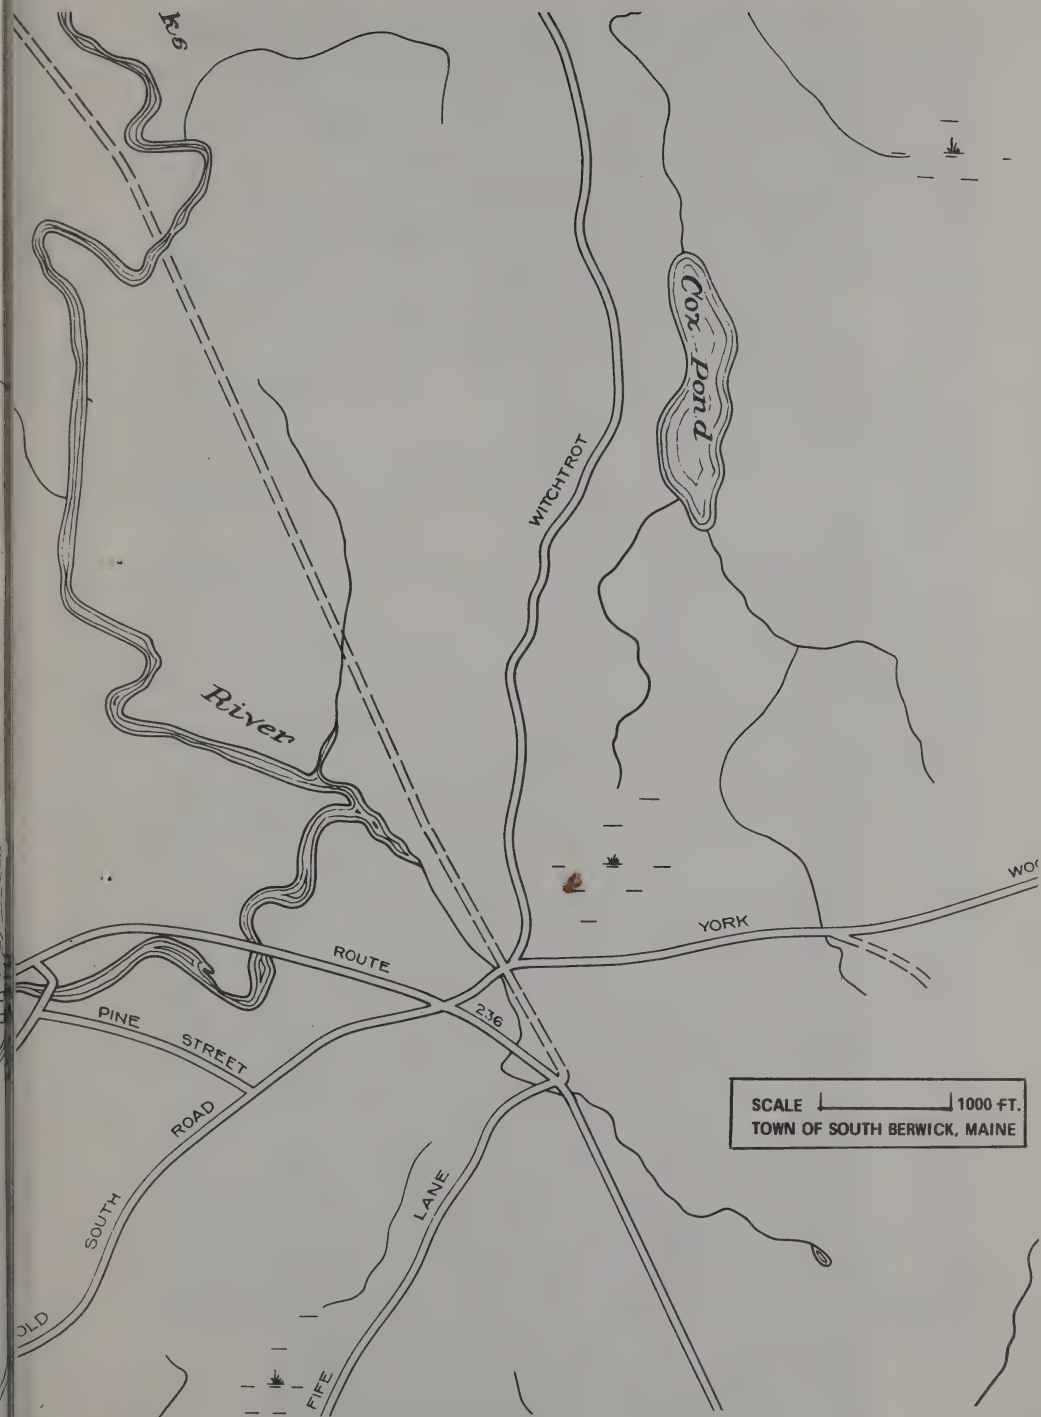

Respectfully submitted,

Carol Benvie

YORK HOSPITAL VISITING NURSE PROGRAM

15 Hospital Drive
York, Maine
03909

Since March, 1970, the York Hospital Visiting Nurse Program has been providing nursing care of the sick in South Berwick. A registered nurse, a home health aide, and a physical therapist are available to give care which has been ordered by a physician. During the month of January, 1972, a total of nine home visits were made by the registered nurse and home health aide. Three baths and hygienic care were given, one injection, one catheter change, and four visits for therapeutic diet instruction.

To the Town Council
Town of South Berwick,
Maine

We have examined the Statement of Assets and Liabilities of the Town of South Berwick as of December 31, 1971 and the related Statement of Appropriation, Receipts and Expenditures for the year then ended.

Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that we did not request confirmation of taxes receivable directly with the taxpayers. We did, however, satisfy ourselves by other means as to the accuracy of the taxes receivable figure.

In our opinion, the attached Statement of Assets and Liabilities, Exhibit A, Analysis of Revenue Fund Surplus, Exhibit B, and Appropriations, Receipts and Expenditures, Schedule B-1, present fairly the financial position of the Town of South Berwick at December 31, 1971 and the results of its operations for the year then ended, in conformity with generally accepted principles of municipal accounting applied on a basis consistent with that of the preceding year.

Increased revenues 1972 over 1971 estimated: \$18,100.00

No tax increase is expected in 1972

TOWN OF SOUTH BERWICK, MAINE

WARRANT

State of Maine
County of York, ss.

To Burton W. Trafton, Constable of South Berwick in the County of York, State of Maine.

Greetings:

In the name of the State of Maine, you are required to notify the inhabitants of said Town of South Berwick qualified to vote in Town affairs to assemble at the Civic Center (Town Hall) in said Town on Saturday, the eighteenth day of March, A.D. 1972, at 6 o'clock in the forenoon, then and there to act on the articles below. Articles one through three shall be voted upon by secret ballot.

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To choose two Councilmen for three years, and one member of the Board of School Directors of S.A.D. #35 for three years.

ARTICLE 3. To see if the Town of South Berwick will vote to authorize the South Berwick Water District to add fluoride to the South Berwick water supply.

Polls will be open from 6 a.m. to 2 p.m. The business session will be at 7:30 p.m. at the South Berwick Civic Center.

ARTICLE 4. To see if the Town will vote to authorize the Town Council and Town Manager to procure a temporary loan or loans in anticipation of taxes for the purpose of paying the obligations of the Town; such loan or loans to be paid during the current municipal year out of money raised during said current municipal year by taxes.

Council recommends adoption.

ARTICLE 5. To see if the Town will vote to authorize the Town Council and Town Manager to borrow after January 1, 1973, until the date of the following Town Meeting an amount not to exceed one hundred thousand dollars (\$100,000.00), the same to be used to cover the expenses incurred in the operation of the Town from January 1, 1973, until the date of the following regular Town Meeting, said loan to be paid out of the appropriation for the then current municipal year by taxation, and to issue the note or notes of the Town therefor, signed by the Town Council and Town Manager, upon such rate of interest and otherwise upon such terms consistent with the foregoing as the Town Council may determine to be most advantageous to the Town.

Council recommends adoption.

ARTICLE 6. To see if the Town will vote to authorize the Town Council and Town Manager in behalf of the Town to sell and dispose of any Real Estate acquired by the Town for non-payment of taxes thereon, on such terms as they deem advisable and execute quit-claim deeds on such property, with the understanding that any property deeded before the tax commitment date will be taxed this year to the grantee.

Council recommends adoption.

ARTICLE 7. To see if the Town will vote to authorize the Town Council and Town Manager to sell, discharge, and assign tax mortgage liens for not less than the amount unpaid and interest and costs thereon. If, however, after soliciting public sealed bids such money is less than the accrued taxes and other costs, the Town Council and Town Manager may re-advertise such property through sealed bid and sell such property to the highest bidder if it seems in the interest of the Town.

Council recommends adoption.

ARTICLE 8. To see if the Town will vote to instruct the Tax Collector to charge and collect interest at a rate of eight percent (8%) per annum, to be retroactive to September 1, 1972, on all taxes not paid on or before November 15, 1972.

Council recommends adoption.

ARTICLE 9. To see what sum of money the Town will vote to raise and appropriate for salaries and expenses of the Town Officers for the year 1972.

Councilmen 5 @ \$200	\$1,000.00
Town Manager's salary	7,260.00
Town Manager's expense	1,040.00
Legal Counsel	<u>500.00</u>
	\$9,800.00

Council recommends following: \$9,800.00

ARTICLE 10. To see what sum of money the Town will vote to raise and appropriate for operation of the Town Office and clerical expense.

Town Office expense	\$5,980.00
Clerical help	<u>4,670.00</u>
	\$10,650.00

Council recommends following: \$10,650.00

ARTICLE 11. To see what sum of money the Town will vote to raise and appropriate for Election Expenses, Property Assessment, and Interest.

Elections	\$ 700.00
Property Assessment	2,000.00
Interest	<u>2,500.00</u>

Council recommends following: \$ 5,200.00

ARTICLE 12. To see what sum of money the Town will vote to raise and appropriate for printing and distribution of the Town Report.

Council recommends following: (open)

ARTICLE 13. To see what sum of money the Town will vote to raise and appropriate for hydrant costs, sewer costs, street lighting, and Fire Department and Civil Defense Alarm services.

Hydrants	\$ 9,040.00
Sewer	8,000.00
Street Lights	9,030.00
Alarm Services	<u>3,800.00</u>

Council recommends following: \$ 29,870.00

ARTICLE 14. To see if the Town will vote to raise and appropriate \$2,666.00 for State Aid Road Construction under the provisions of Title 23, Sections 1101, 1104, and 1105, et. seq., Revised Statutes, State of Maine 1964.

Council recommends following: \$ 2,666.00

ARTICLE 15. To see if the Town will vote to raise and appropriate additional units totalling \$5,332.00 for State Aid Road Construction under provisions of the preceding title and sections for the purpose of building a State Aid Road in 1972 in anticipation of 1973 money.

Council recommends following: \$ 5,332.00

Explanation: It is necessary, if a Town wishes to build and borrow ahead, that both its share and the State's share be made available. The money in articles 14 and 15 would allow the Town to build about \$23,000 worth of road for \$7,998. Subsequently the State's share accrues to Town credit and the Town's share is not raised the following year. The building of such road would also enable the Town to use its labor and vehicles to diminish the cost \$1,010 on summer maintenance.

ARTICLE 16. To see what sum of money the Town will vote to raise and appropriate for Social Services.

Council recommends following:	Town Poor:	\$7,500.00
	Health Clinics:	<u>500.00</u>
		\$8,000.00

ARTICLE 17. To see what sum of money the Town will vote to raise and appropriate for Town Planning; and Parks, Recreation, and Conservation Commission.

Council recommends following:	Town Planning	\$ 430.00
	Parks, Rec. & Conserv. Comm.	<u>100.00</u>
		\$ 530.00

ARTICLE 18. To see if the Town will vote to transfer \$5,000 from the Reserve for Tax Losses and Liens to General Surplus.

Council recommends transferral.

ARTICLE 19. To see if the Town will vote to transfer a sum of money from the Reserve for Tax Losses and Liens account for the purpose of Abatements.

Council recommends transferral of \$2,000.

ARTICLE 20. To see what sum of money the Town will vote to raise and appropriate for the operation of the Police Department.

Council recommends following: \$15,500.00

ARTICLE 21. To see what sum of money the Town will vote to raise and appropriate for the operation of the Fire Department.

Council recommends following: \$11,560.00

ARTICLE 22. To see what sum of money the Town will vote to raise and appropriate for Fire Department Capital Improvement.

Tires:	\$450.00
Hose:	<u>900.00</u>

Council recommends following: \$1,350.00

ARTICLE 23. To see what sum of money the Town will vote to raise and appropriate and bank in an obligated reserve for long-term capital replacement of a Fire Truck, under provisions of Title 23, Sections 1101, 1104, and 1105, et. seq., Revised Statutes, State of Maine. (Eventual replacement for the 1950 pumper-tanker.)

Council recommends following: \$10,000.00

ARTICLE 24. To see what sum of money the Town will raise and appropriate for Civil Defense, Memorial Day, York County Regional Planning Commission, and the Armed Services Committee.

Civil Defense:	\$ 100.00
Memorial Day:	300.00
York Cty. Reg. Planning Comm.:	264.80
Armed Services Committee:	<u>100.00</u>

Council recommends following: \$ 764.80

ARTICLE 25. To see what sum of money the Town will vote to raise and appropriate for the Town Garage, Town Dump, Regional Dump Study, Removal of Trees, and Planting of Trees.

Town Garage:	\$ 650.00
Town Dump:	2,250.00
Regional Dump Study:	<u>954.00</u>

Removal of Trees:	1,000.00
Planting of Trees:	<u>700.00</u>

Council recommends following: \$ 5,554.00

ARTICLE 26. To see what sum of money the Town will vote to raise and appropriate for Insurance.

Town buildings, liability, bonds, etc.	\$ 5,570.00
F.I.C.A. (Social Security)	2,770.00
Blue Cross-Blue Shield	1,400.00
Maine State Retirement	<u>2,700.00</u>

Council recommends following: \$12,440.00

ARTICLE 27. To see if the Town will vote to accept the so-called South Berwick Public Library at the Eastman House as a Town Library to be known as the South Berwick Public Library.

Council recommends acceptance.

Explanation: The Town does not hold title to the Eastman House; neither does it have to pay rent. The acceptance of the library is a recognition that it is a Town entity and therefore can be supported by public funds.

ARTICLE 28. To see what sum of money the Town will vote to raise and appropriate for support of the South Berwick Public Library.

Council recommends following: \$2,500.00

ARTICLE 29. To see what sum of money the Town will vote to raise and appropriate for care of Highways and Sidewalks.

Winter care:	\$20,020.00
Summer care:	<u>11,530.00</u>

Council recommends following: \$31,550.00

ARTICLE 30. To see what sum of money the Town will vote to raise and appropriate for a Town Road and Sidewalk Improvement Program. (Surfacing and stabilization.)

Surfacing & stabilization:	\$9,850.00
Sidewalks:	<u>500.00</u>

Council recommends following: \$10,350.00

ARTICLE 31. To see if the Town will accept Birch Road Extension, which is approximately 230 feet long and 30 feet wide. (Submitted by petition)

Council recommends action be postponed.

ARTICLE 32. To see if the Town will vote to authorize the Town Council to accept roads.

Council recommends adoption.

ARTICLE 33. To see if the Town will vote to empower the Town Council to enter into a contract to harvest the Town Forest, previously known as the Town Farm, so-called, with the understanding that such money be reserved, in escrow, until the Town may vote as to its use.

Council recommends adoption.

Explanation: State Forester, Mr. James Trask, has suggested two cuttings; one now, and one in several years. The cutting of these trees will promote the growth of others, remove those deteriorating but having value, and cutting other mature trees that inhibit the growth of saplings. Approximately 90 acres in tract.

ARTICLE 34. To see if the Town will vote to adjourn the Town Meeting.

Given unto our hands in the Town of South Berwick this first day of March, 1972, A.D.

By its Council:

Alvin E. Delorey

Clifford B. Ham, Chairman

Richard P. Gagnon

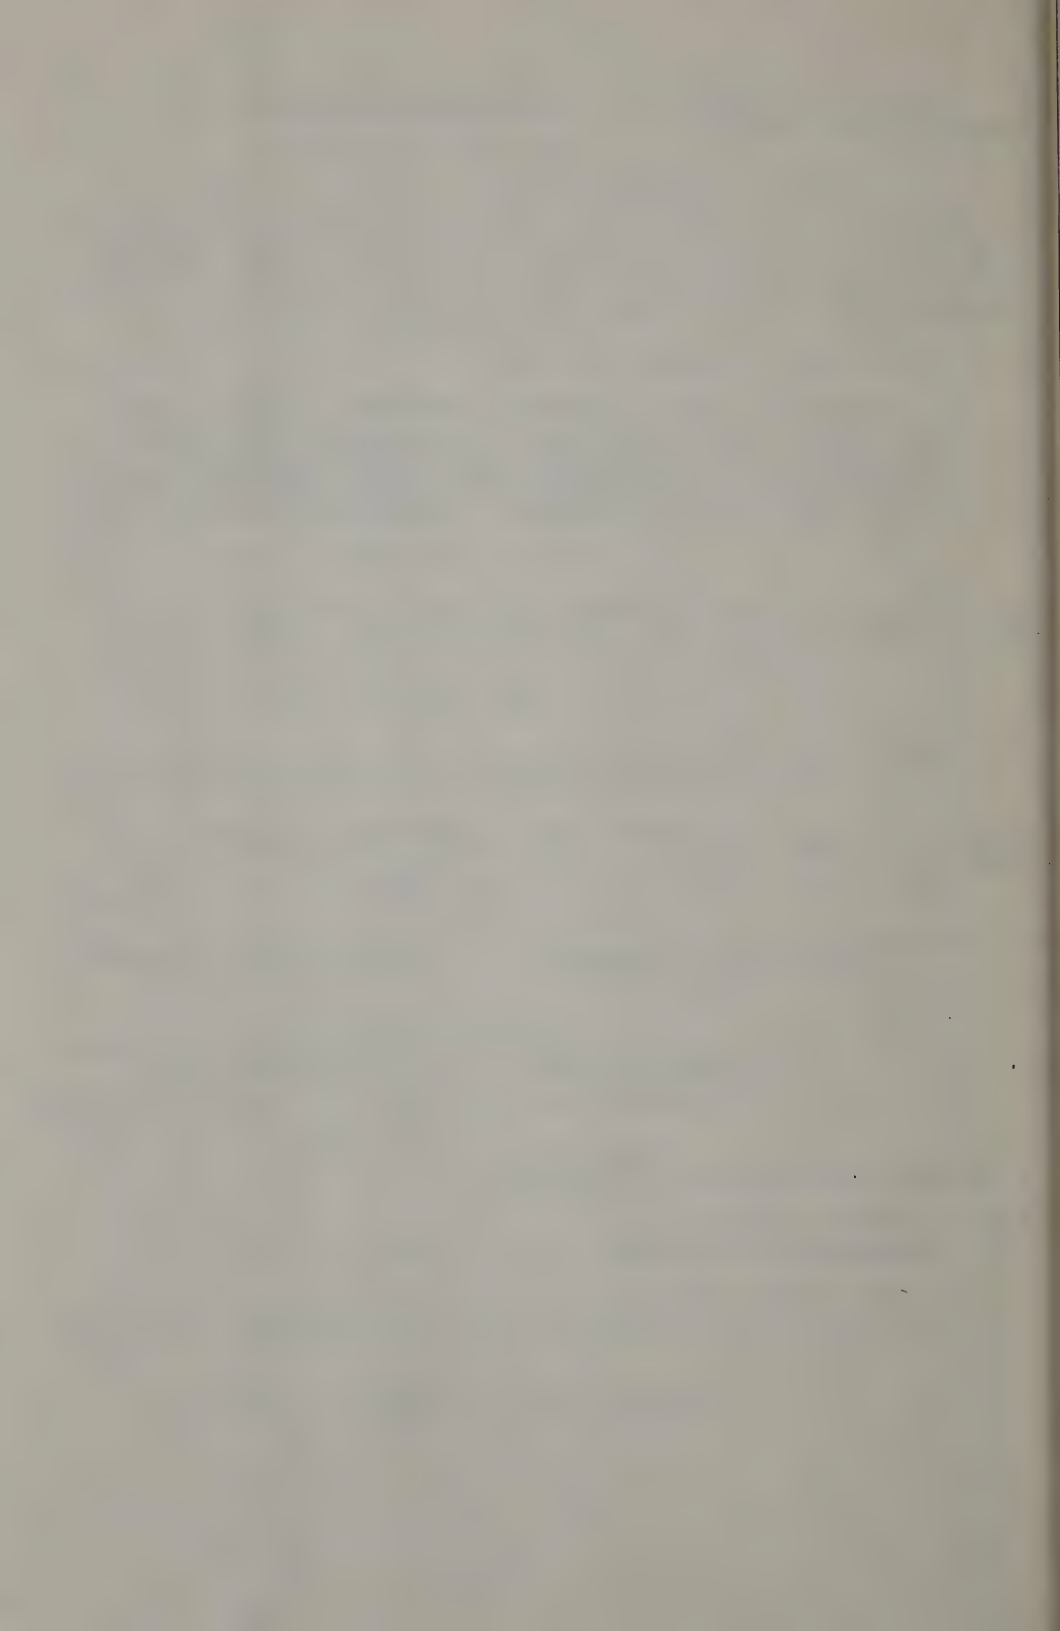

Robert T. Gagne

WHAT ELSE IS DISTINCTIVE ABOUT

BERWICK ACADEMY BESIDES

- A. Small Classes: 12 to 1 ratio
- B. Dedicated Faculty
- C. Comprehensive Athletic and Cultural Programs
- D. Emphasis on Individual Development

WELL!

- A. One is the Short-Term Program, in which we combine a series of mini-courses given on a number of subjects selected by teachers in their specific areas which reflect the interest of the students.
- B. An Independent Study Program has been established in which the students are allowed to leave campus to pursue an interesting subject of their choice. These projects are approved by the Faculty Steering Committee.
- C. We provide a 3-week make-up period for those students who have failed in the first term to enable them to continue with better success in the second term.
- D. We have added a 7th and 8th grade program which ties in very well with our upper school curriculum. Advanced 8th graders may take 9th grade courses.
- E. We are tying in a college course curriculum with our advanced Seniors and Postgraduates at the University of New Hampshire so that these students may obtain college credits while they are still attending Berwick Academy.

Letter of Transmittal

The Town has created a library; it has allocated money to a tree planting program to beautify the Town; a recreation program funded by the Vaughan Fund has been initiated; fiscal stability has been achieved. These are the Town's accomplishments. All else is merely modest alleviation of some Town road and drainage problems and humdrum management. The Town in all other respects has refused to face the future.

The Pyrrhic victory concerning zoning was won, or lost, or something. What the victory against zoning proved is not evident. Perhaps it was not the perfect document, perhaps people think that South Berwick will be better without zoning and will depend on the tasteful judgement of individual neighbors. In any case they choose. Eventually they will have no choice. What a sad thing to see a charming New England town become a bustling, garish caricature of all that is distasteful. You will be found and reached by the third interchange from the Piscataqua Bridge entering Maine. Time has about run out on your options.

TOWN OF SOUTH BERWICK

To the Town Council
Town of South Berwick
Maine

We have examined the Statement of Assets and Liabilities of the Town of South Berwick as of December 31, 1972 and the related Statement of Appropriation, Receipts and Expenditures for the year then ended.

Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that we did not request confirmation of taxes receivable directly with the taxpayers. We did, however, satisfy ourselves by other means as to the accuracy of the taxes receivable figure.

In our opinion, the attached Statement of Assets and Liabilities, Exhibit A, Analysis of Revenue Fund Surplus, Exhibit B, and Appropriations, Receipts and Expenditures, Schedule B-1, present fairly the financial position of the Town of South Berwick at December 31, 1972 and the results of its operations for the year then ended, in conformity with generally accepted principles of municipal accounting applied on a basis consistent with that of the preceding year.

Michael A. Calo

South Berwick Sewer District,
South Berwick, Maine

To the Board of Trustees:

We have examined the balance sheet of the South Berwick Sewer District as of December 31, 1972 and the related statement of income and expenses for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of income and expenses present fairly the financial position of the South Berwick Sewer District at December 31, 1972, and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

INDEPENDENT PUBLIC ACCOUNTANTS' OPINION

To the Board of Trustees of South Berwick Water District:

We have examined the balance sheet of South Berwick Water District at December 31, 1972 and the related statements of income and retained earnings and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except as stated in the following paragraph.

We were not present to observe the physical count of material and supply inventories at December 31, 1972 and 1971. We have, however, been able to satisfy ourselves concerning inventory quantities by alternate audit procedures.

In our opinion, the aforementioned financial statements present fairly the financial position of South Berwick Water District at December 31, 1972, and the results of its operations and the changes in its financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

		<u>306</u>

FINDING:	Guilty	291
	Not guilty	6
	Dismissed	3
	Fail to appear	6
		<u>306</u>

A total of \$6,380 was paid in fines! \$275 paid for Court costs; and a total of \$11,792 of stolen items was recovered by this Department.

Respectfully submitted,

Leon H. Planche,
Chief of Police

SOUTH BERWICK FIRE DEPARTMENT

This year, with money that was raised at our annual lawn party, bingo games, and other functions, the Fire Department purchased some new equipment: two new portable radios, eleven tables, ten monitor radios, and a 1973 pick-up truck.

The ladies auxiliary also purchased a deluge gun which can flow 300 to 800 gallons of water per minute. All of these items cost over \$5,000.

The Fire Department would like to thank all the people of South Berwick and other Towns that support our fund raising activities. Without your support all these items could not have been purchased.

George Gorman
Fire Chief

REPORT OF THE PLANNING BOARD

The Planning Board has held 45 meetings in 1972 in which a Zoning Ordinance was drawn up and presented to the Town Council and the Town at three (3) public hearings. After this the ordinance was submitted to the Town Council for approval, but it was repealed by a vote of the Town.

Your Southern Maine Regional Planning Commission representatives attended most of the general commission meetings in Alfred. A few of the things done by the SMRPC were to conduct a Groundwater survey of York County; develop a Model Subdivision Ordinance which the towns might adopt; catalog all the existing building, zoning, subdivision and plumbing codes in York County.

The name was changed from York County Regional Planning Commission due to the redistricting of the State by the Governor. That increased the size of the commission by adding towns from both Oxford and Cumberland Counties.

The SMRPC was also called on by the Planning Board for technical and legal counsel on problems which we had this year.

One of our members was appointed to serve as a director of SMRPC.

During the year two minor subdivisions were approved, and the Board was contacted for one major one, not yet acted on.

Two students from UNH did a survey for the Board. They found out that during 1971-July 1972 178 parcels of land were bought. Seventy-nine bought by non-residents; 99 by residents; 1 subdivision (Fox Meadow Estates), 19 lots by Massachusetts residents; 1 lot by a New Hampshire resident; 2 by South Berwick residents; 1 by another Maine resident. Eighty-six dwellings were purchased; 50 by South Berwick people; 36 by non-residents. Forty-seven new buildings were erected; 25 by South Berwick people; 22 by non-residents. It is projected that by 1980 with things going this way 330 people will be added. The report did not take into account the possibility of new housing developments.

"If each of the 22 new dwellings owned by non-residents is considered to have 3 people living in it, it means that 66 new people have moved into South Berwick in the last two years. If this rate of immigration remains constant in the future, there will be 330 new South Berwick residents by 1980 from immigration alone. This will mean that South Berwick will have

Planning Board
Page two

a population of around 3,820, not taking into consideration expansion from within or emmigration. Consequently, when considering all three variables at one time (immigration, emmigration, and internal growth), the town plan figure for 1980 (3,900) does seem to be quite accurate. Immigration in the past two years has not been greater than expected. In summary, South Berwick is not the object of rapid immigration or rapid population growth."

South Berwick remains one of the few distinguished towns to have no land use standards or controls. This makes it very attractive for uncontrolled development.

Without controls, costs to taxpayers for expansion could be greater than tax value of the property.

The SMRPC is preparing a model land use ordinance that the local towns may review and change to suit the town's individual needs or adopt as prepared. The Planning Board members are attending the meetings on the model ordinance to get information on land use controls.

Unless the town enacts land use controls before June 30th of 1973, we will have to enforce the recently passed State Shore Line Zoning Ordinance which zones lands 250 ft. on each side of all navigable waters.

We as a Planning Board would urge each citizen of this town to consider how the Town of South Berwick may keep its rural and New England type of atmosphere, for which we are known.

If we do not design proper land use controls to meet the needs of our community, we will have to submit to the generalized State zoning laws which may not suit our own special needs.

We would appreciate your suggestions and support of our efforts in planning the future of our town.

There are two openings on the Planning Board. Would any interested citizen please contact the Town Council or the Planning Board if you would like to serve on the Planning Board.

The Board normally meets every 2nd and 4th Mondays of each month at 7:30 p.m. at the Town Office.

John W. Stuart, Jr.
Chairman

"VAUGHAN FUND" REPORT

To: Richard P. Gagnon, Chairman of the Trustees,
the Trustees, and
Citizens of South Berwick

On December 3, 1971 the Town Manager, on behalf of the Town Council, accepted from the First National Bank of Biddeford cash, securities and accrued income of the trust established by the late Elizabeth R. Vaughan, locally called the "Vaughan Fund", in the amount of \$84,920.51. On December 7, 1971, the Town Council, meeting as successor trustees received from the Town Manager the aforementioned cash, securities and accrued income and held an organizational meeting as Trustees of the Vaughan Fund. Mr. Richard P. Gagnon was elected Chairman of the Trustees and the writer was elected Secretary-Treasurer.

No financial report was prepared for the year ended December 31, 1971, because of the short period of time between receipt of the Fund assets and year's end.

During the year 1972 the Trustees voted to grant to the Parks, Recreation and Conservation Commission the sum of \$6,000 to be used for a year-round recreation program for the youth of South Berwick. Of this amount \$1,393.59 had been expended as of December 31, 1972. In addition, it was voted to grant to the Town Library the sum of \$350. These are the only grants that have been made to date.

The funds turned over to the Town by the First National Bank of Biddeford were valued at book value, and, as is customary, an appraisal was made of those funds by H. M. Payson & Co., investment bankers, to determine their market value. This appraisal resulted in an increase of \$1,823.49 in the value of the assets of the Fund.

During the year several divestitures and acquisitions were made on the advice of H. M. Payson & Co. It is anticipated that further modifications of the portfolio will be required in order to accomplish complete compliance with Title 30, Section 5051.

"Vaughan Fund" Report
Page two

Following are the financial reports for the year ended December 31, 1972:

December 3, 1971: Received from the First National Bank of Biddeford the following assets:

Cash:		
Uninvested		\$ 642.37
On Deposit:		
Savings Account #54205		4,268.66
Savings Account #54793		250.20
Securities:		
Principal Fund		54,439.34
Invested Income		<u>24,012.94</u>
Total Assets		\$83,613.51

There were no liabilities.

Also received was accrued income in the amount of \$1,307 which was treated as income in the following year.

Net Assets on Hand (Refer to BalanceSheet)	<u>\$90,768.28</u>

It is to be noted that expenses include bonding for the Secretary-Treasurer, broker's fees in the sale and purchase of securities, state taxes on the transfer of securities from the name of the First National Bank of Biddeford to the Town Council of South Berwick, and miscellaneous supplies, postage, etc.

It should also be noted that savings deposit accounts #54205 and #54793 with the First National Bank of Biddeford were closed out and re-opened as accounts #8599 and #8600 with the First National Bank, South Berwick Branch.

Respectfully submitted,

Alvin E. Delorey,
Secretary-Treasurer

to the Town Council of South Berwick
Acting as Successor Trustee u/w/o
Elizabeth R. Vaughan

REPORT OF THE PARKS, RECREATION & CONSERVATION COMMISSION FOR 1972

The year 1972 was a year when accomplishment and disappointment went together. On the plus side the committee developed and carried out three main tree plantings and began its development of the town forest. We also set up and ran South Berwick's first summer recreation program, ran a Halloween party, contributed to the town's football team in the Dover Senior League, and ran the Saturday morning basketball program. On the minus side, we were unable to revitalize the Powderhouse Ski Area for this winter.

After approval of the tree planting article in the town warrant the committee planted eighteen emerald queen norway maples on Main Street starting at the Getty Station and proceeding to Tibbetts Street. Three maples and two mountain ash were also planted on the monument on Portland Street, and nine norway maples were planted at the entrance to the town at the landing on Main Street. We hope to continue this program for the following year with first priority given to finishing the main arteries of the town.

The committee also began working on the town forest. Plans were made for selective cutting to be done and the trees to be cut were marked by a state forester. We were also given 1000 pine seedlings by the state, which were planted by the South Berwick Boy Scout Troop.

With financing from the Vaughan Fund we were able to run South Berwick's first summer recreation program. The program ran for ten weeks and consisted of sports, games, special events, and swimming at Spring Hill. We hope to run a similar program again this summer, but we will be making several changes which, we hope, will improve the program. This year we also took over the organization of the Halloween party. With financial help from the Vaughan Fund and contributions from many people and businesses in town, and a tremendous effort from a volunteer force of people we were able to provide a safe, entertaining evening of fun for nearly 500 children in town. We also sponsored the Saturday morning basketball program for fifth and sixth grade boys.

We had planned to have the Powderhouse Hill Ski Area operating for the winter; however the equipment that remains on the hill is completely unrepairable due to vandalism and weather. To have replaced the equipment or to set up a new tow would have cost more than we could spend this year. We hope that with some federal and state monies we will be able to develop a new lift on the hill for the future.

We have begun to develop an action plan for the development of recreation in South Berwick and with some professional help we hope to have this done in a couple of months.

Respectfully submitted,

Harland Goodwin, Jr.

REPORT OF THE LIBRARY ADVISORY BOARD
OF THE SOUTH BERWICK PUBLIC LIBRARY

Above all, the Library Advisory Board wishes to thank the many towns-people -- of all ages and backgrounds and interests -- who have given so generously of their time and their talents, and also of their material assets to the South Berwick Public Library! (In fact, the Library has so many active friends that there just isn't enough space to list them here.) The Board is continually grateful to ALL the citizens because the 1972 Annual Town Meeting unanimously accepted the Library and appropriated funds for its support during the remaining nine months of the year. (The Library started 1972 with over \$400 to its credit as a result of the November, 1971 town-wide Food Sale, and other contributions; the Library ended the year with a credit which automatically reverted to the Town's general fund.) Soon after Town Meeting, the Town Council appointed the seven-member Library Advisory Board, starting off with 3 members for three years, 2 members for two years, and 2 members for one year. Therefore, from now on when all regular appointments (for three-year terms) are made, there will be overlapping continuity on the Board.

The Library Advisory Board sincerely regrets that a larger appropriation is needed for 1973. More funds have to be requested not only because the money will cover twelve months rather than nine, but chiefly because no Town salary funds were expended in 1972. The 20-hour librarian's salary was paid for by federal OEO funds. (The federal government also specified the criteria to be used by town officials as a basis for selecting the employee.) Unfortunately, it now appears that these funds will be cut off at the end of February, so the Library Advisory Board has no alternative than to budget for modest salary needs for the remaining ten months of '73. (Another '72 financial plus that cannot be duplicated in '73 was the gift to the Library -- by five different dealers -- of 900 gallons of fuel oil!)

Since the 1972 Annual Town Meeting, the Library has purchased about 250 new books. We have also replaced our hopelessly out of date Encyclopedia and World Atlas. The Library needs to continue to build up its collection of fiction, non-fiction, and reference material, and welcomes suggestions for new purchases. We are trying to make wise selections of materials for a wide variety of people's tastes, and needs, and we are learning as we go. We welcome your help and your criticisms. The Library wants to provide useful books for the business community, as well as for all ages and interests among the general public. A number of our book purchases were made through the device of personal Book Club memberships for the Library, thus saving many dollars. For if those popular titles had been purchased from book stores (even with our one-third-off library discount) the cost

-continued-

would have been almost three times as much. For example, the Library has purchased about 50 book-club books with a bookstore value of about \$400, and they cost the Town only \$136! (It's too bad we can't continue to do this on the same scale, but the problem is that we have now purchased most of the desirable new titles to date, and have gotten most of the accumulated bonus books as well.)

The Library also has access to books in other Maine libraries, through a toll-free service with the State Library. So if you want a specialized book or a book on a certain subject (other than fiction), be sure to tell the Librarian and she'll request it through the inter-library loan service.

Several recent improvements are apparent at the Library. There are new metal and also new wooden bookshelves and a new magazine rack. The check-out area and the Winnie-the-Pooh Room are much warmer and more attractive now that they have wall-to-wall carpeting (good quality, bargain price!). The entrance door has been weather-stripped and the SPNEA has installed custom-made storm-sash on all the windows at no expense to the Town. (All of this reduces the fuel bill, too.)

The handsome Community Room (which seats up to 40 or more people) is a source of modest income to the Town because it is for rent at a small fee to clubs and similar organizations. (The chairs, rugs, etc. for this room were purchased with some of the Food Sale proceeds.) The Community Room is available WITHOUT CHARGE for the use of almost any town committee or informal group which is working on some facet of community interest. We urge anyone who would like to request use of the Community Room to contact any member of the Board. The room is a beautiful, centrally located community facility, and we hope it will become increasingly useful to the Town.

"The Friends of the South Berwick Public Library" are now an organized reality, with more than a hundred supporters. They will cooperate with the LAB in all sorts of projects designed to make the Library of greater service and satisfaction to the entire South Berwick locality. James Dean is President of the Friends, and Paul Colburn is First Vice President; Norma Cook is Second Vice President. There are about 12 people -- officers and committee chairmen -- who make up the Executive Board of the Friends. One area in which we hope the Friends can stimulate greater Library use is among children. Perhaps there can be special programs for children from time to time. Already at different times the Library has welcomed several classes from Central School, and some groups of pre-school children; we hope to continue this.

Many financial contributions have been made to the Library in '72 by various organizations (including \$50 from the Lions Club of Rollinsford and South Berwick!) and individuals. These -- together with the proceeds of the mammoth community-wide Food Sale in November '71, plus some of the money received from the Book Sale

-continued-

Extraordinaire last summer -- have made it possible for the Library to purchase more books, etc., than the town appropriation alone could have covered. (Many of the Book Sale books were given by Berwick Academy; the Library also received a large number of fine books given by the Alvan Bolster Ricker Memorial Library in Poland, Maine. The Kennebunk Free Library gives us books regularly, and also other public libraries, including Rochester, Dover, Springvale, and Derry; and some came from Milton Mills.)

Several citizens have presented some outstanding new volumes to the Library. Among these thoughtful donors are Mrs. Agnes Allen, Mr. & Mrs. James Sinclair, and Mr. & Mrs. Mark Libbey. In addition, many other friends have given fine new and secondhand books and periodicals as well as various other items (including a vacuum cleaner!) needed by the Library. Mr. Norman Page has transformed a dusty rickety old closet into a sturdy handsome section of "built-in bookshelves" and he has helped in many other ways. At the top of the list of the dozen or so faithful volunteer librarians to all of whom we extend our heartfelt gratitude, we salute, particularly, Regina Perschy and Dorothy Flynn who give six to eight hours of devoted service to the Library week in and week out! (Elizabeth Brackett, Angela Miniutti, and Barbara Keegan also work as volunteer librarians on a regular schedule.) More than 1500 hours of service were given to the Library by volunteers in 1972! Mrs. Jeannine Higgins is the paid (OE federal funds) part-time librarian (and part-time social worker) for the Town, and through the federal program at practically no cost to the Town, she attended a week's summer library course in Lewiston, and a ten-weeks' evening library aide course at UNH. Shirley Rix was the summertime Youth Corps library assistant.

The Town continues to benefit from the generosity of the Society for the Preservation of New England Antiquities which has made the entire first floor of its Eastman House (next door to the Society's Sarah Orne Jewett House, smack in the middle of town) available for use as the Town's library. The Library Advisory Board is grateful to the Society. The Board also wants to mention again its appreciation to the members of the Town Council and to the Town Manager for their constant interest in and support of the Library.

By Town Meeting time the Library plans to be in the midst of publicizing and launching a town-wide contest for the design of an official Town Seal. (The prizes will not come from town funds, but are an anonymous gift.) The Town Manager and Town Councilmen are enthusiastic about the project and are hopeful that the contest will result in the creation of an outstanding seal that reflects the unique essence of the Town of South Berwick. In addition to its official use, the seal will also appear on bookplates which will be placed in special gift books to the Library, honoring the donors.

-continued-

Again, thank you for your splendid support of the Library, and do come and use it often. Library hours are:

TUESDAYS	10 a.m. to 5 p.m.
WEDNESDAYS	1 p.m. to 8 p.m.
FRIDAYS	1 p.m. to 5 p.m.
SATURDAYS	10 a.m. to 12 noon

The Library telephone number is: 384-2838.

This report is respectfully submitted to the Town Council on February 14, 1973 by the Library Advisory Board of the South Berwick Public Library.

YORK HOSPITAL VISITING NURSE PROGRAM

To the Board of Selectmen and the Citizens of South Berwick:

I would like to submit the following report of the York Hospital Visiting Nurse Program for the year ending December 1972.

The York Hospital Visiting Nurse Program continued to care for patients of South Berwick in their homes. At present the service is offered from Monday to Friday from 7:00 A.M. to 3:00 P.M. Care is given on an intermittent basis and in accordance with a doctor's approval and plan of treatment. A fee is charged for home visits; however, Medicare and other financial resources may help to meet the cost of home health care. NO patient will be prevented from receiving care solely on his inability to pay.

For the year of 1972 the Visiting Nurse and Home Health Aide made a total of 178 visits to 6 patients in South Berwick. Care such as bed baths and personal hygiene, injections, therapeutic diet instruction, catheter care, surgical dressing changes, exercises, teaching infant care and a variety of other types of care were given.

Attempts were made throughout the year to make the Visiting Nurse Program more generally known to the community. Anyone desiring to know more information regarding home health care is asked to call the York Hospital, 363-4321.

Respectfully submitted,

Laverne M. Burrige, R.N.
Supervisor, V.N.P.

REPORT OF THE DOG CONSTABLE

1972

Calls:

- 10 - Court (Section 3 of South Berwick Ordinance)
- 39 - Dogs to Sanford
- 13 - Dead Dogs to Veterinarian
- 5 - Dogs bit subject
- 4 - Dogs after deer
- 79 - Miscellaneous

I wish to thank the people of South Berwick for the help they have given me the past year to make our new dog ordinance work.

Allen E. Sterling
Dog Constable

CIVIL DEFENSE REPORT

1972

We did a little better this year, as detailed below.

For 1973 I hope that a little more money can be raised so that we can do more on our projects.

In 1972:

We got the Town on a program where they can get equipment from the government.
The Fire Department got matching funds on radios.
The Police and Fire Departments got miscellaneous equipment from the state store in Augusta.
Training man from Augusta for classes at Fire Department.

Allen E. Sterling
Civil Defense Director

PROGRESS REPORTSOUTHERN YORK COUNTY REGIONAL SOLID WASTE STUDY

MARCH 1973

INTRODUCTION

After successful votes from the 1972 Town Meetings of Berwick, North Berwick, South Berwick, Kittery and York, as well as agreement from the Portsmouth Naval Shipyard to fund a regional solid waste study; the Committee of representatives, including Mr. E. K. Day of the Southern Maine Regional Planning Commission, held interviews with various engineering firms and selected S E A Consultants Inc., Engineers/Planners, Boston, Mass., to perform the necessary technical studies. The scope of work and a contract for engineering services was negotiated. The contract was signed July 5, 1972.

The first item of business undertaken by the Committee and their Engineers was to file a pre-application for a Federal Demonstration Grant for regional solid waste management programs. As a result of the early stages of development of this program, it was not approved for a grant at this time. It is possible that when the preliminary stages of this program are completed and the mechanism is established to implement a regional solid waste disposal system, the Region may be eligible for a federal grant. Further investigations will be made into applying for federal and/or state grants at the appropriate time in the future.

PRESENT CONDITIONS

Observation of the present facilities for solid waste disposal for each of the members of the regional study group was made. In every case it was found that the methods being used were in violation of either existing or pending federal and state legislation for solid waste disposal or air pollution standards. In most cases uncovered dumps are being used with open burning of the combustible material for volume reduction.

The State Department of Environmental Protection's Air Quality Improvement Plan dated January 19, 1973, contains the following prohibitions:

1. Open burning of fires or rubber products or by-products shall be prohibited after July 1, 1972.
2. Open burning of waste of any kind shall be prohibited after July 1, 1974, except that municipalities qualifying for an extension under the Solid Waste Management Plan shall cease open burning by July 1, 1975.

In addition to the fact that the existing solid waste disposal facilities are generally being operated in an undesirable manner, they are for the most part located in areas which violate the State Department of Environmental Protection Revised Statutes of 1964, Title 38 (As Amended). Sec. 421 "No boundary of any public or private solid waste disposal area shall be closer than 300 feet to any classified body of water...."

REPORT DEVELOPMENT

In order to develop a Solid Waste Management Program which will eliminate the present undesirable disposal facilities and meet the existing and pending legislation, it is first necessary to establish the quantity and characteristics of the solid waste generated in the area. It has been determined that the general characteristics of the solid waste is similar to household waste with a small percentage of industrial and commercial type waste. The total quantity of waste being generated at this time has been estimated to be approximately 41,000 tons per year. By projecting the present population figures ahead, it has been estimated that between 55,000 and 60,000 tons of solid waste will be generated in 1995. Based on the present tonnage of solid waste as determined herein, a properly operated sanitary landfill would consume about seven acres of land per six foot lift. Between 10 and 12 acres of land would be required per lift. Assuming a 20-year life for a regional sanitary landfill about 200 to 240 acres would be necessary for a one-lift operation. Usually more

than one lift can be developed in a sanitary landfill, therefore, a site with between 100 and 150 acres of land has been determined to be necessary to develop a regional facility for the proposed Solid Waste Management Program.

Meetings have been held with the Soil Conservation Service of the Department of Agriculture to determine potential areas for developing a sanitary landfill. Investigations are now being made to determine the availability of several sites within the areas determined to be suitable.

WORK IN PROGRESS

As soon as the availability of sites has been established and land costs have been determined, alternate systems of collecting and transporting the solid wastes from each area of generation will be evaluated. Some of the alternatives to be considered will include transfer stations, curbside collection, green boxes, as well as recycling stations to reduce the volume of waste to be handled at the regional facility.

As soon as the best overall system is determined the mechanism of implementing the Solid Waste Management Program will be established. This will require that an administration system be determined, including a fee structure and rules and regulations for operation.

It is intended that a definite system will be developed, and that it will be presented to the members of the program in sufficient time for consideration and action at 1974 Town Meetings.

It is anticipated that informational hearings will be held as the program progresses to keep the general public abreast of significant developments.

S E A CONSULTANTS INC.

TOWN OF SOUTH BERWICK, MAINE

WARRANT

State of Maine
County of York, ss.

To Burton W. Trafton, Constable of South Berwick in the County of York, State of Maine.

Greetings:

In the name of the State of Maine you are required to notify the inhabitants of said Town of South Berwick qualified to vote in Town affairs to assemble at the Civic Center (Town Hall) in said Town on Saturday, the 24th day of March, A.D., 1973, at 6 o'clock in the forenoon, then and there to act on the articles below.

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To choose two Councilmen for three years, and one member of the Board of School Directors of S.A.D. #35 for three years.

Polls will be open from 6 a.m. to 2 p.m. The business session will be at 7:30 p.m. at the South Berwick Civic Center.

ARTICLE 3. To see if the Town will vote to authorize the Town Council and Town Manager to procure a temporary loan or loans in anticipation of taxes for the purpose of paying the obligations of the Town; such loan or loans to be paid during the current municipal year out of money raised during said current municipal year by taxes.

Council recommends adoption.

ARTICLE 4. To see if the Town will vote to authorize the Town Council and Town Manager to borrow after January 1, 1974, until the date of the following Town Meeting an amount not to exceed one hundred thousand dollars (\$100,000.00), the same to be used to cover the expenses incurred in the operation of the Town from January 1, 1974, until the date of the following regular Town Meeting, said loan to be paid out of the appropriation for the then current municipal year by taxation, and to issue the note or notes of the Town therefor, signed by the Town Council and Town Manager, upon such rate of interest and otherwise upon such terms consistent with the foregoing as the Town Council may determine to be most advantageous to the Town.

Council recommends adoption.

ARTICLE 5. To see if the Town will vote to authorize the Town Council and Town Manager in behalf of the Town to sell and dispose of any Real Estate acquired by the Town for non-payment of taxes thereon, on such terms as they deem advisable and execute quit-claim deeds on such property, with the understanding that any property deeded before the tax commitment date will be taxed this year to the grantee.

Council recommends adoption.

ARTICLE 6. To see if the Town will vote to authorize the Town Council and Town Manager to sell, discharge, and assign tax mortgage liens for not less than the amount unpaid and interest and costs thereon. If, however, after soliciting public sealed bids such money is less than the accrued taxes and other costs, the Town Council and Town Manager may re-advertise such property through sealed bid and sell such property to the highest bidder if it seems in the interest of the Town.

Council recommends adoption.

ARTICLE 7. To see if the Town will vote to instruct the Tax Collector to charge and collect interest at a rate of eight percent (8%) per annum, to be retroactive to September 1, 1973, on all taxes not paid on or before November 15, 1973.

Council recommends adoption.

ARTICLE 8. To see what sum of money the Town will vote to raise and appropriate for salaries and expenses of the Town Officers for the year 1973.

Councilmen 5 @ \$200	\$1,000.00
Administrative Cost	9,500.00
Town Counsel	<u>500.00</u>
	\$11,000.00

Council recommends \$11,000.00

ARTICLE 9. To see what sum of money the Town will vote to raise and appropriate for operation of the Town Office and clerical expense.

Town Office expense	\$5,320.00
Clerical help	<u>6,260.00</u>
	\$11,580.00

Council recommends \$11,580.00

ARTICLE 10. To see what sum of money the Town will vote to raise and appropriate for Election Expenses, Property Assessment, and Interest.

Elections	\$ 500.00
Property Assessment	2,200.00
Interest	<u>2,000.00</u>
	\$ 4,700.00

Council recommends \$4,700.00

ARTICLE 11. To see what sum of money the Town will vote to raise and appropriate for printing and distribution of the Town Report.

Council recommends \$750.00

ARTICLE 12. To see what sum of money the Town will vote to raise and appropriate for hydrant costs, sewer costs, street lighting, and Fire Department and Civil Defense Alarm services.

Hydrants	\$ 9,040.00
Sewer	8,000.00
Street Lights	10,780.00 (amount for present)
Alarm Services	<u>3,800.00</u>
	\$31,620.00

Council recommends \$31,620.00

ARTICLE 13. To see if the Town will vote to raise and appropriate \$2,666.00 for State Aid Road Construction under the provisions of Title 23, Sections 1101, 1104, and 1105, et. seq., Revised Statutes, State of Maine 1964.

Council recommends no action. Prepaid for 1973.

ARTICLE 14. To see if the Town of South Berwick will put the \$6.00 from each snowmobile registration into the Parks and Recreation Commission earmarked for trails and bridges. (inserted by petition)

Council recommends discussion.

ARTICLE 15. To see what sum of money the Town will vote to raise and appropriate for Social Services.

Town Poor	\$ 8,500.00
Health Clinics	<u>600.00</u>
	\$9,100.00

Council recommends \$9,100.00

ARTICLE 16. To see what sum of money the Town will vote to raise and appropriate for Town Planning, and Parks, Recreation, and Conservation Commission.

Town Planning	\$430.00
Parks, Rec. & Cons.	
Comm.	<u>100.00</u>
	\$530.00

Council recommends \$530.00

ARTICLE 17. To see if the Town will vote to transfer a sum of money from the Reserve for Tax Losses and Liens account for the purpose of Abatements.

Council recommends transferral of \$2,000.

ARTICLE 18. To see what sum of money the Town will vote to raise and appropriate to convert the present dozer to a narrow power-angle blade for sidewalk plowing as well as Town Dump use and be placed in the Equipment Fund.

Council recommends from Federal Revenue Sharing
\$3,500.

ARTICLE 19. To see if the Town will vote to authorize the purchase of a new truck for snow plowing and other Town functions.

Council recommends use of the Equipment Fund.
(Present oldest truck is a 1964 GMC with 80,000 miles.)
Total estimated cost of chassis and body and snowplow
adaptation, \$10,500.

ARTICLE 20. To see what sum of money the Town will vote to raise and appropriate for the operation of the Police Department.

Council recommends regular appropriation, \$20,700,
and from Federal Revenue Sharing, \$10,000. Total: \$30,700.

ARTICLE 21. To see what sum of money the Town will vote to raise and appropriate for the operation of the Fire Department.

Council recommends \$11,680.00

ARTICLE 22. To see what sum of money the Town will vote to raise and appropriate and bank in an obligated reserve for the capital replacement of a Fire Truck, under provisions of Title 23, Sections 1101, 1104, and 1105, et. seq., Revised Statutes, State of Maine. (Replacement for the 1950 pumper-tanker.)

Council recommends from Federal Revenue Sharing
\$20,000.

ARTICLE 23. To see if the Town will vote to authorize the Town Council and Town Manager to purchase a Fire Truck not to exceed \$32,000.

Council recommends adoption.

ARTICLE 24. To see what sum of money the Town will raise and appropriate for Memorial Day, York County Regional Planning Commission, and the Armed Services Committee.

Memorial Day:	\$350.00
York Cty. Reg. Plan. Comm.:	262.50
Armed Services Committee:	<u>100.00</u>
	\$712.50

Council recommends \$712.50

ARTICLE 25. To see what sum of money the Town will vote to raise and appropriate for the Town Garage, Town Dump, Removal of Trees, and Planting of Trees.

Town Garage	\$ 650.00
Town Dump	2,400.00
Tree Removal	1,000.00
Tree Planting	<u>900.00</u>
	\$4,950.00

Council recommends \$4,950.00

ARTICLE 26. To see what sum of money the Town will vote to raise and appropriate for Insurance.

Town Buildings, liab., bonds, etc.	\$6,160.00
F.I.C.A. (Social Security)	4,300.00
Blue Cross-Blue Shield	1,600.00
Maine State Retirement	<u>2,500.00</u>
	\$14,560.00

Council recommends \$14,560.00

ARTICLE 27. To see what sum of money the Town will vote to raise and appropriate for support of the South Berwick Public Library.

Council recommends \$4,400.00

ARTICLE 28. To see what sum of money the Town will vote to raise and appropriate for care of Highways and Sidewalks.

Winter care	\$23,520.00
Summer care	<u>11,760.00</u>
	\$35,280.00

Council recommends \$35,280.00

ARTICLE 29. To see what sum of money the Town will vote to raise and appropriate for a Town Roads and Sidewalk Improvement Program. (Surfacing and stabilization.)

Surfacing & stabilization	\$11,000.00
Sidewalks	200.00
Federal Revenue Sharing	<u>3,000.00</u>
	\$14,200.00

Council recommends appropriation of \$11,200, and from Federal Revenue Sharing, \$3,000.00.

TOWN MANAGER'S REPORT

To the Honorable Town Council and Citizens
of the Town of South Berwick:

It is my pleasure to submit to you the Annual Report for the year 1973. This report attempts to portray the operations of the Town Departments and to provide all pertinent financial data of the Town Government. A fully informed citizenry is essential to proper local governance, and is dependent upon two-way communication between residents and their elected and appointed officials. We hope that this report will serve as a part of that communication.

MUNICIPAL BUILDING

A major milestone was passed in December when the Town voted to purchase and renovate Central School Annex for usage as a Municipal Building. The vote climaxed several months of work by the Municipal Building Study Committee. The Committee was commissioned by the Town Council in the early Summer of 1973 to study the current and future building needs of the town and to report back to the Town Council. After several meetings to obtain data that there is truly an unmet space need, the Committee voted unanimously to recommend the purchase of Central School Annex. After considerable deliberation the Town Council placed the issue before the Town. Much debate centered around the size of the building. One should keep in mind that (1) the cost of new construction was quoted at a minimum of \$26 per square foot versus \$10 per square foot to purchase and renovate the Annex; (2) no other centralized Main Street location is readily available; and (3) staff expansion due to growth in town and new federal, state and local laws will occupy the building fully in 10 to 20 years. I want to take this opportunity to thank the Municipal Building Study Committee for the many hours they devoted to the interest of the Town.

REGIONAL SANITARY LANDFILL

In 1973 Preliminary Plans were completed for a regional solid waste landfill to include the Berwicks, York, Kittery, and the Naval Shipyard. Currently, a landfill is found to be the most efficient and economic method of disposing of solid waste without burning. (Burning will be illegal in 1975.) Under this regional plan it is projected that in the first year of operation South Berwick's cost would approximate \$8,500. If the town went into a landfill of its own costs would approximate \$20,000 per year PLUS land acquisition costs. (The present dumpsite will be full in 1975.) The warrant this year includes an article to join the Regional Landfill District. Due to the above facts, acceptance of Regional Landfill is highly urged as the cheapest solution to a bad problem.

Town Manager's Report (Continued)

DEPARTMENTAL OPERATIONS

During 1973 the Fire Department volunteers continued their excellent fund-raising endeavors and the ongoing training programs. Pursuant with the 1973 Town Meeting a new fire truck was ordered in July. It is hoped that the truck will be delivered by the Fall of 1974.

In 1973 the Highway Department worked in three primary areas: street maintenance, road construction, and snow removal. The more major projects included: construction and tarring of four-tenths of a mile on Rodier Road, construction of three-tenths of a mile on Thurrell Road, and three-tenths of a mile of State Aid Construction on Witchtrot Road. In addition, many minor repair projects were accomplished. Unusually fine weather left the snow account with a substantial balance. A new truck and crawler loader were purchased to replace old vehicles.

The Police Department in 1973 experienced the following examples of change over 1972: auto accidents decreased by 34%, court cases increased from 306 to 835 with fines paid to the State of Maine going from \$6,380 to \$15,825; the value of stolen property recovered went from \$11,792 to \$20,631. These vast changes can be directly attributed to the commitment made by the Town which has allowed hiring adequate competent staff and purchasing equipment to cope with the ever-increasing crime problems which we face. Police work in the 1970's is becoming an increasingly complex and technical field. Only through the townspeople's continued support can we meet and overcome the problems of today.

FUTURE

During the short three year period since the beginning of this decade South Berwick's population has grown by an estimated 14%. The future looks good for increased growth. Planning is essential now to assist in the direction and control of growth for the benefit of the community as a whole.

The future of South Berwick will be bright indeed, IF all of South Berwick is willing to work for a better community. For, when all is said and done, "The Town of South Berwick" is defined simply as YOU, the townspeople.

Town Manager's Report (Continued)

CONCLUSION

The cooperation, assistance and interest on the part of the elected and appointed officials and our town personnel and citizenry has been unending during the past year; and I sincerely appreciate it.

Respectfully submitted,

Rudolph Naples

Rudolph Naples

It has been said that a Town Manager is known to his enemies as a dictator....and to his friends as a benevolent dictator.

TOWN ORDINANCES

In 1973 two new ordinances and ordinance amendments came into effect.

New ordinances are:

1. Street Opening and Culvert Ordinance.

This ordinance requires the issuance of a permit by the Town prior to any digging in a town street or the installation of a culvert in any town right-of-way or drainage ditch.

2. Street Acceptance Ordinance.

Under this ordinance a comprehensive set of standards must be met prior to the Town's acceptance of a proposed street.

Amendments are:

1. Refuse Ordinance.

The removal of items from the dump and the discharge of firearms at the dumpsite are prohibited under the new amendment.

2. Traffic Ordinance.

Several older provisions were eliminated and parking provisions were updated to current standards.

3. Subdivision Regulations Ordinance.

The definition exactly what constitutes a subdivision has been clarified under a new amendment.

Copies of all of the above ordinances are available at the Town Office. If you have any questions please contact us.

Report of the Town Clerk
(Continued)

Dogs Licensed during 1973:

There were 174 male dogs
141 spayed female dogs
21 female dogs
6 kennel licenses (10 dogs and under)

Licensing requirements:

1. Dogs 6 months old or over as of January 1, or at such time such dog becomes 6 months old, must be licensed.
2. The only valid certificate of rabies immunization shall be the certificate issued by the State of Maine Department of Agriculture.
3. Immunization must have been within 730 days (2 years) preceding the date of application for the dog license.

Total amount remitted to the Department of Inland Fisheries and Game for 1973 game licenses: \$4,524.25

Respectfully submitted,

Dorothy J. Hilton
Town Clerk

REPORT OF THE PLANNING BOARD

The Planning Board held 45 meetings in 1973 in which the Subdivision Ordinance was up-dated, Subdivision Regulations were adopted by the Board to aid in the reviewing of Subdivisions, a Street Acceptance Ordinance was drawn up by the Board and Mr. Naples which was reviewed and passed by the Council.

There were several subdivision presentations. One of the major subdivisions which was investigated was the American Agamenticus Resort, Inc. Considerable time and funds were spent to insure that they conformed to our Subdivision Regulations, but no formal subdivision has been presented to the Board.

Mr. Timothy Flynn made a presentation of a subdivision for Cummings Hill, but later withdrew it.

The Bible Speaks, Inc. made a presentation of a subdivision of 96 acres on the north side of Emerys Bridge Road but later withdrew it because it needed further study.

Mr. and Mrs. Clifford Forde of Oldfields Road presented a minor subdivision creating three lots which were approved by the Board.

Mrs. Simone Savage of Dover-Eliot Road presented a division of her lot into two parcels of land which the Board ruled as a non-subdivision because the houses on the lots had been there for more than ten years.

Mr. Russell Tarason of Wadleigh Lane presented a subdivision on part of his farm into four parcels, and it's in the process of review.

Mr. Ermino Ricci of Portsmouth presented a subdivision for a lot of land in Oldfields on the west side of the Oldfields Road almost to the Eliot Town line. The property will be divided into eight 20,000 sq. ft. lots, with a street and turn-around. the preliminary plans have been approved with final plans nearly ready for conditional approval.

The Board requested that Mr. Richard Jones of Plaistow, New Hampshire submit a subdivision of his property along the Rodier Road; however, the state changed the Subdivision Law and the Board had to declare the property a "non-subdivision".

Planning Board
Page Two

The Board has had several meetings with Mr. Harland Goodwin, Rep. and the Conservation Commission on Flood Plain deliniation and Shoreline Zoning. The Board then approved for the Town Council to apply to the Resource Conservation and Development Agency for a Flood Plain Study of the Great Works River to be done in 1974.

The Board met with Mr. John C. Malley of the Threshold to Maine Resource Conservation and Development Agency to begin study of the cost and feasibility of off street parking behind the buildings on the west side of Main Street.

The Town Council asked the Board to formulate a Zoning Ordinance. However with much business to be done, the Board suggested to the Council that a Zoning Advisory Committee be established. The Board created a format for the Committee and the Council approved and appointed members to the Committee. The Council and Board have met several times during the year to discuss possible uses and priorities involved in Revenue Sharing Funds for the town. Before making our report to the Council we met with many community organizations to discuss their future plans and needs that might be implimented through Revenue Sharing Funds.

The Board received and granted 44 applications for electrical service. Of these applications, 13 were for conventional homes, 1 was for a public building, and 30 were for mobile homes.

Our town is adjacent to two of the fastest growing counties in New Hampshire and the nation. With this in mind, the Planning Board feels that without Land Use Regulations, South Berwick will be developed in a manner that would be detrimental to its future.

The Planning Board meets the second and fourth Monday of each month at 7:30 p.m. at the Town Office.

John W Stuart, Jr.
Chairman

SOUTH BERWICK POLICE DEPARTMENT

REPORT FOR 1973

I would like to take this opportunity to thank the Townspeople for their never-ending support which has been given this Department in the past two years. Without it, we could not have accomplished what we have accomplished. You, the Townspeople, had the foresight to see the need for a solid, well-organized Police Agency with trained and equipped police officers.

I would like, at this time, to personally thank the Officers and personnel of this Department. As you very well know, a Police Officer's role within the community is a difficult one. We, the people of South Berwick, are fortunate to have such dedicated people in this Department, who have expended considerable effort to better serve and protect you, the Townspeople.

SOUTH BERWICK EMERGENCY AMBULANCE AND RESCUE, INC.

ANNUAL REPORT 1973

The Squad had another busy and productive year. We answered a total of 148 ambulance calls as follows:

58 Acute medical	20 Automobile accidents
30 Heart attack	5 Overdose of drugs
28 Home accidents	2 Industrial accidents
	5 D.O.A.

The biggest change in the squad during 1973 was the resignation of Mr. Maynard Hanson as chief. After completing six years as chief, Mr. Hanson is now in the position of training officer and public relations. Maynard has performed his services to the community above and beyond the call of duty, and will continue to do so in the future. His successor, Mr. Clint Schoff, has served in 1973 and into 1974 as a most responsible and able-bodied leader of the Rescue Squad, donating many hours to accomplish the many tasks required to maintain an active Squad.

A very special thanks goes to our competent dispatcher, Mrs. Schindler, for her many hours of on-duty time waiting for the calls that make our service a vital artery to this community.

Many hours were donated by squadmen attending various first aid courses including basic rescue, advanced rescue, cardiopulmonary resuscitation, extrication and casualty handling courses. The South Berwick Rescue Squad has been very active in the York County Ambulance Association as well as the Maine Ambulance Assoc.

A complete new high-band radio system is the pride of all the members of our unit. The new system enables us to talk directly to any hospital in Maine or New Hampshire from our ambulance. We can also communicate with our dispatcher and the Fire Dept.

Several "Memorial" donations have been made to the Squad in memory of deceased loved ones from friends and relatives; a beautiful "Memorial Book" has been purchased for inscription of these Memorial Donations.

Three new members have joined the squad during 1973: Mr. Carlton Spring, John Flaherty and Russell Tarason. The Rescue Squad is always proud to welcome new ambitious members who are willing to donate their time to serving the community.

The Squad wishes to take this opportunity to thank all residents for their support, which without, our organization could not perform.

Respectfully submitted,

"SBER"

ANNUAL REPORT

The South Berwick Conservation Committee carried out the second tree planting program this year. Eighteen trees were planted in various areas on Main Street from the Landing to the Berwick Road.

The committee has also continued its work on the town forest. It is hoped that the selective cutting in the forest will be finished this spring and that we can begin planning for how we want to use the forest area.

Several members of the committee are working on the newly formed zoning advisory committee, and one member has been working on a flood plain mapping survey of the town.

The Inventory of Natural Areas, which will be an index of all the various land use patterns and natural areas in the town has been begun by the committee and should be finished by next summer.

The committee has also joined the Salmon Falls River Watershed Association.

Respectfully submitted,

Harland Goodwin, Jr.,
Chairman

SOCIAL SERVICES

This has been my second year as Social Worker for this community.

I must say that it has been a very busy year.

My duties have been:

Contacts with the Department of Health and Welfare.

Contacts with the Social Security Office both in
Portsmouth, New Hampshire, and Sanford, Maine.

Working with visiting nurses and the school nurse.

Transporting people to the doctors, dentist.

Transportation for the needy, such as drug store.

Grocery shopping.

V.A. Hospital in Augusta.

Working with Surplus Commodities distributions (monthly).

Doing intake work for Welfare and Social Security.

Placing elderly people in boarding or nursing homes.

Visiting patients in hospitals whenever possible.

Attending Welfare Directors' meetings in Augusta monthly.

Respectfully submitted,

Jeannine M. Higgins,
Social Worker

YORK HOSPITAL VISITING NURSE PROGRAM

To the Town Council and the Citizens of South Berwick:

I would like to submit the following report of the York Hospital Visiting Nurse Program for the year ending December 1973.

The York Hospital Visiting Nurse Program continued to care for patients of South Berwick in their homes. At present the service is offered from Monday to Friday from 8:00 to 4:00 p.m. Care is given on an intermittent basis and in accordance with a doctor's approval and plan of treatment. A fee is charged for home visits; however, Medicare and other financial resources may help to meet the cost of home health care. NO patient will be prevented from receiving care solely on his inability to pay.

For the year 1973 the Visiting Nurse and Home Health Aide made a total of 293 visits to 17 patients in South Berwick. Care such as bed baths and personal hygiene, injections, therapeutic diet instruction, catheter care, surgical dressing changes, exercises, teaching infant care, and a variety of other types of care were given.

Attempts were made throughout the year to make the Visiting Nurse Program more generally known to the community. Anyone desiring to know more information regarding home health care is asked to call the York Hospital 363-4321.

Respectfully submitted,

Laverne M. Burrige, R.N.
Supervisor, V.N.P.

South Berwick Recreation Committee

Town Report 1973

The Recreation Committee has operated as a separate entity since the spring of 1973.

Our first major project was the summer program. In our plans this year, we tried to include a variety of activities to appeal to all age groups. They included art, needlework, and tennis lessons; arts and crafts; movies; weekly special events; soccer and girls' softball. We hope to add new events next summer and repeat our most popular activities.

The Halloween Party was again sponsored by this committee. Due to the large number of children involved, the celebration was held outdoors. A parade of about 600 children marched through town to Central School where prizes and treats were handed out.

Our major winter undertaking has been the development of Powder House Hill. At this point there is a motor in place after unavoidable delays and with a little luck the tow will be in operation for the next snowfall. Our attempt at a skating rink has been disappointing due to the weather and the large amount of volunteer effort necessary to maintain it under the best circumstances.

Throughout the year we have sponsored sports: Little League Baseball, a team in the Dover football league and basketball for fifth and sixth grade boys and girls.

We are now in the early stages of planning for the development of the playground behind Central School. This will be a long term project for the benefit of all the townspeople.

REPORT OF THE LIBRARY ADVISORY BOARD
OF THE
SOUTH BERWICK PUBLIC LIBRARY

In 1973 -- the second full calendar year of service to the Town -- the South Berwick Public Library has continued to grow, both in its use by the community and in the size of its book collection. (The Library was opened officially in September of 1971.) The Library Advisory Board is deeply grateful to the citizens of South Berwick for their enthusiastic support. Book circulation in 1973 was 38% higher than in 1972, and the number of library patrons increased 21%. The Town purchased approximately 300 new books in '73. Of these, around 100 were for young children, and most of them were paid for by a much-appreciated grant from the Vaughan Fund. Many fine books were also given to the Library not only by townspeople, but also by out-of-town visitors who are interested in our new library. The Library has also received several cash gifts from both in-townners and out-of-townners.

There are two main reasons why the Library is requesting a larger appropriation this year than last. First, town funds will be needed to pay the Librarian's salary for all twelve months. (In 1973 the Librarian's salary was funded for the first seven months by OEO federal funds -- a program that was designed from the start as a temporary emergency measure.) The second readily understandable reason is the unpredictable cost of fuel oil.

Through the continuing generosity of the Society for the Preservation of New England Antiquities, the Town is truly fortunate to have a functional, centrally located library building without capital outlay by the Town. The Society rents out the apartment above the Library quarters, and the tenants pay two-thirds of the cost of the fuel oil. When the two fuel oil tanks at the Eastman House (library building) had to be replaced in December, the Society paid the bill. The Society has installed storm sash on all of the windows, and this should reduce fuel oil consumption somewhat. Also, water and sewer bills are paid in full by the Society.

"The Friends of the South Berwick Public Library" have performed many useful services for the Library again in 1973. Among other things, a successful Food Sale was held in November, a very useful Book Depository was installed on the Library porch, new hallway floor covering has been laid, and indoor Christmas decorations were provided. The Friends also have several future projects in mind, including interesting and informative public programs in various fields, to be held in the Library's Community Room.

The Library Advisory Board and the Friends have cooperated with the South Berwick Recreation Commission in sponsoring not only story-telling hours at the Library, but also by holding children's art classes there during the late winter months.

LIBRARY REPORT (continued)

The Board welcomes opportunities for community use of the library facilities to promote and enrich the quality of life in this locality. The Librarian is also available to go out and talk to community groups about the Library, its books, and its services.

Last Spring (at no cost to the Town) the Library sponsored a Town Seal Contest which resulted in the official choice of a handsome and unique official seal. (See the cover of this Town Report!) It replaces the old seal which had no distinguishing features at all. The new seal will also be the focal point in the design of new book plates for certain unusual books and for special gift books presented to the Library.

In December a valuable new service was started by the State Library for small libraries such as ours. "Tel-Con", a toll-free phone number, is available for our librarian to call and ask for not only the loan of almost any non-fiction book requested by our patrons, but also for specialized information needed by South Berwick people. Please don't hesitate to ask our Librarian, Mrs. Margaret Colgate, for whatever appropriate help you need either directly through our own library's expanding resources, or through co-operative Tel-Con capabilities.

There are many local people who are helping the Library in numerous ways and we wish there were space to list them all here. However, we would be remiss were we to omit mention of our appreciation for the faithful volunteer librarians who serve on a regular basis -- Dorothy Flynn, Lib Brackett, Angela Miniutti, Dorothy Knight -- and some junior volunteers.

Please use the Library -- it is YOURS! And if you have ideas about books you'd like to see the Library purchase, or if you have any suggestions concerning the Library, be sure to talk with Peg Colgate! Thank you again for your support. Do come -- Library hours are:

TUESDAYS	10 a.m. to 5 p.m.
WEDNESDAYS	1 p.m. to 8 p.m.
FRIDAYS	1 p.m. to 5 p.m.
SATURDAYS	10 a.m. to noon.

The Library telephone number is 384-2838.

This report is respectfully submitted to the Town Council on February 8, 1974, by the Library Advisory Board of the South Berwick Public Library.

To the Town Council
Town of South Berwick
Maine

We have examined the Statement of Assets and Liabilities of the Town of South Berwick as of December 31, 1973 and the related statement of Appropriation, Receipts and Expenditures for the year then ended.

Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that we did not request confirmation of taxes receivable directly with the taxpayers. We did, however, satisfy ourselves by other means as to the accuracy of the taxes receivable figure.

In our opinion, the attached Statement of Assets and Liabilities, Exhibit A, Analysis of Revenue Fund Surplus, Exhibit B, and Appropriations, Receipts and Expenditures, Schedule B-1, present fairly the financial position of the Town of South Berwick at December 31, 1973 and the results of its operations for the year then ended, in conformity with generally accepted principles of municipal accounting applied on a basis consistent with that of the preceding year.

South Berwick Sewer District,
South Berwick, Maine

To the Board of Trustees:

We have examined the balance sheet of the South Berwick Sewer District as of December 31, 1973 and the related statements of income, and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of income and changes in financial position present fairly the financial position of the South Berwick Sewer District at December 31, 1973, and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Open burning dumps such as this degrade the environment and are a health hazard.

SOUTHERN YORK COUNTY REFUSE DISPOSAL DISTRICT

The towns of York, Kittery, South Berwick, Berwick and North Berwick jointly propose the formation of a Southern York County Refuse Disposal District for the management of solid waste disposal (garbage, trash, other refuse). The program will utilize a sanitary landfill to dispose of solid wastes to replace present open burning dumps.

The proposed plan will upgrade disposal of solid wastes to conform to the following State and Federal laws which existing town dumps do not meet —

- * The deadline of July 1, 1975 for the closing of open burning dumps.
- * A requirement that waste disposal areas be set back 300 feet from surface waters and their immediate drainage areas.
- * Regulations for the disposal of wastes on land requiring the sanitary landfill method.

Benefits to local residents will include the elimination of air pollution and the nuisances of present dumps as well as a significant decrease in the potential pollution to ground and surface waters from waste disposal.

LIST OF POLLS AND ESTATES
Not Exempt From Taxation
Filed Pursuant to Section 706, Title 36, M.R.S.A.

To the Assessors of the Municipality of South Berwick, Maine:

1. I am a legal resident of (Municipality) (State)
2. **REAL ESTATE:** List briefly property, subject to taxation on April of this year, that you have acquired, sold, or lost during the previous 12 months. (If additional space is required, use and attach blank sheet.)

Purchased:
Description Location From Whom

Sold:
Description Location To Whom

Altered or Destroyed

Was a building permit obtained? Yes No

3. **PERSONAL PROPERTY:** Check items owned or in possession and subject to taxation in South Berwick: Describe in detail on separate sheet.
- a. Stock-in-trade (wholesale and retail inventories.)
 - b. Industrial stock (raw materials, unfinished and finished goods.)
 - c. Machinery and equipment (industrial, mercantile, farm, etc.)
 - d. Watercraft Describe in detail
 - e. Wood, lumber or logs (not included under a or b). (Sawed, not standing)
 - f. Furniture and fixtures -- store, office, commercial (Counters included)
 - g. Livestock
 - h. Other - please identify briefly.
 - i. **DOGS** -- to be registered upon reaching 6 months of age: (Rabies certificate required)

No. of Males Females Spayed Kennel

The foregoing is submitted in compliance with Section 706, Title 36, M.R.S.A., and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors (or any of them) may require me to make oath of the foregoing; and that any of them may require me to answer in writing all proper inquiries as to the nature, situation and value of any property liable to be taxed in the State of Maine and that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the County Commissioners.

According to the American Society of
Civil Engineers:

Sanitary landfill is a method of disposing of refuse on land without creating nuisances or hazards to public health or safety, by utilizing the principles of engineering to confine the refuse to the smallest practical volume, and to cover it with a layer of earth at the conclusion of each day's operation, or at such more frequent intervals as may be necessary.

Completed sanitary landfills can be converted to open space, parks or other attractive uses. During operation of the landfill steps can be taken to insure a minimum of nuisance from the site.

Questions regarding the formation of the Refuse Disposal District or the waste disposal program can be directed to local town officials or the Southern Maine Regional Planning Commission in Alfred.

Pictures in this pamphlet are from Environmental Protection Agency publications.

INDEPENDENT PUBLIC ACCOUNTANTS' OPINION

To the Board of Trustees of South Berwick Water District:

We have examined the balance sheet of South Berwick Water District at December 31, 1973 and the related statements of income and retained earnings and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except as stated in the following paragraph.

We were not present to observe the physical count of material and supply inventories at December 31, 1973 and 1972. We have, however, been able to satisfy ourselves concerning inventory quantities by alternate audit procedures.

In our opinion, the aforementioned financial statements present fairly the financial position of South Berwick Water District at December 31, 1973, and the results of its operations and the changes in its financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

SOUTH BERWICK WATER DISTRICT
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1973

1. INVESTMENTS - SINKING FUND \$ 31,719.67

Schedule A-1 reflects assets and principal of the fund at December 31, 1973 and increments to the principal for the current year. The Trustees of the District have custody of sinking fund assets.

2. FIRST ISSUE BONDS - 4 1/4% \$190,000.00

These bonds were issued on October 1, 1960 and mature on October 1, 1980. One percent of the outstanding balance is appropriated from income each year and added to a sinking fund to retire the bonds.

3. SECOND ISSUE BONDS - 4 1/2% \$100,000.00

These bonds mature as follows: 5 on the 15th day of June in each of the years 1974 to 1979, 40 on the 15th day of June 1980 and 30 on the 15th day of June 1981.

TOWN OF SOUTH BERWICK, MAINE

WARRANT

State of Maine
County of York, ss.

To Leon H. Planche, Constable of South Berwick in the
County of York, State of Maine.

Greetings:

In the name of the Town of South Berwick you are required to notify the inhabitants of said Town qualified to vote in Town affairs to assemble at the Civic Center (Town Hall) in said Town on Saturday, the 23rd day of March, A.D., 1974, at 6 o'clock in the forenoon, then and there to act on the articles below.

ARTICLE 1. To elect a Moderator to preside at said meeting.

ARTICLE 2. To elect one Councilman for three years, and one member of the Board of School Directors of S.A.D. #35 for three years.

ARTICLE 3. Shall the Town accept the provisions of Chapter 15, Title 38 of the Maine Revised Statutes providing for the establishment of a Regional Disposal District together with the municipalities of South Berwick, North Berwick, Berwick, Kittery, and York and the construction, maintenance and operation of a regional refuse facility by said District with District Directors to be appointed by each municipality as follows: Berwick-one (1) director; South Berwick - one (1) director, North Berwick- one (1) director; York-two (2) directors; Kittery-three (3) directors? (Australian ballot)

Polls will be open from 6 a.m. to 2 p.m. The business session will be at 7:30 p.m. at the South Berwick Civic Center.

ARTICLE 4. To see if the Town will vote to authorize the Town Council and Town Manager in behalf of the Town to sell and dispose of any Real Estate acquired by the Town for non-payment of taxes thereon, on such terms as they deem advisable and execute quit-claim deeds on such property, with the understanding that any property deeded before the tax commitment date will be taxed this year to the grantee.

Council recommends adoption.

ARTICLE 5. To see if the Town will vote to authorize the Tax Collector to charge and collect interest at a rate of ten (10) percent per annum, to be retroactive to September 1, 1974, on all taxes not paid on or before November 15, 1974.

Council recommends adoption.

ARTICLE 6. To see if the Town will vote to authorize the Town Council and Town Manager to sell, discharge, and assign tax mortgage liens for not less than the amount unpaid and interest and costs thereon. If, however, after soliciting public sealed bids such money is less than the accrued taxes and other costs, the Town Council and Town Manager may re-advertise such property through sealed bid and sell such property to the highest bidder if it seems in the interest of the Town.

Council recommends adoption.

ARTICLE 7. To see if the Town will vote to authorize the Town Council and Town Manager to sell the building and convey a deed to the property located at 61-63 Main Street (currently used as the Police Station) for a fair market value. All revenues from the sale to be used to defray the costs of the purchase and renovation of Central School Annex (St. Michael's School) for usage as a Police Station.

Council recommends adoption.

ARTICLE 8. To see if the Town will vote to authorize the Town Council and Town Manager to expend funds from the Highway Department Equipment Account as expenditures become necessary to purchase and/or replace Highway Department Equipment.

Council recommends adoption.

ARTICLE 9. To see what sum of money the Town will vote to raise and appropriate for operation of the Town Office, Town Officers Salaries and Administrative Expense.

Councilmen 5 @ \$200	\$1,000
Administration salary	9,590
Expenses-Manager and Clerk	1,600
Legal Costs	1,000
Clerical Assistance & Clerk	8,015
Town Office Expenses	11,675
Capital Equipment-Town Office	<u>1,500</u>

Council recommends: \$34,380

ARTICLE 10. To see what sum of money the Town will vote to raise and appropriate for Election Expenses, Property Tax Assessment and Interest Costs.

Elections	\$1,000
Property Tax Assessment	3,125
Interest Costs	<u>3,500</u>

Council recommends: \$7,625

ARTICLE 11. To see what sum of money the Town will vote to raise and appropriate for Hydrant Rental, Sewer Rental, Street Lighting, and Dispatch Services for the Fire and Police Departments.

Hydrant Rental	\$10,050
Street Lights	11,000
Sewer Rental	9,440
Alarm-Dispatch Services	<u>8,000</u>

Council recommends: \$38,490

ARTICLE 12. To see what sum of money the Town will vote to raise and appropriate for State Aid Construction under the provisions of Title 23, Sections 1101, 1104, and 1105, et. seq., MRSA 1964. Said sum to be used to match State funds to pay the 1973 overexpenditure incurred by the State on Witchtrot Road.

Council recommends \$2,666 from State Aid Savings Account and a regular appropriation of \$1,333.

ARTICLE 13. To see what sum of money the Town will vote to raise and appropriate for Social Services.

Town Welfare & Social Worker	\$10,500
Health Clinics	<u>500</u>

Council recommends: \$11,000

ARTICLE 14. To see what sum of money the Town will vote to raise and appropriate for Town Planning, Zoning Advisory Committee, Recreation Committee and Parks and Conservation Committee.

Planning Board	\$2,100.00
Regional Planning Comm. Dues	262.50
Zoning Advisory Committee	770.00
Parks & Conservation Committee	100.00
Recreation Committee	<u>2,500.00</u>

Council recommends: \$5,732.50

ARTICLE 15. To see what sum of money the Town will vote to raise and appropriate for Portsmouth-Kittery Armed Services Comm. and Memorial Day Services.

Armed Services Committee	\$ 100
Memorial Day	<u>350</u>

Council recommends: \$ 450

ARTICLE 16. To see if the Town will vote to accept Chapters 123, 487 and 542 of the Maine Public Laws of 1973.

The chapters represent minor revisions to the benefit and contribution program of the Maine State Retirement System.

Council recommends adoption.

ARTICLE 17. To see what sum of money the Town will vote to raise and appropriate for Insurance and Retirement Benefits.

Workmen's Compensation	\$ 2,400
Building, Fleet, and Liability Policies	5,240
Health Insurance	2,300
Social Security & Retirement	<u>7,250</u>

Council recommends: \$17,190

ARTICLE 18. To see what sum of money the Town will vote to raise and appropriate for the Highway Department.

Highways, Streets & Sidewalks (including surfacing and stabilization)	\$43,045
Snow Removal	22,150
Town Dump	3,000
Town Garage & Safety Equipment	1,400
Tree Removal & Planting	<u>1,900</u>

Council recommends: \$71,495

ARTICLE 19. To see what sum of money the Town will vote to raise and appropriate for support of the South Berwick Public Library.

Council recommends \$5,250.

ARTICLE 20. To see what sum of money the Town will vote to raise and appropriate for the operation and equipping of the Fire Department.

Operations	\$13,500
Capital Equipment	<u>5,000</u>
Council recommends	\$18,550

ARTICLE 21. To see what sum of money the Town will vote to raise and appropriate for the operation of the Police Department.

Council recommends \$10,000 from Federal Revenue Sharing and a regular appropriation of \$40,735.
Total \$50,735.

ARTICLE 22. To see if the Town will vote to transfer a sum of money from the Reserve for Tax Losses and Liens Account for the purpose of Tax Abatements.

Council recommends transferral of \$3,000.

ARTICLE 23. To see if the Town will vote to place the monies received from each snowmobile registration into the Recreation Committee earmarked for trails and bridges. This request being for the present, as well as future years, until such time as the Town votes to do otherwise. (Inserted by petition.)

Council does not recommend adoption.

ARTICLE 24. To see what sum of money the Town will vote to raise and appropriate to be expended by the Recreation Committee for snowmobile trails and bridges.

Council recommends \$500.

ARTICLE 25. To see if the Town will vote to appropriate \$5,095 from Federal Revenue Sharing funds for the purposes of obtaining an option for the purchase of land, and for the preparation of plans, specifications and cost estimates for the acquisition, construction, equipment and operation of a regional sanitary landfill, and authorize the Town Treasurer, upon the establishment of disburse said sum to the district for the purposes set forth above.

Council recommends adoption.

ARTICLE 26. To see what sum of money the Town will vote to appropriate for the Unappropriated Surplus Account to be used toward the payment of the 1974 Budget appropriations; thereby decreasing the amount of money to be raised by taxation in 1974.

Council recommends \$30,000.

ARTICLE 27. To see if the Town will vote to adjourn the Town Meeting.

Given onto our hands in the Town of South Berwick this thirteenth day of March, 1974, A.D.

TOWN MANAGER'S REPORT

To the Honorable Town Council and Citizens of the Town of
South Berwick:

It is with pleasure that I submit the Annual Town Report for the year 1974. This report attempts to briefly summarize the operations of the Town departments and to provide all pertinent financial data of your Town Government in the past year. It is impossible to overemphasize the need for two-way communication between the general citizenry and their elected and appointed officials in order to provide proper, responsive local governance on a daily basis. This report attempts to serve as part of that communication.

PROGRESS REPORT

In last year's Annual Town Report the two major items which I discussed were the purchase of the former St. Michael's School by the Town and the proposed regional refuse disposal district.

In 1974 renovations, including a new heating system, were completed in the former school. In January of 1975 the Town Office and Police Department completed their move into the structure. The first few weeks of operation lead me to believe that efficiency will be greatly increased in the new quarters.

On March 22, 1975, Annual Town Meeting Day, an Open House is planned. We urge you to come and examine YOUR municipal building.

Also, during 1974, the York County Disposal District #1 became a reality. The District includes South Berwick, Berwick, Kittery, and York. The Trustees of the District currently are studying alternative sites for a solid waste landfill. Hopefully, operation will commence before the end of 1975.

THE ECONOMY

During 1974 the national inflation crisis was the biggest problem faced by the Town - just as it was for the general public. Products used jumped 20 to 100% in cost. For example, in July, culverts increased 40% in one price hike.

Through careful management we were able to finish the year with no major overexpenditures.

However, the coming year's budget must reflect some of the increases we all have experienced in 1974.

The Town Council has spent a great deal of time on the 1975 budget. The technique employed has been to keep expenditures at a minimum level while not drastically reducing present services, and not adding major new services.

Manager's Report (continued)

The final budget is a product which positively reflects this philosophy.

DEPARTMENTAL OPERATIONS

The Fire Department in 1974 has continued extensive training to provide the best possible protection available. During the year one thousand feet of four-inch hose ("portable water main") was purchased and has proven to be of great benefit. Delivery of the fire truck contracted for in 1973 was delayed by the company and steps are underway to attempt to assure delivery as soon as possible.

The Highway Department's operations have again included road construction, road maintenance, and snow removal. Major work done included construction of six-tenths of a mile of Thurrell Road, extensive drainage ditching on Emery's Bridge Road, and reconstruction of the Shorey's Brook Bridge. Also, many minor repair projects were accomplished. The second consecutive year of unusually good winter weather left the snow removal account with a substantial surplus. A one-ton dump truck with snowplow and a used two-way radio system were purchased and have increased efficiency greatly.

The Police Department in 1974 continued at the 1973 level of four people. The level of activity was comparable to 1973. The Federal Emergency Employment Act provided funds in August to start a twenty-four hour dispatch service. It has proven to be most beneficial. Attempts continue to assure its continuance after federal funds end.

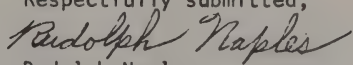

The continued commitment of the Townspeople to meet the criminal problems of today's world has been most gratifying.

FUTURE

In 1975 the Zoning Advisory Committee will present a Zoning Ordinance to the Town Council. This proposed ordinance will represent a massive amount of work to develop an ordinance which is right for South Berwick today. Continued growth is a foregone conclusion and, in view of it, the shape of future development must be addressed at this time, if its size and direction are to be decided rationally with forethought.

CONCLUSION

The cooperation and assistance of the elected and appointed officials and townspeople continue to be of the highest order, and I greatly appreciate this aid.

Respectfully submitted,

Rudolph Naples

REPORT OF THE CODE ENFORCEMENT OFFICER
AND
LOCAL PLUMBING INSPECTOR

In April 1974 I was appointed assistant local plumbing inspector with specific duties to enforce the State of Maine Plumbing Code in the absence of Elliot Gray, the local plumbing inspector, or to inspect any plumbing work done by his company in the Town of South Berwick.

The State of Maine Department of Health and Welfare revised the State Plumbing Code effective July 1, 1974. The new code required that the local plumbing inspector be appointed from a list of certified local plumbing inspectors. I passed the examination and was certified and appointed local plumbing inspector in June 1974. Mr. Elliot Gray resigned his appointment.

In May 1974 an informal meeting was held with the local sewage disposal installers at the Public Library to review the new plumbing code with special interest on the installation of private subsurface sewage disposal systems. The meeting was well attended with about twelve local contractors present.

There were 48 plumbing permits issued during the year with the following breakdown:

New construction and/or Mobile homes, including sewage disposal system:	26
Sewage disposal systems repaired:	10
Inside plumbing only:	12

Total fees collected: \$884.80

In October 1974 I was appointed Code Enforcement Officer, with Rudolph Naples as Assistant Code Enforcement Officer, with specific duties to enforce the Mandatory Shoreland Zoning Ordinance which became effective in August 1974. The duties also include enforcement of the new Town of South Berwick Building Permit Ordinance which became effective on November 23, 1974.

The total number of building permits issued in 1974 was 107. It is suggested that persons interested in the new Building Permit Ordinance obtain a copy at the Town Office at the cost of 50 cents.

The residents of South Berwick are reminded of their responsibility to maintain their septic tank by pumping it at least every three years. The septic tank is made in such a fashion as to allow incoming sewage to come into the tank at a higher level than the outlet. Therefore, the liquid should pass out of the tank before backing up into the house unless there is a problem in the leach field or in the pipes leading to it from the septic tank. The incoming sewage is baffled downward to slow its progress in the tank so it will have enough time to allow the heavier portions to settle to the bottom as sludge and not pass on to the leach field and plug it up.

Report of the Code Enforcement Officer and
Local Plumbing Inspector
Page two

The tank is also baffled at the outlet to prevent and slow down the progress of sludge or scum from going out the outlet. All this is to prevent particles of sludge and scum from getting into the leach field as they will plug up the pores and cause the field to fail prematurely.

Bacteriological action: The sewage sludge in the tank is worked on by anaerobic bacteria. They tend to liquify some of the sewage and the heavier materials tend to stay on the bottom. In this process of digestion the bacteria gives off a gas and the gas raises to the surface carrying some material which forms a scum. Both scum and sludge should be kept out of the leach field so that plugging will be kept to a minimum. To repeat, this is done by the use of baffles, and regular pumping of the septic tank can mean considerable savings to the homeowner.

Bradford S. Leach,
Code Enforcement Officer/
Local Plumbing Inspector

ANNUAL REPORT OF THE CONSERVATION COMMITTEE

For the third consecutive year, the South Berwick Conservation Committee has administered a municipal shade tree planting program. More than thirty trees were planted along Main and Portland Streets during 1974. In all the Committee is responsible for the care and maintenance of approximately eighty trees planted through this shade tree planting program.

Selective cutting has been completed in the town forest. In addition, twelve acres have been pruned and ten acres weeded.

Two of our members have been active participants on the Zoning Advisory Committee, since the views of the Conservation Committee are important in the formulation of a workable and acceptable zoning ordinance.

Our goals for 1975 are threefold:

1. Continue the tree planting program to cover side streets within the core area of town.
2. Prepare a study report on the potential uses of the town forest.
3. Complete Inventory of Natural Areas, an index of all the various land use patterns and natural areas of the town.

In addition to the above, our continuing goal is to improve our service to the citizens of South Berwick in the area of conservation and land use.

Respectfully submitted,

David F. Stansfield
Chairman

REPORT OF THE LIBRARY ADVISORY BOARD

First of all, the Library Advisory Board wishes to express sincere appreciation to the many townspeople who have helped the South Berwick Public Library so generously with their time and talent and finances during 1974.

The Library, now three years old, takes pride in continuing to be of increasing service to the community. In 1974 book circulation increased more than 50% over 1973, and the number of patrons has more than doubled. The Town purchased about 265 new books in 1974, 80 of which were children's books bought with a much-appreciated grant from the Vaughan Fund, plus the World Book Encyclopedia. Also, in addition to several handsome memorial books, over 180 other books and numerous fine magazines were donated to the Library by various citizens and organizations.

The cost of library books and various services -- like everything else these days -- will be even higher in 1975. However, because South Berwick citizens -- just as taxpayers elsewhere -- are struggling to combat inflation and uncertain economic conditions, the Library Advisory Board is determined not to ask the Town for a penny more in 1975 than the amount appropriated (\$5,250) in 1974.

Two organizations are especially helpful in making it possible for the Library to operate adequately on such a modest budget. The Library is situated in the Eastman House which is owned by the Society for the Preservation of New England Antiquities; the Society not only gives the Town the use of the library rooms in the Eastman House, but also pays the major maintenance costs of the building. The other very helpful organization is the Friends of the South Berwick Public Library, and they have provided several badly needed improvements, including some new hallway floor coverings. The Friends, in cooperation with the York County Extension Service, have sponsored various instructional meetings about gardening, canning, and animal care. This has contributed appreciably to the overall usefulness of the Library to the community at large. (The Friends have also written up and submitted a proposal for a federal grant which, if received, will enable the community to be the recipient of many additional programs of practical use to its citizens.)

It is noteworthy that on August 24th the Library joined the Society in sponsoring a 200th Anniversary gala celebration of the Sarah Orne Jewett House next door to the Library. Over 200 people visited the Library that day and enjoyed the special refreshments which were provided by the Friends.

More civic groups -- including the York County Town Clerks Association -- are using the library facilities which are available for small and medium-sized meetings. Does your service group need a place to meet?

LIBRARY ADVISORY BOARD REPORT (Continued)

The Library is yours -- it belongs to the citizens of the Town, and it is designed to be of service to each one of you. If you need a book, or information which is not available at the South Berwick Public Library, the Librarian, Mrs. Margaret Colgate, will try to get what you need through our toll-free regional and statewide library network.

Mrs. Colgate has gone out during 1974 to speak to several organizations about the Library and about its books and services. Would your club or group like to have a Library program for one of its meetings?

In order to provide adequate service to the community, volunteer librarians are an absolute necessity since the Library budget allows for only one Librarian. The Library Advisory Board is deeply grateful to Kitty Davis who contributes two afternoons a week to the Library, and to Regina Perschy who is at the Library all day every Tuesday. There are several other volunteer librarians, including Angela Miniutti, Lib Brackett, Joanne Bryant, Dorothy Knight, and Norman Page, giving a total of over 750 volunteer hours.

It is also appropriate to mention that through a happy chain of circumstances, the Library was able to purchase in 1974, at very little cost, several early editions of books by Sarah Orne Jewett to add to its growing valuable Jewett collection.

Please come often to the Library -- and let the Librarian have your ideas about books to purchase, and any other suggestions you may have concerning the Library. Just as a reminder, the Library hours are:

Tuesday	9 a.m. to	5 p.m.
Wednesday	1 p.m. to	8 p.m.
Thursday	1 p.m. to	5 p.m.
Friday	1 p.m. to	5 p.m.
Saturday	9 a.m. to	12 noon

The Library telephone number is 384-2838.

Respectfully submitted,

Agnes Allen
Polly Daniels
Ronald Gimpel
Natalie Goodwin
Frederick Ochs
Regina Perschy
Carolyn Blouin (Chairman)

PLANNING BOARD REPORT

The South Berwick Planning Board held 28 meetings in 1974. These meetings are held at the Town Office on the 2nd and 4th Mondays of each month. All meetings are open to the public and the public is urged to attend.

This year the Planning Board reviewed and approved 35 certifications for power to individuals. This is required by State Law so that a Public Utility (Central Maine Power) does not serve an illegal sub-division.

The Planning Board approved two sub-divisions this year. The first for Ermino Ricci for 8 lots in Oldfields off of old Route 103 and the second for J. Russell Tarason for 3 lots on an extension of Hill Drive.

These sub-divisions and power certifications could mean an ultimate increase in population of between 150 and 200 persons.

On August 7, 1974 the State of Maine imposed a Shoreland Zoning Ordinance on the Town of South Berwick. This ordinance put all land within 250 feet of the Salmon Falls, Great Works, Piscataqua Rivers; Knights Pond, Warren Pond and Leighs Mills Pond into a resource protection zone. In order to enforce this ordinance a Building Permit Ordinance was passed and a Code Enforcement Officer was appointed. The Planning Board must review for approval or disapproval some activities in this zone.

In the coming year the Planning Board will continue to work on the off-street parking problem and on any proposal from NEECO regarding a pipe line carrying oil from the possible oil refinery in the Sanford area.

1975 should see the completion of the Soil Conservation District's Soil Survey of the town. This report together with its maps should be invaluable to the Planning Board and individuals in the town in order to best make use of our most valuable resource our land.

In closing I would like to thank the members of the Board for their work this past year and hope to see more of the general public at our meetings. We need your input and comments so that we can serve the Town in a way that will be of the maximum benefit to everyone.

Arthur W. Stansfield
Chairman

SOUTH BERWICK POLICE DEPARTMENT

SOUTH BERWICK EMERGENCY AMBULANCE AND RESCUE, INC.

1974 ANNUAL REPORT

The year 1974 was busy and productive for the Rescue Squad. We answered 155 emergency calls during the year.

During this time we purchased a \$6,000 radio system, complete with 4 mobile units, a base unit, and 6 pages. The pages allow members, who are on call, freedom to go about town and still be readily available if needed for an emergency. Both ambulances can be dispatched locally, and be in a position to communicate directly with the emergency room, to relay vital signs and receive information from the doctor on call.

Mrs. Schindler has completed another tremendous year as dispatcher for our Squad - answering calls on a 24-hour basis.

During 1974, five new members have joined the ranks of the Rescue Squad: Paul Roberts, Judy Cavicchi, Thomas Welter, Victor Elios, and Dave Gold.

Many first aid courses have been attended by the squadmen. Mr. Maynard Hanson instructed a course at the station for all members during 1974. Presently we have six squadmen attending E.M.T.A. (Emergency Medical Technician Ambulance) eighty-hour courses. This will bring to eight the number of E.M.T.A. personnel on our Squad. Our own standards now require all members to be certified E.M.T.A.

Once again our thanks for the support received from all the people of our community. Your generosity to our Squad allows us to better respond to your needs in an emergency.

S.B.E.R.

REPORT OF THE SOUTH BERWICK RECREATION COMMISSION
1974

We are completing what we on the committee consider to be a highly successful year with the services of our new part-time director, Michael Corriveau.

Last summer saw a 6 week program of daily events including playground activities and story time for preschool children, floor-hockey, basketball, softball, archery, gymnastics, and arts and crafts all centered around a swim lesson program. Approximately 600 children participated in the swim lessons, and we were able to offer them free of charge due to the generosity of the people at Spring Hill who allowed us to use their beach, and the Bible Speaks who helped out with their buses.

In addition to the previously mentioned activities, we made available, at a minimal rate, lessons in such skills as baton, early American handicrafts, needlework, photography, art and tennis. Some 70 persons of all ages participated in the tennis instruction at the Bible Speaks' courts.

Special events for the summer included children's theatre, a 40-mile bicycle trip, and 3 community swims at Dover Pool. Two hundred persons attended the 2nd South Berwick Day at Fenway Park and 120 children and chaperons visited Benson's Animal Farm. As a finale to the season, the 1st Annual South Berwick Festival Day was held under our auspices with various local organizations cooperating. The day included a free outdoor band concert, a chicken barbecue, a crafts display, an antique car parade, ball games and open house at several of the historic homes.

We also lent financial support to Senior League Football, Little League, Minor League, and Babe Ruth Baseball, and the new girl's Softball League.

With the aid of professional planners we have developed plans for a much-needed Recreation-Playground area at Central School. Stage 1 of this plan will be implemented this summer since the Directors of S.A.D. #35 have seen fit to allow us \$3,250.00 of money remaining from their building fund.

Winter recreation is well underway with Bitty Basketball continuing and with winter sports at Powderhouse Hill available free to all townspeople. Thusfar snow conditions have cooperated and the new facilities at the Hill are seeing much use.

Report of the South Berwick Recreation Commission
Page two

It is the desire of the Recreation Commission to promote and provide community-wide recreation on a year-round basis for the residents of all ages. We hope that our programs will reach persons of all interests, and that in providing such activities we can promote better community spirit. We are preparing our summer program at this time and are always ready to receive suggestions. Our meetings are open to all.

The Commission wants to thank all persons and groups who have aided us in our successful year, particularly Dr. McGray and the Directors of S.A.D. #35 for the use of the facilities at the schools, John Scharf at Spring Hill, the Trustees of the Vaughn Fund for their enthusiastic cooperation with our program, our bus drivers, coaches and instructors, and all the people of the town whose response has been most gratifying.

Respectfully submitted,

Cynthia Gagnon, Secretary

REPORT OF THE SOUTH BERWICK FIRE DEPARTMENT

For the year 1974 the South Berwick Fire Department responded to the following alarms:

Box Alarms

Building Fires	9
Woods, grass and rubbish	24
Vehicle fires and accidents	10
Furnace and Oil burner fires	2
Fires involving electrical equipment	9
Dump fires	10
Chimney fires	4
False Alarms	7
Mutual Aid Calls	25
Other calls	7
Still Alarms	<u>26</u>

Total 133

In 1973 the Fire Department responded to a total of 99 calls. This year we had a 33% increase in calls.

George Gorman, Fire Chief

REPORT OF THE YORK COUNTY DISPOSAL DISTRICT #1

The York County Disposal District #1 was officially established at a meeting in Kittery on September 25, 1974, attended by Directors appointed by the member towns, York, Kittery, Berwick and South Berwick. The District was formed pursuant to and in accordance with the procedures established in the Regional Refuse Disposal District Enabling Act, Chapter 15 of Title 38, Revised Statutes of the State of Maine, effective May 17, 1973. It is the first regional district to be established under that act.

The purpose of the District is to develop and operate, for the four member towns and the Kittery Naval Shipyard, a joint solid waste disposal facility. This single facility will replace the various dumps, incinerators and other disposal systems now in use by the towns and the shipyard. It will, we hope, be an improvement on the older systems and it will conform with the state regulations which become effective in July, 1975.

Before the year's end the District had examined a number of potential sites for the planned facility and obtained options on two of them. We also adopted an operating budget for 1975 together with a schedule of assessments for the member towns, apportioned on the basis of projected tonnage of waste for each town.

The operating budget for 1975 is as follows:

Option money	\$5,000.00
Professional Services	25,000.00
Personnel Payments	10,000.00
Office Expenses	1,000.00
Rent	<u>1,000.00</u>
Total	\$42,000.00

The assessments for the member towns are as follows:

York	\$16,807.00
Kittery	14,590.00
Berwick	5,855.00
South Berwick	<u>4,748.00</u>
Total	\$42,000.00

The Naval Shipyard is not a member of the District and cannot contribute to planning or operating costs. It is anticipated that the Shipyard will make a contribution of capital funds, to be negotiated with the District, and will pay for the disposal services provided on the same basis of waste tonnage as will apply to the member towns.

John N. M. Howells, Chairman, Kittery
 Earl Johnson, Treasurer, Kittery
 Stuart R. Cressey, Secretary, Kittery
 Clifford B. Ham, South Berwick
 James D. Hanson, York
 Lyle L. Littlefield, Berwick
 Leon Moulton, York

SOCIAL SERVICES

I would like to submit the following report on Social Services in South Berwick:

In the past year everything has doubled and even tripled in some areas. Unemployment has added many families to our list, and serious illnesses to heads of households have also been very high on the list.

I have applied for Disability Social Security and Social Security for a number of people which takes many months before they receive benefits. Many times I have had to seek the help of our State Representative, Harland Goodwin, Jr., to expedite matters.

Food Stamps have been a great asset to our community.

My duties also consist of shopping for the elderly, transporting both young and elderly to doctors, dentists, drug stores, hospitals, etc; attending monthly meetings at York Hospital, and Welfare Directors' meetings in Augusta, as well as numerous calls to Health and Welfare and the Food Stamp Office.

Respectfully submitted,

Jeannine M. Higgins,
Social Worker

IMPORTANT NEW ORDINANCES

In 1974 the State of Maine imposed two important ordinances upon South Berwick.

The new ordinances are:

1. The Shoreland Zoning Ordinance.

This ordinance basically places a moratorium on all new construction of State classified bodies of water within South Berwick. All of the rivers and ponds within South Berwick are classified waters.

2. The New State Plumbing Code.

This ordinance provides for a precise procedure to be followed by anyone desiring to install a sewage disposal system of ANY type. Household systems are included in this ordinance.

Copies of these ordinances are available at the Town Offices. Questions should be directed to the Code Enforcement Officer, Mr. Bradford Leach.

AUDITORS' REPORT

Honorable Town Council
Town of South Berwick
South Berwick, Maine

We have examined the balance sheet and related statements of operations, changes in fund balances and unappropriated surplus of the Town of South Berwick, Maine for the year ended December 31, 1974. Our examination was conducted in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The balance sheet for the prior year was examined by a Public Accountant.

The Town has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the accompanying balance sheet and related statements of operations, changes in fund balances and unappropriated surplus present fairly the financial position of the Town of South Berwick, Maine, at December 31, 1974 and the results of the operations of the various funds for the year then ended, in conformity with generally accepted accounting principles.

The accompanying auditors' comments and related information presented on pages 8 - 11 are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Berry, Dunn & McNeil

January 24, 1975

TOWN OF SOUTH BERWICK, MAINE

TOWN OF SOUTH BERWICK, MAINE

Notes to Financial Statements

December 31, 1974

Note 1. Summary of Significant Accounting Policies

The accompanying financial statements are presented on an accrual basis except, consistent with practice of prior years, unpaid bills at December 31, 1974 were not charged to the operations of the Town for the year. The effect on departmental operations of these unrecorded liabilities follows:

Unentered Payables at December 31,		Charges to Appropriations Understated (Overstated)
<u>1974</u>	<u>1973</u>	
<u>\$9,528</u>	<u>\$7,370</u>	<u>\$2,158</u>

Note 2. Note Payable

The Town obtained a Temporary Loan pursuant to Special Town Meeting December 8, 1973 for the purpose of purchasing and renovating the St. Michaels School for Town offices. A long-term 5% note payable was obtained from the Farmer's Home Administration on January 30, 1975 of \$155,000 which is payable in annual principal installments of \$3,000 commencing January 1, 1976 through 1981, \$4,000 through 1986, \$5,000 through 1995, \$7,000 through 2,004 and \$9,000 on January 1, 2005.

Auditors' Comments

The following comments relate to the accompanying financial statements and to the scope of our examination.

GENERAL FUND

Cash

Cash balances of the various funds at December 31, 1974 were reconciled to amounts reported directly to us by the depositories. Cash receipts and disbursements as recorded by the bank were reconciled for selected periods to the records of the Town.

A summary of cash receipts and disbursements and bank reconciliation as of December 31, 1974 follows:

Cash balance at January 1, 1974		\$140,843
Add:		
Cash collected on taxes receivable and taxes receivable secured by liens and deeds	\$438,776	
Other cash receipts	<u>378,229</u>	<u>817,005</u>
Total available		957,848
Deduct:		
Cash disbursements charged to operations	\$835,186	
Other cash disbursements	<u>22,686</u>	<u>857,872</u>
Cash balance at December 31, 1974 - per bank	\$128,838	
Add deposit in transit	7,481	
Deduct checks outstanding	(<u>36,393</u>)	
Total cash on deposit	99,926	
Cash on hand	<u>50</u>	
Cash balance at December 31, 1974		<u>\$ 99,976</u>

Taxes Receivable

Amounts owed for taxes receivable and taxes receivable secured by deeds and liens at December 31, 1974 were supported by detailed listings from subsidiary records. The balances owed were verified on a test basis by direct correspondence with debtors and by examination of tax liens on file in Treasurer's office.

A summary of the 1974 valuation, taxes assessed and committed and taxes collected follows:

	<u>VALUATION</u>		<u>Total</u>
	<u>Real Estate</u>	<u>Personal</u>	
Resident	\$10,193,140	\$614,805	\$10,807,945
Non-resident	<u>1,975,450</u>	<u>317,570</u>	<u>2,293,020</u>
	<u>\$12,168,590</u>	<u>\$932,375</u>	<u>\$13,100,965</u>
Tax rate			\$.034
Real estate and personal taxes assessed			\$ 445,433
State inventory and livestock taxes assessed			<u>5,067</u>
1974 tax commitment			450,500
Supplemental taxes assessed			<u>425</u>
Total			450,925
Deduct:			
Tax collections		\$406,996	
Abatements		<u>393</u>	<u>407,389</u>
1974 taxes receivable at December 31, 1974			\$ <u>43,536</u>

Estimated Uncollectible Taxes

As of December 31, 1974 the provision for estimated uncollectible taxes was adjusted to the amount of uncollected taxes which were committed prior to 1973.

Revenues and Expenditures

Revenue receipts were tested to source data and recorded amounts were traced to the general records of the Town. Invoices and other data were examined in support of expenditures for selected periods and selected payrolls were tested.

CAPITAL RESERVE FUND

A schedule analyzing the changes in the Capital Reserve Fund is included herein. Cash on deposit in savings banks was confirmed directly to us by the depositories.

TRUST FUND

A schedule of the Trust Fund is included herein. Cash on deposit in savings banks was confirmed directly to us by the depositories.

BUILDING FUND

The Town purchased the St. Michaels School building at a cost of \$85,700 which is currently being renovated for Town offices. The total estimated cost of \$185,000 is to be financed with \$30,000 of Federal Revenue Sharing funds and long-term notes not to exceed \$155,000. (See notes to Financial Statements #2)

South Berwick Sewer District,
South Berwick, Maine

Rochester, New Hampshire
January 16, 1975

To the Board of Directors:

We have examined the balance sheet of the South Berwick Sewer District as of December 31, 1974, and the related statements of income and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of income and changes in financial position present fairly the financial position of the South Berwick Sewer District at December 31, 1974, and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

ACCOUNTANTS' REPORT

Board of Trustees
South Berwick Water District
South Berwick, Maine

We have examined the balance sheet of South Berwick Water District at December 31, 1974 and the related statements of income and retained earnings and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except as stated in the following paragraph.

We were not present to observe the physical count of material and supply inventories at December 31, 1974 and 1973. We have, however, been able to satisfy ourselves concerning inventory quantities by alternate audit procedures.

In our opinion, the aforementioned financial statements present fairly the financial position of South Berwick Water District at December 31, 1974, and the results of its operations and the changes in its financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

SOUTH BERWICK WATER DISTRICT
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1974

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Property, Plant and Equipment:

Utility plant is stated at cost and depreciation on the straight line methods at rates varying from 5 to 100 years.

Expenditures for maintenance and repairs are charged to expense currently. Upon sale or other retirement of depreciable property, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is charged or credited to the accumulated depreciation account as mandated by PUC accounting regulations.

Materials and Supplies:

Inventories of materials and supplies is stated at cost.

Unamortized Debt Discount and Expense:

Cost incurred to issue long-term bonds together with discounts allowed at time of sale are amortized on a straight line basis over the term of the bond issue.

NOTE 2 - INVESTMENTS:

Bond Sinking Fund:

Custody of sinking fund assets is maintained by the Trustees of the District. A statement of financial condition of the fund is contained in Schedule A-1.

NOTE 3 - LONG-TERM DEBT:

First Issue Bonds - 4 1/2%	\$190,000.
----------------------------	------------

These bonds were issued on October 1, 1960 and mature on October 1, 1980. One percent of the outstanding balance is appropriated from income each year and added to a sinking fund to retire the bonds.

Second Issue Bonds - 4 1/2%	\$ 95,000.
-----------------------------	------------

These bonds mature as follows: 5 on the 15th day of June in each of the years 1975 to 1979; 40 on the 15th day of June 1980 and 30 on the 15th day of June 1981.

NOTE 4 - OTHER AMORTIZATION:

This represents the cost of drilling a new well during the year which proved to be unproductive.

ANNUAL REPORT - "VAUGHAN FUND"

To: Richard P. Gagnon, Chairman of the Trustees, the Trustees,
 and Citizens of South Berwick:

I am pleased to submit herewith the audit of my stewardship as Secretary-Treasurer of the Vaughan Fund Trustees for the period beginning with the appointment of the Town Council as Successor Trustee u/w/o Elizabeth R. Vaughan in the latter part of 1971 to December 31, 1974.

This will also serve as my report for the fiscal year January 1 to December 31, 1974.

Respectfully submitted,

Alvin E. Delorey
 Secretary-Treasurer to the
 Town Council of South Berwick
 Acting as Successor Trustee u/w/o
 Elizabeth R. Vaughan

AUDITORS' REPORT

Town Council of South Berwick,
Successor Trustee
Elizabeth R. Vaughan Fund
South Berwick, Maine

We have examined the Statement of Condition of the Elizabeth R. Vaughan Fund as of December 31, 1974 and the related Statements of Income and Changes in Fund Balance for the three years then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements mentioned above present fairly the financial position of the Elizabeth R. Vaughan Fund at December 31, 1974, and the results of its operations for the three years then ended in accordance with generally accepted accounting principles and the provisions of the will under which the Fund is operated. The supplementary data has been subjected to the same auditing procedures and, in our opinion, is stated fairly in all material respects when considered in conjunction with the basic financial statements taken as a whole.

Berry, Dunn & McNeil

TOWN OF SOUTH BERWICK, MAINE

WARRANT

State of Maine
County of York, ss.

To Leon H. Planche, Constable of South Berwick in the
County of York, State of Maine.

Greetings:

In the name of the Town of South Berwick you are required to notify the inhabitants of said Town qualified to vote in Town affairs to assemble at the Civic Center (Town Hall) in said Town on Saturday, the 22nd day of March, A.D., 1975, at 6 o'clock in the forenoon, then and there to act on the articles below.

ARTICLE 1. To elect a Moderator to preside at said meeting.

ARTICLE 2. To elect two Councilmen for three years, and one member of the Board of School Directors of S.A.D. #35 for three years.

Polls will be open from 6 a.m. to 2 p.m. The business session will be at 7:30 p.m. at the South Berwick Civic Center.

ARTICLE 3. To see if the Town will vote to authorize the Town Council and Town Manager on behalf of the Town to sell and dispose of any Real Estate acquired by the Town for non-payment of taxes thereon, on such terms as they deem advisable and execute quit-claim deeds on such property, with the understanding that any property deeded before the tax commitment date will be taxed this year to the grantee.

Council recommends adoption.

ARTICLE 4. To see if the Town will vote to authorize the Tax Collector to charge and collect interest at a rate of ten (10) percent per annum, to be retroactive to September 1, 1975, on all taxes not paid on or before November 14, 1975.

Council recommends adoption.

ARTICLE 5. To see if the Town will vote to authorize the Town Council and Town Manager to sell, discharge, and assign tax mortgage liens for not less than the amount unpaid and interest and costs thereon. If, however, after soliciting public sealed bids such money is less than the accrued taxes and other costs, the Town Council and Town Manager may re-advertise such property through sealed bid and sell such property to the highest bidder if it seems in the interest of the Town.

Council recommends adoption.

ARTICLE 6. To see if the Town will vote to authorize the Town Council and Town Manager to expend funds from the Highway Department Equipment Account as expenditures become necessary to purchase and/or replace Highway Department Equipment.

Council recommends adoption.

ARTICLE 7. To see what sum of money the Town will vote to raise and appropriate for operation of the Town Office, Town Officers' Salaries and Administrative Expense.

Councilmen 5 @ \$200	\$ 1,000
Administration Salary	10,935
Expenses-Manager & Officials	1,950
Legal Costs	2,350
Clerical Assistance & Clerk	7,615
Town Office Expenses	11,050
Capital Equipment-Town Office	<u>1,500</u>

Council recommends \$36,400

ARTICLE 8. To see what sum of money the Town will vote to raise and appropriate to be expended by the Recreation Committee for snowmobile trails and bridges.

Council recommends \$500

ARTICLE 9. To see what sum of money the Town will vote to raise and appropriate for Election Expenses, Property Tax Assessment, Interest Costs, and Municipal Building Debt Service.

Elections	\$ 1,150
Property Tax Assessment	4,200
Interest Costs	4,000
Municipal Bldg. Debt Service	<u>1,400</u>

Council recommends \$10,750

ARTICLE 10. To see what sum of money the Town will vote to raise and appropriate for Hydrant Rental, Sewer Rental, Street Lighting, and Dispatch Services for the Fire and Police Departments.

Hydrant Rental	\$ 9,130
Street Lights	12,000
Sewer Rental	9,440
Alarm-Dispatch Services	<u>9,900</u>

Council recommends \$10,000 from Revenue Sharing for street light costs, and a regular appropriation of \$30,470. Total: \$40,470

ARTICLE 11. To see what sum of money the Town will vote to raise and appropriate for the Highway Department.

Highways, Streets & Sidewalks (including surfacing and stabilization)	\$49,470
Snow Removal	22,000
Town Dump	3,000
Town Garage	2,000
Tree Removal & Planting	<u>2,100</u>

Council recommends \$12,000 from Revenue Sharing and an appropriation of \$66,570. Total: \$78,570

ARTICLE 12. To see what sum of money the Town will vote to raise and appropriate for the purchase of a used road grader for road maintenance and snow removal.

Council recommends \$20,000

ARTICLE 13. To see what sum of money the Town will vote to raise and appropriate for support of the South Berwick Public Library.

Council recommends \$5,000

ARTICLE 14. To see what sum of money the Town will vote to raise and appropriate for the operation and equipping of the Fire Department.

Council recommends \$10,000 from Revenue Sharing and an appropriation of \$12,975. Total: \$22,975

ARTICLE 15. To see what sum of money the Town will vote to raise and appropriate for the operation of the Police Department, Dog Control, and Civil Defense.

Police Department	\$55,440
Dog Control	380
Civil Defense	<u>420</u>

Council recommends \$10,000 from Revenue Sharing and an appropriation of \$46,240. Total: \$56,240

ARTICLE 16. To see if the Town will vote to transfer a sum of money from the Reserve for Tax Losses and Liens Account for the purpose of Tax Abatements.

Council recommends transferral of \$3,000

ARTICLE 17. To see what sum of money the Town will vote to raise and appropriate for Social Services.

Town Welfare & Social Worker	\$12,200
Health Clinics	500
Homemaker Services	<u>200</u>

Council recommends \$12,900

ARTICLE 18. To see what sum of money the Town will vote to raise and appropriate for Town Planning, Zoning Advisory Committee, Recreation Committee, Parks and Conservation Committee, and others.

Planning Board	\$ 1,610
Regional Planning Comm. Dues	305.95
Zoning Advisory Committee	780
Parks & Conservation Committee	100
Recreation Committee	2,625
Bicentennial Committee	500
Zoning Board of Appeals	<u>1,500</u>

Council recommends \$7,420.95

ARTICLE 19. To see what sum of money the Town will vote to raise and appropriate for Portsmouth-Kittery Armed Services Comm. and Memorial Day Services.

Armed Services Committee	\$ 100
Memorial Day	<u>400</u>

Council recommends \$500

ARTICLE 20. To see what sum of money the Town will vote to raise and appropriate for a Code Enforcement Officer.

Council recommends \$3,000

ARTICLE 21. To see what sum of money the Town will vote to raise and appropriate for Insurance and Retirement Benefits.

Workmen's Compensation	\$ 3,400
Building, Fleet, & Liability Policies	7,455
Health Insurance	3,100
Social Security & Retirement	<u>10,600</u>

Council recommends \$24,555

ARTICLE 22. To see what sum of money the Town will vote to raise and appropriate for Municipal Building Expenses.

Utilities:	\$ 5,410
Maintenance & Supplies	<u>1,240</u>

Council recommends \$6,650

ARTICLE 23. To see what sum of money the Town will vote to raise and appropriate for joint installation of gasoline pumps with S.A.D. #35.

Council recommends \$1,660

ARTICLE 24. To see what sum of money the Town will vote to raise and appropriate for surveying and parking areas at the Town Forest.

Council recommends \$2,000 from the Town Forest Savings Account.

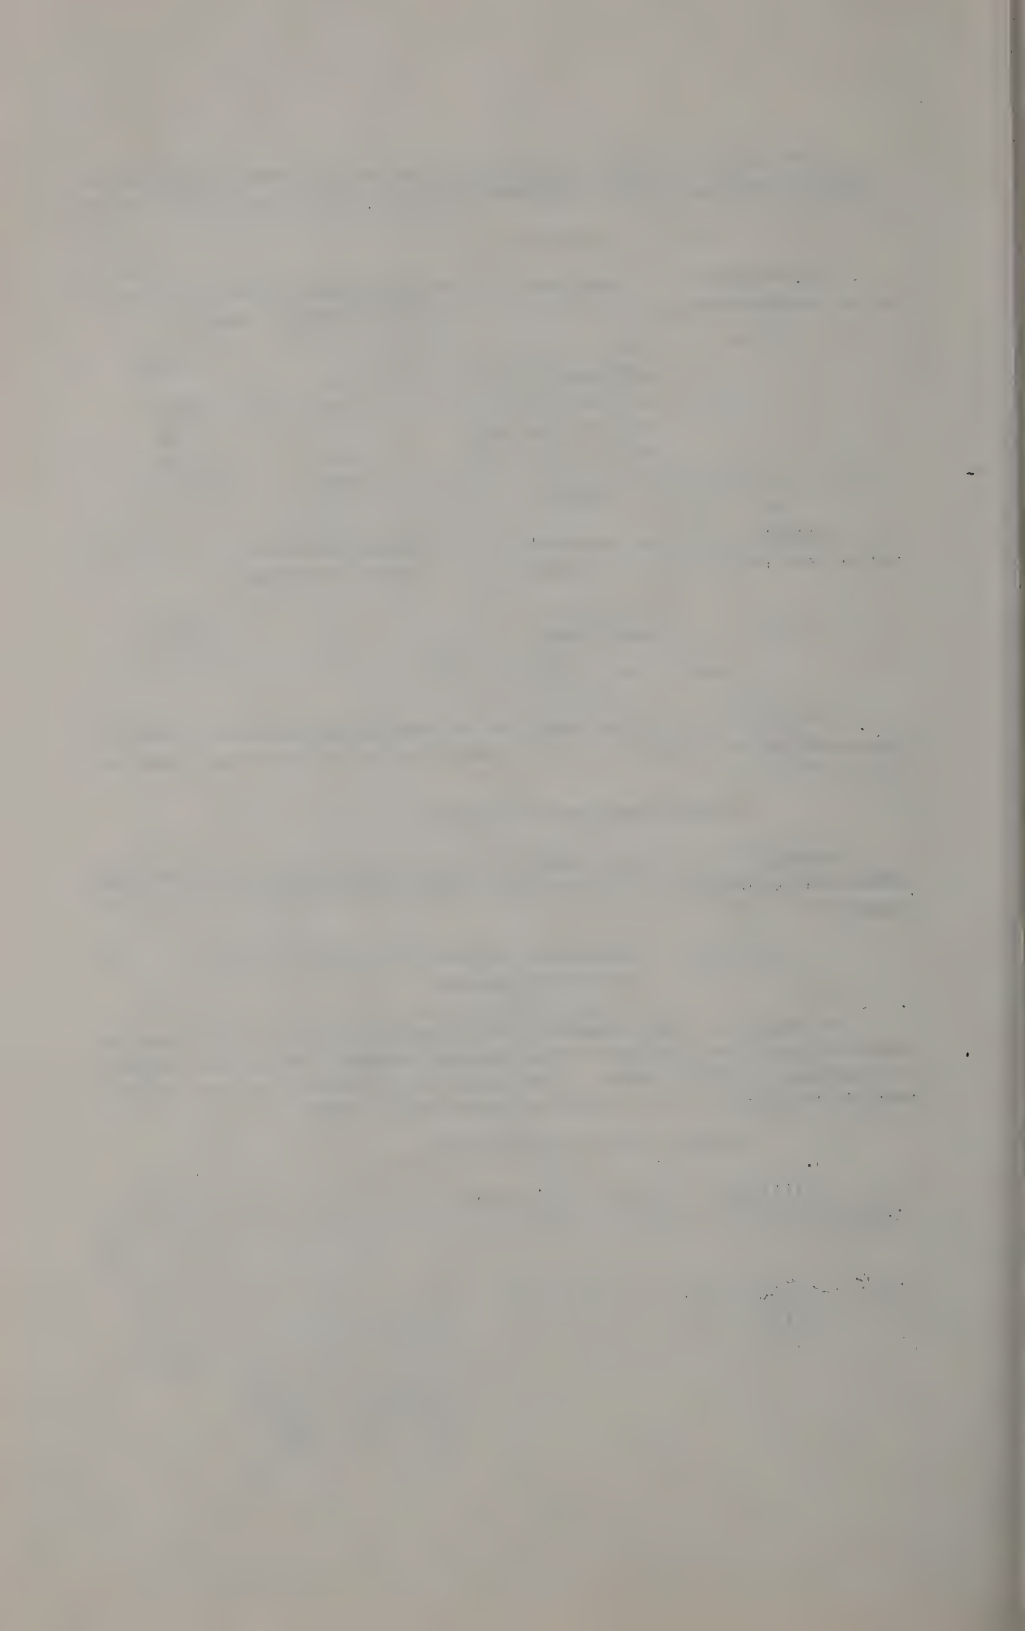

ARTICLE 25. To see what sum of money the Town will vote to appropriate from Unappropriated Surplus Account to be used toward the payment of 1975 Budget appropriations; thereby decreasing the amount of money to be raised by taxation in 1975.

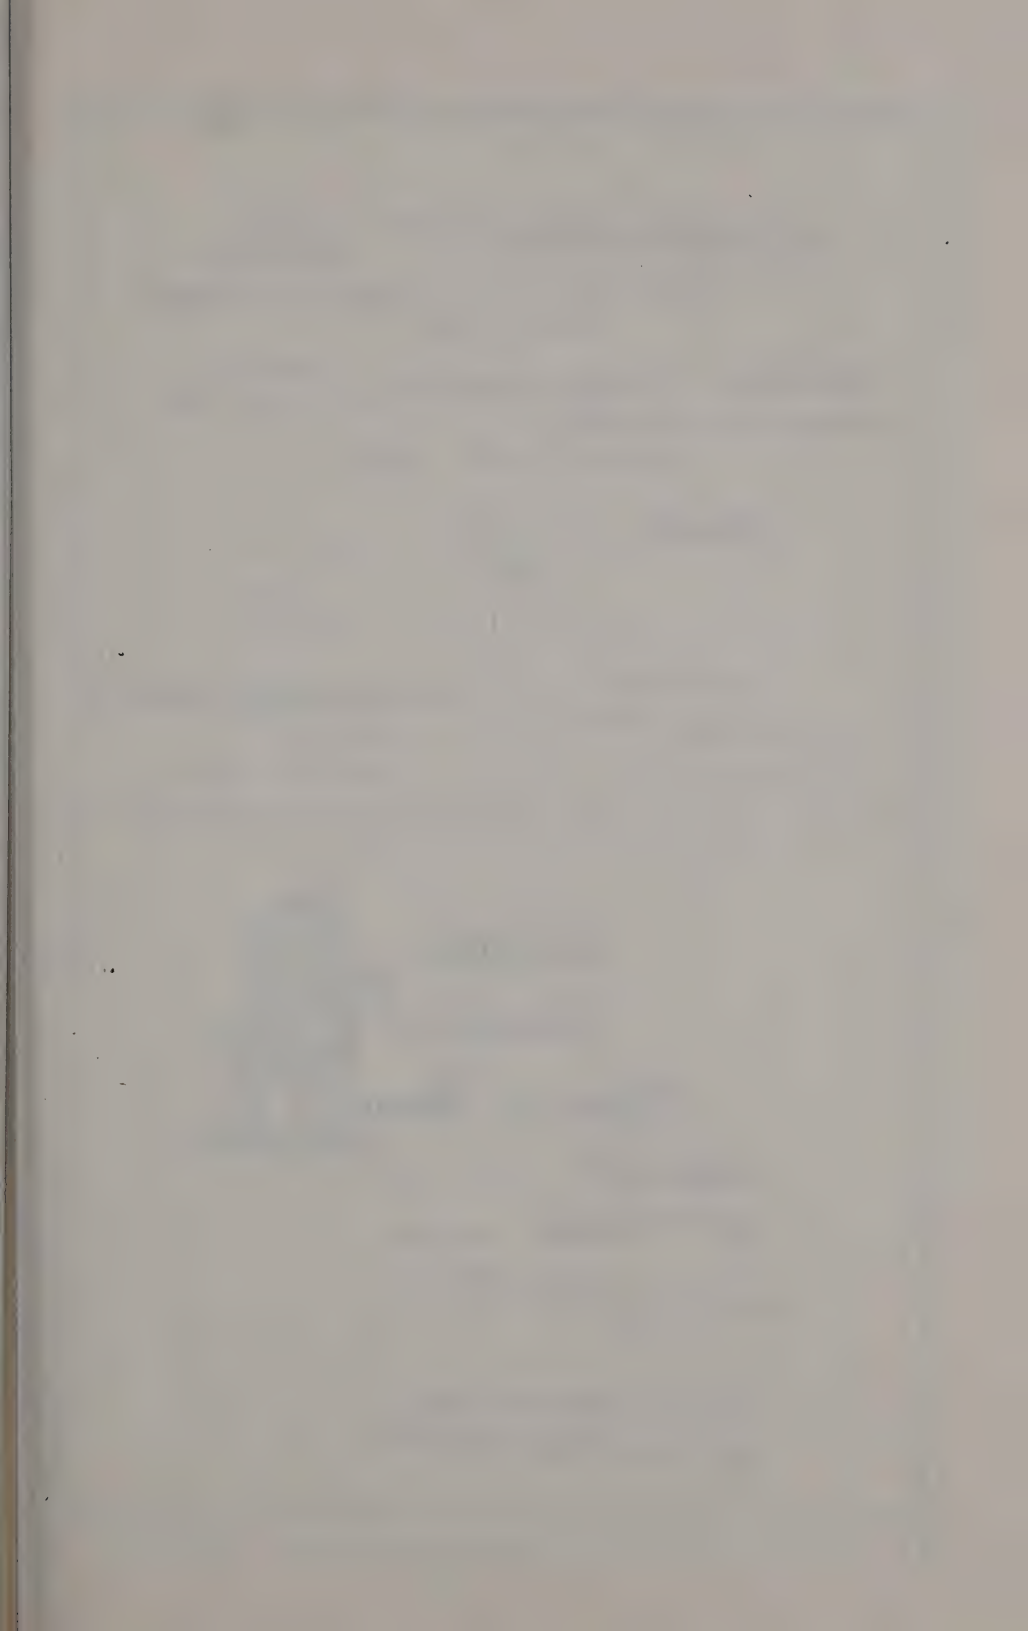

Council recommends \$40,000

ARTICLE 26. To see if the Town will vote to adjourn the Town Meeting.

Given onto our hands in the Town of South Berwick this fifth day of March, 1975, A.D.

TOWN MANAGER'S REPORT

To The Honorable Town Council and
Citizens of South Berwick:

It is with pleasure that I submit the Annual Town Report for the year 1975. This report is an attempt to depict the services delivered by your local government and all relevant financial information of the Town Government. The sole purpose of this report is to assure that you, the taxpayer, are made aware of how and why local decisions are made. These decisions determine where your tax money is spent and the type, number, and quality of services your community provides.

Progress Report

During 1975 the major items of importance to the Town included: A proposal for a major development in the Agamenticus region; continued efforts to develop a comprehensive Zoning Ordinance, the Town being included in the Federal Areawide Wastewater Study Program ("208" Program), and the hiring of a part-time Code Enforcement Officer.

The Town Council was approached by Mr. Anthony Zahn of Oklahoma in the Spring of 1975 concerning a housing development which included several thousand acres around Agamenticus Mountain. A request was made that a poll be taken of townspeople to find out if they wished to see this land developed. The results showed that townspeople did not want to see this large development come into the area. After the vote was taken several attempts were made to secure prices and specific title information in order to negotiate a purchase by York and South Berwick, hopefully, with state and federal aid. However, this task was not successful.

The Zoning Advisory Committee spent 1975 in continued work toward a comprehensive Zoning Ordinance proposal. It appears that it will be completed within the next few months.

The Town Council, in the summer, voted to join into a federal study program through the Southern Maine Regional Planning Commission which will be looking at areawide solutions to wastewater pollution problems. This program will potentially assist in improving the present primary sewage treatment plant to a secondary treatment process and extending sewer mains to areas of town not now served.

In June, Mr. Roland Geib was hired as part-time Code Enforcement Officer (building and plumbing inspector). This position was basically brought into being because of new state and federal laws which require the town to enforce important health and safety standards. These laws include: State Plumbing Code of 1974, the State Mandatory Shoreland Zoning Ordinance of 1974, and the National Flood Insurance Program of 1975. All of these laws are designed to protect ourselves and our children from disease and large losses of property due to natural disasters.

MANAGER'S REPORT (Continued)

Departmental Operations

The Fire Department was active in 1975 in providing protection to the town and in assisting in fighting several large fires in neighboring communities. The fire truck ordered in 1973 was nearing completion as 1975 ended. It should be delivered before the Annual Town Meeting. In this report you will find a tear-out sheet on which to list information about your home. It is important that this sheet be completed and sent to the Fire Department. It will insure that, in case of an emergency at your home, the firemen know what to expect.

The Highway Department was very busy in 1975. Construction work of a major scale was completed on the Emery's Bridge Road and the Bennett Lot Road. A complete summary is included in this report.

The Police Department experienced a turn-over in personnel in the fall. The new Chief, John Montgomery, and the new officers, Timothy Berry and John Mason, are working diligently to provide quality law enforcement at all times. In September federal funding of the four dispatchers hired in August 1974 ran out and because all attempts to get area towns to share in the service were unsuccessful the service was discontinued. An agreement was made for the Kittery Police Department to provide dispatching service. This arrangement appears to be the only solution available at this time due to the great expense involved in running a service within town (approximately \$30,000 per year).

Future

In 1976 the major concerns of the town will center around providing a solution to the solid waste disposal problem, seeing the proposed Zoning Ordinance through to a presentation to the town, working toward more adequate and professional tax assessment and, of course, meeting the everyday needs of you, the citizen and taxpayer.

Conclusion

Every day I see the good results of difficult tasks being tackled and accomplished by all of the town officials and employees. I thank these people, for without their work my job would be impossible.

Respectfully submitted,

Rudolph Naples
Rudolph Naples

I hate the word, "TOWN". I hate it because it allows people to divorce themselves from their community. It's all too easy to say, "Why did the TOWN do this?" or "Why didn't the TOWN do that?". The TOWN is no more than YOU and your neighbors. Wouldn't it be better if TOWN of South Berwick was replaced by WE of South Berwick?

REPORT OF THE SOUTH BERWICK BICENTENNIAL COMMITTEE

1975 was a busy and productive year for the members of the South Berwick Bicentennial Committee. Originally planned as a seven-member group, the Committee soon expanded to sixteen, then twenty members as numerous townspeople sought to help South Berwick plan its celebration of our nation's 200th anniversary. Additional townspeople have attended our open meetings (first Monday of each month in the town library at 7 p.m.) and meetings of organizations to which they belong at which members of the Bicentennial Committee have spoken. These occasions have been an important way of determining just what type of Bicentennial celebration South Berwick should have.

As a matter of fact, our first major project was a straw poll conducted last Town Meeting Day to determine what project the people of our town would most like to see undertaken as a lasting memorial of the Bicentennial. The top choices were beautification and preservation of the downtown business area and the idea of a Village Green in front of the Municipal Building.

In April the committee members voted unanimously to seek permission from the Town Council to plan and landscape a Village Green. This became the chief aim of the Horizons sub-committee, which concerns itself with a lasting gift to the community. Two other sub-committees were also formed in April: the Heritage sub-committee, concerned with the town's past history, and the Festival sub-committee, which is planning gala celebrations and community activities.

South Berwick was recognized as an official Bicentennial Community in the summer of 1975 and colorful ceremonies marked the official presentation of the nation's Bicentennial flag to town officials on August 17. On January 20, 1976, an even more rewarding honor came our way when the Maine State Bicentennial Commission voted to grant South Berwick \$2,000 toward construction of a Village Green. This would doubtless have been a far smaller amount had the Commission not been impressed by the support the town has given our committee. In addition to the \$500 voted the committee at the 1975 Town Meeting, we have raised an additional \$4,700 as of this printing through a Walkathon on Columbus Day, a Bicentennial Luncheon on the day of the Historical Society's Open House Tour, our own "Christmas in South Berwick" House Tour, a Donkey Basketball Game, bake sales, raffle, commemorative coin, plate and mug sales and several gifts from organizations in South Berwick. The money thus raised and yet to be raised from future events is allocated to two major projects: Old Home Week, with a budget of \$3,000, all of which is being raised by our committee, and the Village Green; this is to be financed by the state grant, our request to the town, and our additional fund-raising. When the Committee disbands at the end of this year, any funds remaining in our account will be allocated to the future maintenance of the Village Green.

We hope to make the Village Green a small garden spot in the center of our town, including the planting of trees, evergreen and flowering shrubs, hedges, and ivy on the face of the building as well as annuals in bloom. Old Philadelphia gas-style electric lights will line the walkways and park benches will be available to visitors. Additionally, if funds are available,

BICENTENNIAL REPORT (Continued)

Williamsburg brick walkways will lend their charm to the area. The Green will be dedicated on Sunday, June 20, the first day of South Berwick's Old Home Week.

Prior to that, on March 12 and 13 we will present a re-showing of the Warner Brothers' film, As the Earth Turns, based on Gladys Hasty Carroll's book of the same name, and modeled on the outdoor production that drew thousands to our town during the 1930's.

April will bring the whole community out, once again, as some of our local thespians produce a special "Bicentennial It-zariot." Finally, on May 1, the official South Berwick Celebration of our country's birthday will be kicked off with a Bicentennial Ball. On this night also, the name of South Berwick's honorary citizen will be announced. This person will be Grand Marshall of the parade on June 27.

Old Home Week itself will be a full week of just plain fun with the whole town joining in. This hasn't happened in South Berwick since 1936. As of this printing, the plans are as follows:

The Heritage sub-committee is looking for and will display in local store windows pictures of South Berwick's past. This memorabilia will be on display from June 5 - 27. The week itself begins on Sunday, June 20, with a costumed Ecumenical Church Service and dedication of the Village Green. A town crier will invite everyone out to Spring Hill for a Community Cook-out and Field Day with games and contests for all. Monday night's feature is a ball game between beards and non-beards, while Tuesday will bring a night of outdoor music, Tanglewood-style, at Hamilton House. Wednesday is Children's Day, with a Children's Parade, contests, picnic, etc. organized by the Recreation Committee. Fun Night on Thursday includes a Kangaroo Court for those incorrigible Tories who have gone beardless without a permit, beard-judging and ladies' hat-judging for more right-minded Patriots, a coin auction and presentation of the Bicentennial Quilt. On Friday, June 25, the Committee will sponsor a Street Dance in the Square, while the Fire Department will demonstrate antique hand-pumpers nearby.

The "First Annual" Great Works River Canoe Race will be held on Saturday morning, June 26, with many categories and prizes. Meanwhile, on the new Village Green and in front of Central School, there will be an all-day Strawberry Festival Crafts Show and Crafts Demonstration - a real treat!

Old Home Week climaxes on Sunday, June 27, with a Parade that begins at 1:30. Bands, floats from numerous local organizations, marching units, antique autos, balloons, dignitaries, militias, equestrians, the works!

Your committee has enjoyed planning and implementing South Berwick's share of our nation's 200th anniversary, and we are sure that those events yet to come will be equally well received by the people of a town that has its own unique place in history.

Respectfully submitted,

Jeffrey Davis, Chairman
Lindsay Weilbacher,
Secretary

REPORT OF THE CODE ENFORCEMENT OFFICER

June 1, 1974 I was appointed Code Enforcement Officer replacing Bradford Leach, who has remained as alternate Code Enforcement Officer and Local Plumbing Inspector.

Mr. Leach had been Local Plumbing Inspector and was appointed Code Enforcement Officer October 1974. As such, he initiated the position for the Town. With the added facets, the task required more time than he was able to absorb with his occupation and he found it necessary to relinquish the position. Meanwhile, he had dedicated himself to well organizing the position and serving the Town faithfully. The Town was fortunate that he considered remaining as alternate.

In the first six months of 1975 Mr. Leach had issued 48 Building Permits and 20 Plumbing Permits. In the last six months there were 79 Building Permits and 26 Plumbing Permits. Thus the total for 1974 was 127 Building Permits and 46 Plumbing Permits.

The position, besides administering the South Berwick local Building Permit Ordinance, is required to effect the Federal Flood Insurance Program, the State imposed Shoreland Zoning Law and the Maine State Plumbing Code. It also has the responsibility to effect electrical installations and construction to comply with the state adopted National Electrical and Life Safety Codes.

The Federal Flood Insurance program was adopted because it enables property owners to obtain federally subsidized insurance against flood losses. Since it was enacted, if a disastrous flood occurs, no federal money will be granted for relief of personal losses in flood-prone areas.

In 1975 four of these laws were revised. The Maine State Plumbing Code was changed, mostly materials and sizes, to improve the initial requirements. Nearly all changes were adopted to provide better plumbing and sewage disposal for all citizens.

The State Mandatory Shoreland Zoning Ordinance was amended August 1975 because the Town of South Berwick did not adopt a Shoreland Zoning Ordinance as required by the Mandatory Shoreland Zoning and Subdivision Control Act. Changes included addition of a Resource Protection Area for selected areas where they considered that development would adversely affect water quality, productive habitat, biotic systems, or scenic and natural values.

The 1975 Legislature revised, in part, the Maine Subdivision Statutes governing minimum standards required. Therefore, the Town of South Berwick's Subdivision Ordinance is subject to the more restrictive provisions.

CODE ENFORCEMENT OFFICER'S REPORT

(Continued)

The Town of South Berwick Building Permit Ordinance was revised as a result of a referendum in 1975. Changes in this ordinance appear to clarify the original ordinance, but if not understood properly could inadvertently become violable.

During the last six months of 1975 we have had several visits by the Area State Plumbing Inspector and contacts with the State Division of Human Services. The State has been alarmed at the negligence in enforcement of the statutes and plans to bring corrective actions against towns and individuals who are not following the plumbing code. There have been, in the past, improper installations and lack of maintenance resulting in serious danger to public health. They are taking a positive attitude, by enforcement, to provide proper and safe plumbing, water, and disposal of wastes. The benefits will be realized by ourselves and our children.

At present we are one of the towns considered as properly following the law. As such, we will not be liable to costly enforcement action by the State.

It is, therefore, most important that no plumbing changes, additions, malfunctions, etc. be started without first contacting the Code Enforcement Officer.

The Code Enforcement Officer's position is directed to preserve the health and safety of all the people of the town. He is to assure that they receive proper work for the money they pay when they build, add to present buildings, change or repair facilities. He further advises what can and cannot be done in respect to the federal and state laws that basically attempt to improve our environment and preserve our resources for the future.

Roland A. Geib
Code Enforcement Officer

ANNUAL REPORT OF THE CONSERVATION COMMITTEE

In its annual report for 1974, the Conservation Committee set forth three goals for 1975. We have progressed on these goals as follows:

1. Tree Planting Program. An additional 30 trees were planted through the State-sponsored Municipal Shade Tree Planting Program. Our program in 1975 emphasized lining some of the side streets in the core area of the town. As a result, many of these trees were planted in the Norton and Goodwin Street areas. The 80 trees planted in past years were pruned and fertilized as part of our on-going shade tree maintenance program.
2. Town Forest. Although we have not published a formal study report on the potential uses of the Town Forest, the Conservation Committee feels that this beautiful 90-acre tract along the Great Works River should be preserved as a natural area and be made accessible to the public for activities such as hiking, snow shoeing, cross country skiing, and canoeing. We have co-operated with the Recreation Committee and Town Council in selecting a suitable parking area for a limited number of vehicles. Wise management of Town Forest timber resources should also be continued.
3. Natural Resources Inventory. The Conservation Committee is currently enrolled in a program sponsored by the Southern Maine Regional Planning Commission which will result in a completed Natural Resources Inventory for South Berwick. Natural features such as topography, hydrology, land use, etc. will be depicted on a series of maps and will be made public in the summer of 1976.

In addition, the Conservation Committee has become involved in the study concerning potential developments in the Mt. Agamenticus area. Our role here is to study and monitor activities concerning land development and investigating the possible purchase of a part of the Agamenticus wilderness by the public.

We look forward to another busy and successful year and invite you, the interested citizens, to contact us, voice your opinions, and participate with us in our projects.

Respectfully submitted,

David F. Stansfield
Chairman

SOUTH BERWICK FIRE DEPARTMENT
REPORT FOR 1975

Woods, grass, and rubbish fires	30
Chimney fires	7
Out of town calls	18
House and barn fires	7
Accidents and car fires	8
Electrical	2
Gas spills	3
Shoe shop	8
Furnace and stove fires	4
Other calls	7
Still alarms	<u>20</u>
Total	116

Total fire damage to buildings in South Berwick for 1975 was \$74,000.

The new fire truck, which was ordered two and one-half years ago, arrived in February of 1976.

The truck has a one thousand gallon a minute pump and carries one thousand gallons of water.

It will also carry 1500 feet of three inch hose. The hose will be purchased with the money we have received from interest on the \$30,000 that has been in the bank for two and one-half years.

Total cost of the truck, with the hose, will be \$34,000.

George Gorman,
Fire Chief

HIGHWAY DEPARTMENT REPORT

The work of the Highway Department is broken down into three basic parts: Street maintenance, street construction, and snow removal.

During the first few months of 1975 the good weather allowed time to cut a large amount of trees and brush along the Emery's Bridge Road and the Bennett Lot Road in preparation for major improvement to these roads.

Pursuant with the vote of the Annual Town Meeting a 1972 John Deer road grader was bought in May. This machine has greatly improved the amount and the quality of road work and snow removal being done.

The summer months were spent in placing a gravel base of six inches to one foot on the entire remaining gravel portion of the Emery's Bridge Road (one mile), and on approximately one-third of the remaining gravel portion of the Bennett Lot Road (four-tenths of a mile). Over 5,000 cubic yards of gravel were used on these roads and over 400 cubic yards of ledge were removed. In addition to this work a small bridge on the Bennett Lot Road was replaced with a large culvert, three miles of town streets were tar sealcoated, and a great many small maintenance jobs were completed.

In the fall a 20 x 34 wooden garage was built to house the new grader. The cost of the building was less than \$1,000 because lumber cut at Godfrey-Richardson Town Park and at the Town Forest was used, and the department's employees provided all of the labor.

After completing the garage over 1,300 cubic yards of sand (mixed with 80 tons of salt) were hauled from Wells and stockpiled for winter use.

Winter weather did not arrive until mid-December. However the last two weeks of December provided more snow than had been seen in several winters. The storm of December 20-21 left sixteen inches of snow. This was the largest single snowstorm since 1969.

After considerable discussion the Town Council decided on a three-year street construction program for the Town. The following is a brief summary of the program's major projects:

- 1976:
1. Contribute three State Aid units towards reconstruction of Emery's Bridge Road curve (Hooper's Brook) by State of Maine.
 2. Removal of trees and ledge and placement of approximately 12" of gravel on unimproved portion of the Witchtrot Road.
 3. Removal of trees and ledge and placement of 6" to 12" of gravel on the Ogunquit Road from the intersection of Emery's Bridge Road (Big Rock) to the intersection of the Bennett Lot Road.
- 1977:
1. If sewer line is installed in Academy and Liberty Streets, placement of crushed gravel and paving of both streets.
 2. Removal of trees and ledge and placement of 12" of gravel on unimproved portion of Bennett Lot Road.

HIGHWAY DEPARTMENT (Continued)

- 1977: 3. Removal of trees and ledge and placement of 6" to 12" of gravel on Ogunquit Road from Bennett Lot Road intersection to the Old County (Kimball) Road intersection.
- 1978: 1. Either Project 1 or Alternate 1 from the 1977 program.
2. Remove ledge and placement of 6" to 12" of gravel on Ogunquit Road from the intersection of Old County (Kimball) Road to the Wells town line.
3. Construction of Wadleigh Lane from Academy Street to the top of hill.

All things considered, 1975 was a year in which the Highway Department accomplished the most work of any one year. As always, however, much remains to be done.

In order to increase service to the residents of South Berwick, the Town Council has decided to ask for the funding of a large loader. While the amount requested seems large at first, the machine's life expectancy of at least ten years brings the cost very much in line with current expenses when the labor savings are considered. For example, each time that snow must be removed from the center of Town the loader will save approximately \$110 in labor costs.

The opportunity to work with the townspeople during 1975 has been rewarding and 1976 is looked forward to with hope that the service we are able to provide, within budget limitations, will be as you desire it.

Rudolph Naples,
Road Commissioner

Donald Boston,
Road Foreman

REPORT OF THE PLANNING BOARD

For the first half of 1975 the meetings of the South Berwick Planning Board were occupied primarily by the subject of Mr. F. Anthony Zahn and how he proposed to develop the area in the vicinity of Mount Agamenticus. It became clear that the town was not prepared to cope with a development of the scale proposed by Mr. Zahn.

In order to equip the town with a method of coping with large scale development of this type it is essential that the Comprehensive Plan of the town be reviewed and up-dated. The Planning Board is requesting the Town Council to include funds for this review and up-date in the 1976 budget. The review and up-date would also include the effect of all new Federal, State, and Local Laws on South Berwick as well as how the Town has progressed since the Comprehensive Plan was first written in 1971.

Other activities in 1975 included the start of a Town Road Inventory. The result of this inventory will be an Official Town Road Map, together with a history of each one.

The Planning Board also endorsed the proposal of the Conservation Committee that the size of motors on Cox and Warren Ponds, as well as the Great Works River, be limited.

The Planning Board received a complete set of Soil Maps from the Soils Conservation Service. These maps are a result of extensive field work by the Soils Conservation Service and give a good indication of the soils in any area in the Town. These maps will be an invaluable aid to the Planning Board as well as any one who wishes to use them and are available for examination in the Code Enforcement Officer's Office in the Municipal Building.

The Planning Board meets at 7:00 P.M. on the 2nd and 4th Mondays of each month and are open to the public. Visitors are welcome at any time.

Respectfully submitted,

Arthur W. Stansfield, Chairman
South Berwick Planning Board

REPORT OF THE SOUTH BERWICK POLICE DEPARTMENT

To The Honorable Town Council and
The Citizens of South Berwick:

As the year 1975 closed, it showed a great change in the South Berwick Police Department. New personnel arrived on the scene in the positions of administration, supervision, and patrol. At this time the police department consists of Chief John M. Montgomery, Sergeant Robert E. Chandler, Patrolman Timothy Berry and Patrolman John Mason. A new Police Reserve Force was started and should assist the department a great deal.

A great many conditions affect the type and amount of crime that occurs from place to place throughout our country, some of which are: Density and size of the community and the metropolitan area of which it is a part; composition of the population with reference to age, sex, and race; the relative stability of the population including commuters, tourists, seasonal and other transient types; the effective strength of the police force within the community; standards governing appointment to and promotions within the police department; and attitude of the public towards law enforcement problems. Needless to say these are not all inclusive and are not listed in any degree of order or importance.

Although most persons regard police services as merely deterrents to lawlessness and arrest of criminal offenders, this is by no means the case. Police services cover a multitude of other services for the protection, welfare, and convenience of the general public. Accident investigation, of which there were 98 conducted last year, is another very important police function. There are many hours expended on business and property checks, traffic assignments, public speaking engagements, records, and office work and the like. There were approximately 800 calls answered by officers of the department during the year. There were 50,000 miles of vehicle patrol throughout every nook and cranny of the community to detect and prevent crime and to preserve the safety of the citizens of South Berwick.

Each year the request for police service increases. The task of police administration and the duties of individual officers have become more than just routine functions. To effectively carry out the responsibility of providing modern and efficient police services to the community, the police administrator must garner the support and understanding of the citizens. Our goal is to better SERVE the public whom we represent.

It will be our goal to maintain such services as are necessary to meet the needs of our society in a professional manner. Our interest and concern is to keep South Berwick a safe and quiet community.

POLICE DEPARTMENT REPORT (Continued)

We currently are engaged in long range planning to amplify the present services and to create new ones. We recognize the need for close liason between police and the juvenile community and hope to fill this void in the near future.

We further recognize the need for stronger investigations and will strive to promote this. We recognize these and many more, and, with the fruition of these long range plans and the support of you, the citizen, we will be able to provide them in the coming years.

Officers of the department are in a continuous state of training in order to keep abreast of the current laws of the land so that they may better carry out their duties. 1975 saw officers attend a variety of training schools which included Command-Training, Administrative training, Photography, Bomb Investigations, and many more.

In closing, please remember that the South Berwick Police Department works for you and actively seeks your support. With concern, cooperation, and the support of you, the public, we will continue to keep South Berwick a comparatively crime-free community and a decent place to live, work, and raise your families.

Respectfully submitted,

John M. Montgomery
Chief of Police

SOCIAL SERVICES

1975 -- My fourth year as Social Worker.

Every day brings old and new experiences; some very pleasant and others very trying. Some days are extremely busy and on quiet days I manage to find plenty to do helping out in the town office.

My duties are much the same as in the past:

- Shopping for the elderly,
- Transporting elderly and young to doctors,
dentists, drug stores, hospitals,
- Transporting elderly persons from the
Lynchholm to hospitals for tests and
check-ups,
- Working with Sanford Food Stamp Office,
- Doing research for both the Food Stamp
Office and Health and Welfare,
- Working with Cancer Program in Brunswick
and the Social Security Office in
Portsmouth,
- Attending monthly Welfare Directors'
meetings,
- Attending monthly York Home Health Agency
Advisory Board meetings.

Respectfully submitted,

Jeannine M. Pontbriand

SOUTH BERWICK EMERGENCY AMBULANCE AND RESCUE, INC.

1975 Annual Report

1975 proved to be an exciting and rewarding year for the South Berwick Rescue Squad. We celebrated our fifteenth anniversary. Our Squad is the second oldest volunteer Rescue Squad in the State of Maine. The Squad received recognition from the Senate and the House of Representatives in Augusta during the month of May. The Squad also received a flag of the State of Maine, presented by Governor Longley, in recognition of fifteen years of dedicated service.

Another big event for the Squad came in November when we purchased our second new ambulance. A 1975 Dodge Pace-master van equipped with the most modern oxygen equipment, radio system, etc.

176 calls were answered by the men of the Squad which were:

Acute Medical:	73	Industrial Accidents:	5
Heart Attack:	44	Overdose:	4
Home Accidents:	24	D.O.A.:	5
Auto and/or Motorcycle:	21		

1975 also found the Squad with a new telephone number, that of the Fire Department: 384-2222. Now all one has to do is dial one emergency number to obtain an ambulance or a fire truck.

Membership cards are now always available at the town office for new families moving into town. This past year proved to be the most prosperous year for our annual fund drive. Our membership nearly doubled.

Many improvements were implemented at the Rescue station. A larger area was paved, painting inside and out was accomplished and fill was hauled in to level the surrounding landscape.

Many thanks go to Mrs. Schindler for her countless hours as dispatcher. And also to the men of the Squad who are "on call" every day of the year. The enormous amount of time spent in training, at E.M.T. classes, at various seminars, work details, and usually at their own expense, all to provide an indispensable service to the community.

1976 promises to be an interesting year. The Squad will start a program of training five young adults to serve on the ambulance: Mark Cushing, Steven Hanson, Peter Holmes, Robert Stevens, and Paul Whalen. In addition, three adults will also be joining the ranks of the Squad: Judith Hatch, Beverly Hill, and Denise Hills.

The Squad wishes to thank the citizens of our community for their support. Your generosity will be the determining factor whether or not this service will continue to assist the people in an emergency.

S. B. E. R.

ANNUAL REPORT
OF THE
SOUTH BERWICK PUBLIC LIBRARY
FOR THE YEAR 1975

The number of patrons who visited the South Berwick Public Library and the number of books borrowed from it during the year have again increased by leaps and bounds in 1975. Already - mid-December - almost twice as many children have borrower's cards than at this time last year. There are many more adult borrowers also, and the book circulation tally is almost 2,000 over last year!

These pleasing facts are only one method of evaluating the return on your library tax dollars. Many other benefits are acquired by the townspeople through means of the Library's facilities and resources. For example, books on many subjects are being constantly and quickly borrowed from the State Library at no cost to the Town, through the convenience of toll-free telephone facilities direct to the State Library system. If any resident of the community wishes information or books on practically any subject, Mrs. Margaret Colgate, the Librarian, will welcome the opportunity to follow through promptly.

One prime ingredient in the ever-expanding use of the Library by the youth of this locality is the allocation of a \$500 grant to the Library by the Vaughan Fund Trustees. This money purchased books for young people, thus not only reducing the amount of tax money needed for support of the Library, but also permitting the Library to build toward the kind of solid juvenile book collection every library worth its salt should have.

Another area of readership that the Library wishes to strengthen is books to encourage the many adults who read slowly. For this reason the Library needs to add to its collection of popular books which have been designed for the special enjoyment of slower readers. The Librarian will be pleased to locate the books we already have of this type, for anyone interested.

The Library has received as gifts from local people and from outsiders many fine books during the year, as well as a much-needed recently published set of "Books in Print" from the Derry Public Library, given to us when it purchased its new annual set.

This year the Library has also provided unique and practical service to the people of the area through the sponsorship of a series of free Thursday (evening) forums at the Library. These interesting forums were made possible through the cooperation of the FRIENDS OF THE LIBRARY together with the York County Extension Service. The FRIENDS applied for and received a federal grant (through State auspices) which had to be matched locally. So the FRIENDS held a wonderfully supported townwide Food Sale, and implemented other projects to raise the matching funds. These popular forums -- held in two segments, Spring and Fall -- were very practical, especially in the present context of inflation and in the midst of the energy crisis. The spring forums included instruction by experts on home gardening, food canning and freezing and so on; fall forums covered the winterizing, insulating, and heating of homes as well as drying and then arranging flowers, how to make Christmas decorations, and other useful and thrifty skills.

LIBRARY ANNUAL REPORT (Continued)

More and more often the Library's Community Room is being used by civic groups as a meeting place. For example, the Bicentennial Committee meets there frequently. The room is available (usually without charge) for almost any community-oriented group.

The Librarian is building toward a complete set of Town Reports so that they will be available as reference material for anyone wishing to use them. If you have any old reports -- other than the fairly recent ones which we already have -- and would be willing to give them to the Library, please contact Mrs. Colgate at the Library, and she can tell you if they are for years we still need.

During the year there have been several exhibitions of interest at the Library, including a handsome, beautifully constructed doll house. Several delightful pen and ink sketches done by a local artist were also on exhibition for a while. Although the Library of course cannot be responsible for the exhibited materials, it welcomes the opportunity to exhibit suitable articles of interest to the community.

We wish there were space in which to list here the many helpful FRIENDS OF THE LIBRARY and countless other people who have done and are doing so much for it. The Library is particularly grateful for the fine work of many volunteer librarians, several of whom give generously of their time each week to help the Librarian make the Library a friendly, attractive and efficient community service center.

No report to the Town can be complete without a hearty thank-you to the Society for the Preservation of New England Antiquities for giving to the Town the free use of the Society's Eastman House as a Town Library. We who live in South Berwick appreciate having this centrally located handsome home for our Library. Furthermore, of the large number of visitors who come to the Library from elsewhere, practically all remark upon the pleasing uniqueness of the building and the hospitable feeling that abounds there -- so it is our pleasure to tell them of the SPNEA's generosity to our Town.

The Library Advisory Board, as always, invites you to make any suggestions you may have concerning the Library. The telephone number is 384-2838. The Library hours are:

Tuesday	9 a.m. to	5 p.m.
Wednesday	1 p.m. to	8 p.m.
Thursday	1 p.m. to	5 p.m.
Friday	1 p.m. to	5 p.m.
Saturday	9 a.m. to	12 noon

THE LIBRARY IS YOURS!

PLEASE COME OFTEN!

Respectfully submitted,

Agnes Allen	Polly Daniels
Ronald Gimpel	Natalie Goodwin
Michael McGinley	Regina Perschy
Carolyn Blouin (Chairman)	

December 15, 1975

YORK COUNTY DISPOSAL DISTRICT #1

REPORT FOR THE CALENDAR YEAR

1975

The York County Disposal District #1 was formed at a meeting on September 25, 1974 in accordance with applicable legislation. The District inherited a report prepared by S.E.A. Consultants, Inc. of Boston for the Southern Maine Regional Planning Commission, dated April 4, 1974, containing recommendations with regard to a possible regional sanitary landfill for a district essentially similar to ours. That report had been made public in advance of the various town balloting, the second of which, on June 11, 1974, provided authorization for the formation of the above District.

During the first phase of the District's studies, directors visited six possible sites for a landfill and also received a detailed analysis of a possible incineration system.

The incineration system as an alternative for a regional disposal facility was presented to us at a meeting on May 6, 1975 by Mr. Ray Howland of the IDSOM Corporation of North Windham, Maine. Such a system was adjudged by the directors to be expensive compared to the expected costs of a landfill, and the directors deferred further consideration of it.

With respect to the possible landfill sites considered, besides the S.E.A. Consultants' Report mentioned, the District had a report prepared by M. Anthony Lally, Environmental Engineer, North Andover, Mass., in July, 1975 entitled, "An Evaluation of Alternative Sites for Solid Waste Disposal." The six possible sites visited and considered were as follows:

Two gravel areas off Remick's Lane in Kittery which the directors considered unsuitable.

One area off Route 236 in South Berwick which was purchasable. This was determined to be rocky and generally unsuitable.

One gravel site off Route 91 in York, on which we took a year's option. This was for a while seriously considered, but after examination the DEP (Department of Environmental Protection) declared that because of permeable soils and a strong aquifer running across the property the site could not be considered usable.

The fifth site was the present Kittery dump, but because of serious water pollution considerations it was abandoned.

The sixth site was the Berwick-South Berwick site off Route 4, on which the District also took a year's option, and during the latter phase of the District's activities serious studies were made of the site. Several analyses of the site were prepared by or under the direction of Mr. Lally, including a comparative study of several alternatives for collecting and hauling refuse to the Berwick-South Berwick site, a topographic plan of the property produced by Moulton Engineering Co. and logs of about 30 test pits carried out by Goldberg-Zoino and Associates.

At several points of our studies of this site we checked with the DEP and were consistently told that there seemed to be no indications that the site could not be made suitable for a landfill, but that firm approval could not be given without sufficient engineering work being done to prove that a fully designed project, submitted for approval, would in fact work as proposed without adversely affecting ground water in the area.

PRESENT STATUS

As of December 7, 1975, the date of the District's most recent meeting, as can be appreciated from the above history, the District's considerations had been effectively narrowed to only one proposed facility, namely a regional landfill to be constructed on the land in Berwick and South Berwick belonging to Mr. and Mrs. Donald Folsom of North Berwick, land to which the District held an option due to expire on December 17.

At this meeting the directors were again informed that, although the site in question did not appear to be unsuited for a landfill, further work which would probably cost several thousand dollars would have to be done before the DEP would seriously accept a project application for their final approval or disapproval. This left two serious hurdles to be surmounted before the District would be in a position to purchase the land for a disposal facility: first, approval of the site by the DEP, and second, after preparation and presentation of a report and proposal to the four member towns, approval of the town governments of that proposal.

Having arrived at that point in the meeting, the directors were informed that the Folsoms, owners of the property in question, would not further extend the option beyond December 17 on the previous basis, but offered to extend it if the District would pay \$1200 per month for such renewal, as long as the option was not exercised, such payments not to be applicable to a final purchase price, but to be over and above that price. This proposal was not acceptable to the Directors, who made a counter-proposal for the option to be extended on the same basis as before. The option expired on December 17, and there has been no indication that it can be renewed on any mutually acceptable basis.

This left the District virtually at the stage it was at on September 25, 1974, except that a landfill site that seemed promising at that time is no longer available. The directors voted to seek further for acceptable landfill sites.

Meanwhile the District has not proposed any budget at present for operations for the coming year. Of the \$42,000 which we received at the end of 1974 and the beginning of 1975 we have spent approximately \$10,000. As another financial note, a sum of capital funds was provided to the U. S. Navy, and some of it was earmarked to help set up the regional facility which the District has not yet been able to propose. Those funds will not be available after next July.

YORK COUNTY DISPOSAL DISTRICT #1

-3-

STATE OF THE ART

We want in this section to review the alternative technologies of non-burning and non-polluting solid waste disposal systems available to an authority like the present District, including landfill. They are:

- Sanitary landfill
- Incineration
- Incineration with energy recovery
- Recycling

CONCLUSIONS

We do not believe there are any other alternatives beyond those listed. Considering the questions that beset all of them, there is no guarantee that a satisfactory system can in fact be devised which will respond to the task that the legislature has set for our District. As mentioned above, during the coming year the Directors will be looking for new landfill sites and continuing the search for a feasible regional disposal facility.

YORK HOSPITAL VISITING NURSE PROGRAM

REPORT

To the Town Council and the Citizens of South Berwick:

I would like to submit the following report of the York Hospital Visiting Nurse Program for the year ending December 1975.

The York Hospital Visiting Nurse Program continued to care for patients of South Berwick in their homes. At present, the service is offered from Monday to Friday from 8:00 a.m. to 4:00 p.m. Care is given on an intermittent basis and in accordance with a doctor's approval and plan of treatment. A fee is charged for home visits; however, Medicare and other financial resources may help to meet the cost of home health care. NO patient will be excluded from receiving care solely on inability to pay.

For the year 1975, the agency personnel made a total of 532 visits to 19 patients in South Berwick. Care such as bed baths, personal hygiene, injections, therapeutic diet instruction, catheter care, surgical dressing changes, exercises, teaching infant care, and a variety of other categories of care were given.

Attempts were made throughout the year to make the Visiting Nurse Program more generally available to the community. Anyone desiring more information regarding home health care can call the York Hospital, 363-4321.

Respectfully submitted,

(Miss) Julia Ferriter, R.N.
Nurse Supervisor
York Home Health Agency

AUDITORS' REPORT

Honorable Town Council
Town of South Berwick
South Berwick, Maine

We have examined the balance sheet and related statements of operations, changes in fund balances and unappropriated surplus of the Town of South Berwick, Maine for the years ended December 31, 1975 and 1974. Our examination was conducted in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the accompanying balance sheet and related statements of operations, changes in fund balances and unappropriated surplus present fairly the financial position of the Town of South Berwick, Maine, at December 31, 1975 and 1974 and the results of the operations of the various funds for the years then ended, in conformity with generally accepted accounting principles.

The accompanying auditors' comments and related information presented on pages 8-10 are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Berry, Dunn & McNeil

TOWN OF SOUTH BERWICK, MAINE

Notes to Financial Statements

December 31, 1975

Note 1. Summary of Significant Accounting Policies

- (a) The accompanying financial statements are presented on an accrual basis except, consistent with practice of prior years, unpaid bills at December 31, 1975 were not charged to the operations of the Town for the year. The effect on departmental operations of these unrecorded liabilities follows:

Unentered Payables at December 31,		Charges to Appropriations Understated (Overstated)
1975	1974	
<u>\$6,342</u>	<u>\$9,528</u>	<u>(\$3,186)</u>

- (b) In 1975, coincident with the change in Maine law which introduced monthly staggered vehicle registration, all excise taxes collected were recorded as revenue. In prior years, excise taxes collected were recorded as revenues in the calendar year in which the registrations were effective.

Note 2. Note Payable

The Town obtained a temporary loan pursuant to Special Town Meeting December 8, 1973 for the purpose of purchasing and renovating the St. Michaels School for Town offices. A long-term 5% note payable was obtained from the Farmers Home Administration on January 30, 1975 of \$155,000 which is payable in annual principal installments of \$3,000 commencing January 1, 1977 through 1981, \$4,000 through 1986, \$5,000 through 1995, \$7,000 through 2004 and \$9,000 on January 1, 2005.

Auditors' Comments

The following comments relate to the accompanying financial statements and to the scope of our examination.

GENERAL FUND

Cash

Cash balances of the various funds at December 31, 1975 were reconciled to amounts reported directly to us by the depositories. Cash receipts and disbursements as recorded by the bank were reconciled for selected periods to the records of the Town.

A summary of cash receipts and disbursements and bank reconciliation as of December 31, 1975 follows:

Cash balance at January 1, 1975		\$ 99,976
Add:		
Cash collected on taxes receivable and taxes receivable secured by liens and deeds	\$459,880	
Other cash receipts	<u>574,227</u>	<u>1,034,107</u>
Total available		1,134,083
Deduct:		
Cash disbursements charged to operations	884,313	
Other cash disbursements	<u>55,078</u>	<u>939,391</u>
Cash balance at December 31, 1975 per bank	219,240	
Add deposit in transit	17,454	
Deduct checks outstanding	(<u>42,052</u>)	
Total cash on deposit	194,642	
Cash on hand	<u>50</u>	
Cash balance at December 31, 1975		\$ <u><u>194,692</u></u>

Taxes Receivable

Amounts owed for taxes receivable and taxes receivable secured by deeds and liens at December 31, 1975 were supported by detailed listings from subsidiary records. The balances owed were verified on a test basis by direct correspondence with debtors and by examination of tax liens on file in Treasurer's office.

A summary of the 1975 valuation, taxes assessed and committed and taxes collected follows:

	VALUATION		Total
	<u>Real Estate</u>	<u>Personal</u>	
Resident and non-resident	<u>\$12,575,710</u>	<u>\$790,640</u>	<u>\$13,366,350</u>
Tax rate			\$.034
Real estate and personal taxes assessed			\$ 454,456
State inventory and livestock taxes assessed			<u>6,111</u>
1975 tax commitment			460,567
Supplemental taxes assessed			<u>2,601</u>
Total			463,168
Deduct:			
Tax collections		\$421,983	
Abatements		<u>865</u>	<u>422,848</u>
1975 taxes receivable at December 31, 1975			\$ <u>40,320</u>

Estimated Uncollectible Taxes

As of December 31, 1975 the provision for estimated uncollectible taxes was adjusted to the amount of uncollected taxes which were committed prior to 1974.

Revenues and Expenditures

Revenue receipts were tested to source data and recorded amounts were traced to the general records of the Town. Invoices and other data were examined in support of expenditures for selected periods and selected payrolls were tested.

CAPITAL RESERVE FUND

A schedule analyzing the changes in the Capital Reserve Fund is included herein. Cash on deposit in savings banks was confirmed directly to us by the depositories.

TRUST FUND

A schedule of the Trust Fund is included herein. Cash on deposit in savings banks was confirmed directly to us by the depositories.

BUILDING FUND

The Town purchased the St. Michaels School building at a cost of \$85,700 which has been renovated for Town offices. The total cost of \$184,932 was financed with \$30,000 of Federal Revenue Sharing funds and long-term notes of \$155,000. (See notes to financial statements #2)

South Berwick Sewer District

South Berwick, Maine

TREASURER'S REPORT

As my report of the financial status of the South Berwick Sewer District for the period ended December 31, 1975, I submit the statement of our auditors, Riel and Burleigh, Certified Public Accountants, Rochester, New Hampshire.

South Berwick Sewer District
South Berwick, Maine

To the Board of Directors:

We have examined the balance sheet of the South Berwick Sewer District as of December 31, 1975, and the related statements of income and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of income and changes in financial position present fairly the financial position of the South Berwick Sewer District at December 31, 1975, and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

February 14, 1976

REPORT OF THE SOUTH BERWICK WATER DISTRICT

In compliance with the rulings of the Public Utilities Commission of Maine, the Trustees of the South Berwick Water District submit the following report which not only covers the year ending December 31, 1975, but also major improvements made during the prior two years.

A new six inch main was installed on Dawson Street permitting a loop between Front Street and Goodwin Street. In all cases where mains were replaced, six inch Transite pipe was used instead of the old pipe ranging from a maximum of two and one half inches down to three quarter inch galvanized pipe, which in some cases was nearly plugged with rust.

Installations were made on Vine Street, Neally and Young Streets, Pleasant and Liberty Streets and Hill Drive. Additional replacements are planned for Vine Street and other areas but finances are limiting.

Two artesian wells were drilled to increase water supply but one of them was not usable. The other is being used and can supply over forty-three thousand gallons per day. Total water supply from all wells is adequate for present and some increase in demand, but finances are a problem. This curtails faster improvements which are much needed if future demands are considerable. There has been no rate increase since inception in 1960 and the District has not been charging the Town of South Berwick increased amounts permitted by the Public Utilities Commission for fire protection. These aspects are now under consideration.

The trustees hold a monthly meeting at the old pump house on Berwick Road at the end of Tibbett Street on the second Monday of each month at 7:00 P.M. Water users and others may feel free to attend.

ACCOUNTANTS' REPORT

Board of Trustees
South Berwick Water District
South Berwick, Maine

We have examined the balance sheet of South Berwick Water District at December 31, 1975 and 1974 and the related statements of income and retained earnings and changes in financial position for the years then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except as stated in the following paragraph.

We were not present to observe the physical count of material and supply inventories at December 31, 1975 and 1974. We have, however, been able to satisfy ourselves concerning inventory quantities by alternate audit procedures.

In our opinion, the aforementioned financial statements present fairly the financial position of South Berwick Water District at December 31, 1975 and 1974 and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

SOUTH BERWICK WATER DISTRICT
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1975

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Property, Plant and Equipment:

Utility plant is stated at cost and depreciated on the straight line method at rates varying from 5 to 100 years.

Expenditures for maintenance and repairs are charged to expense currently. Upon sale or other retirement of depreciable property, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is charged or credited to the accumulated depreciation account as mandated by PUC accounting regulations.

Materials and Supplies:

Inventories of materials and supplies are stated at cost.

Unamortized Debt Discount and Expense:

Cost incurred to issue long-term bonds together with discounts allowed at time of sale are amortized on a straight line basis over the term of the bond issue.

NOTE 2 - INVESTMENTS:

Bond Sinking Fund:

Custody of sinking fund assets is maintained by the Trustees of the District. A statement of financial condition of the fund is contained in Schedule A-1.

NOTE 3 - LONG-TERM DEBT:

First Issue Bonds - 4 1/2% - \$190,000.

These bonds were issued on October 1, 1960 and mature on October 1, 1980. One percent (1%) of the outstanding balance is appropriated from income each year and added to a sinking fund to retire the bonds.

Second Issue Bonds - 4 1/2% - \$ 90,000.

These bonds mature as follows:

5 on the 15th day of June in each of the years 1976 to 1979
40 on the 15th day of June 1980
30 on the 15th day of June 1981

ANNUAL REPORT-"Vaughan Fund"

To: Bernard A. Bennett, Chairman of the Trustees, the
Trustees, and the Residents of South Berwick:

The auditor's report of the activity and conduct of the Vaughan Fund Trustees for the period January 1, 1975 to December 31, 1975 is submitted herewith.

It is to be noted that a total of \$19,020.90 has been distributed to various agencies of the Town since the Town Council became Trustees of the Fund in December of 1971 to further recreational activity for the youth of South Berwick.

Also, the market value of the securities held in trust has increased from \$62,156.66 as of December 31, 1974 to \$71,033.00 as of December 31, 1975. Additionally, income has increased incrementally from \$4,842.62 in 1972 to \$5,829.00 in 1975.

Respectfully submitted,

Alvin F. Delorey
Secretary-Treasurer

For the Town Council of South
Berwick, Acting as Successor
Trustee u/w/o Elizabeth R.
Vaughan

AUDITORS' REPORT

Town Council of South Berwick,
Successor Trustee
Elizabeth R. Vaughan Fund
South Berwick, Maine

We have examined the Statement of Condition of the Elizabeth R. Vaughan Fund as of December 31, 1975 and 1974 and the related Statements of Income and Changes in Fund Balance for the years then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of the Elizabeth R. Vaughan Fund at December 31, 1975 and 1974, and the results of its operations for the years then ended in accordance with generally accepted accounting principles applied on a consistent basis and the provisions of the will under which the Fund is operated. The supplementary data included in Schedules 1 and 2 has been subjected to the same auditing procedures and, in our opinion, is stated fairly in all material respects when considered in conjunction with the basic financial statements taken as a whole.

Berry, Dunn & McNeil

TOWN OF SOUTH BERWICK, MAINE

WARRANT

State of Maine
County of York, ss.

To John M. Montgomery, Constable of South Berwick in the County of York, State of Maine.

GREETINGS:

In the name of the Town of South Berwick you are required to notify the inhabitants of said Town qualified to vote in Town affairs to assemble at the Civic Center (Central School) in said Town on Saturday, the 20th day of March, A.D. 1976, at 7 o'clock in the forenoon, then and there to act on the articles below.

ARTICLE 1. To elect a Moderator to preside at said meeting.

ARTICLE 2. To elect two Councilmen for three years and one member of the Board of School Directors of S.A.D. #35 for three years.

Polls will be open from 7 a.m. to 2 p.m. The business session will be at 7:30 p.m. at the South Berwick Civic Center.

ARTICLE 3. To see if the Town will vote to authorize the Town Council and Town Manager on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as they deem advisable and execute quit-claim deeds on such property, with the understanding that any property deeded before the tax commitment date will be taxed this year to the grantee.

Council recommends adoption.

ARTICLE 4. To see if the Town will vote to authorize the Tax Collector to charge and collect interest at a rate of twelve (12) percent per annum, to be retroactive to September 1, 1976, on all taxes not paid on or before November 12, 1976.

Council recommends adoption.

ARTICLE 5. To see if the Town will vote to authorize the Town Council and Town Manager to sell, discharge, and assign tax mortgage liens for not less than the amount unpaid and interest and costs thereon. If, however, after soliciting public sealed bids such money is less than the accrued taxes and other costs, the Town Council and Town Manager may re-advertise such property through sealed bid and sell such property to the highest bidder if it seems in the interest of the Town.

Council recommends adoption.

ARTICLE 6. To see if the Town will vote to authorize the Town Council and Town Manager to expend funds from the Highway Department Equipment Account as expenditures become necessary to purchase and/or replace Highway Department Equipment.

Council recommends adoption.

ARTICLE 7. To see what sum of money the Town will vote to raise and appropriate for operation of the Town Office, Town Officers' Salaries, and Administrative Expense.

Councilmen 5 @ \$200	\$1,000
Administration Salary	12,360
Expenses-Manager & Officials	1,950
Legal Costs	3,000
Clerical Assist. & Clerk	12,800
Town Office Expenses	12,350
Capital Equip. - Town Office	<u>1,000</u>

Council recommends \$3,500 from Surplus and an appropriation of \$40,960. Total: \$44,460.

ARTICLE 8. To see what sum of money the Town will vote to raise and appropriate for Election Expenses, Property Tax Assessment, Interest Costs, and Municipal Building Debt Service.

Elections	\$1,350
Property Tax Assessment	3,250
Part-time Tax Assess. Ass't.	1,000
Interest Costs	2,500
Mun. Bldg. Debt Service	<u>10,600</u>

Council recommends \$10,600 from Federal Revenue Sharing and an appropriation of \$8,100. Total: \$18,700.

ARTICLE 9. To see what sum of money the Town will vote to raise and appropriate for Hydrant Rental, Sewer Rental, Street Lighting, and Dispatch Services for the Fire and Police Departments.

Hydrant Rental	\$9,130
Street Lights	13,250
Sewer Rental	9,440
Alarm-Dispatch Services	<u>11,000</u>

Council recommends \$950 from Surplus and an appropriation of \$41,870. Total: \$42,820.

ARTICLE 10. To see what sum of money the Town will vote to raise and appropriate for the Highway Department.

Highways, Streets, & Sidewalks	\$55,180
(including surfacing and stabilization)	
Snow Removal	29,840
Town Dump	3,000
Town Garage	2,100
Tree Removal & Planting	<u>1,500</u>

Council recommends \$4,650 from Surplus and an appropriation of \$86,970. Total: \$91,620.

ARTICLE 11. To see what sum of money the Town will vote to raise and appropriate for the purchase of a four-wheel drive loader for road maintenance and snow removal.

Council recommends that the Town authorize the Town Council and Town Manager to expend the sum of \$12,000 in Federal Revenue Sharing funds, and to issue bonds or notes in the name of the Town of South Berwick not to exceed \$36,000 to be repaid over a three-year period.

ARTICLE 12. To see what sum of money the Town will vote to raise and appropriate for the Hooper Sands Road Bridge Repair Fund. (This Fund will accrue toward reconstruction of the bridge.)

Council recommends \$8,000.

ARTICLE 13. To see what sum of money the Town will vote to raise and appropriate for the Emerys Bridge Road State-Aid Project to eliminate the sharp curve at Hoopers Brook.

Council recommends \$4,680 from Federal Revenue Sharing and \$120 from Surplus. Total: \$4,800.

ARTICLE 14. To see what sum of money the Town will vote to raise and appropriate for support of the South Berwick Public Library.

Council recommends \$1,050 from Surplus and an appropriation of \$5,250. Total: \$6,300.

ARTICLE 15. To see what sum of money the Town will vote to raise and appropriate for the operation and equipping of the Fire Department.

Council recommends \$8,300 from Federal Revenue Sharing; \$375 from Surplus, and an appropriation of \$18,325. Total: \$27,000.

ARTICLE 16. To see what sum of money the Town will vote to raise and appropriate for the operation of the Police Department.

Council recommends \$10,000 from Federal Revenue Sharing; \$1,000 from Surplus, and an appropriation of \$49,980. Total: \$60,980.

ARTICLE 17. To see if the Town will vote to transfer a sum of money from the Reserve for Tax Losses and Liens Account for the purpose of Tax Abatements.

Council recommends transferral of \$3,000.

ARTICLE 18. To see what sum of money the Town will vote to raise and appropriate for Social Services.

Town Welfare & Social Worker	\$16,325
Health Clinics	500
Homemaker Services	<u>250</u>

Council recommends \$4,720 from Federal Revenue Sharing; \$600 from Surplus, and an appropriation of \$11,755. Total: \$17,075.

ARTICLE 19. To see what sum of money the Town will vote to raise and appropriate for Town Planning, Zoning Advisory Committee, Recreation Committee, Parks and Conservation Committee, and others.

Planning Board	\$1,000
Zoning Advisory Committee	150
Parks & Conservation Committee	200
Recreation Committee	2,950
Bicentennial Committee	2,000
Zoning Board of Appeals	<u>600</u>

Council recommends \$100 from Surplus and an appropriation of \$6,800. Total: \$6,900.

ARTICLE 20. To see what sum of money the Town will vote to raise and appropriate for Portsmouth-Kittery Armed Services Committee, Memorial Day Services, and Pine Blister Control.

Armed Services Committee	\$ 100
Memorial Day	430
Pine Blister Control	<u>300</u>

Council recommends \$830.

ARTICLE 21. To see what sum of money the Town will vote to raise and appropriate for a Code Enforcement Officer.

Council recommends \$1,800 from Surplus and an appropriation of \$3,000. Total: \$4,800.

ARTICLE 22. To see what sum of money the Town will vote to raise and appropriate for Insurance and Retirement Benefits.

Workmen's Compensation	\$ 3,100
Building, Fleet, & Liability Policies	10,850
Health Insurance	3,450
Social Security & Retirement	<u>11,500</u>

Council recommends \$28,900.

ARTICLE 23. To see what sum of money the Town will vote to raise and appropriate for Municipal Building Expenses.

Utilities, Maintenance, and Supplies	\$ 8,690
---	----------

Council recommends \$1,540 from Surplus and an appropriation of \$7,150.

ARTICLE 24. To see what sum of money the Town will vote to raise and appropriate for roads and parking areas at the Town Forest.

Council recommends \$1,200 from Surplus.

ARTICLE 25. To see what sum of money the Town will vote to raise and appropriate to be placed into a fund for construction of a snowmobile bridge over the Great Works River.

Council recommends \$500 from Surplus.

ARTICLE 26. To see what sum of money the Town will vote to appropriate from Unappropriated Surplus Account to be used toward the payment of 1975 Budget appropriations; thereby decreasing the amount of money to be raised by taxation in 1976.

Council recommends \$50,000.

ARTICLE 27. To see if the municipality will vote to appropriate the sum of \$6,830 received from the Treasurer of State under 1975 Public Laws, Chapter 272, for the reduction of the assessment of property taxes used for municipal purposes.

Council recommends adoption.

ARTICLE 28. To see if the Town will vote to adjourn the Town Meeting.

Given under our hands in the Town of South Berwick this twenty-fifth day of February, 1976, A.D.
